535	EMERGENCY OPERATIONS CENTER					535
536	Funds in Specific Appropriation 2693A are provided to the Division of Emergency Management for the technology, telecommunications, audio/visual equipment, and installation services needed for the new Emergency Operations Center. Pursuant to section 282.201(3) (a), Florida Statutes, no funding is provided to create any new agency computing facility or data center, or to expand current agency data center capabilities. The division may utilize this funding to obtain the necessary data center services through the Northwest Regional Data Center. The division is authorized to submit budget amendments requesting release of these funds pursuant to the provisions of chapter 216, Florida Statutes. Release is contingent upon submission and approval of a project plan and spending plan for the procurement and installation of all identified equipment and services, including a detail of the recurring costs necessary to operate and maintain the equipment.
