Senator Miller moved the following amendment to amendment (470591):

Senate Amendment

On page 1, between lines 16 and 17,

insert:

(15) Notwithstanding any other provision of this section, wastewater being pumped into the underground aquifer must be fully treated as it is pumped into the aquifer and must be treated coming out to ensure that there is no contamination to the water, the aquifer, or the drinking water.

(Redesignate subsequent subsections.)
