This Rule shall not preclude the performance of duties that may be properly delegated to a Senator's legislative assistant.

1.30—Duties and hours

Employees shall perform the duties assigned to them by the President and required of them by Rule and policy of the Senate. When the Senate is in session, employees shall remain on duty as required. Part-time employees and Senators' district staff shall observe hours that are prescribed by their respective department head or Senator.

(2) Every Senator shall maintain his or her offices and the Senate generally as safe professional environments that are free from unlawful employment discrimination, including but not limited to harassment or retaliation.

1.36—Improper influence

A Senator shall not accept anything that will improperly influence his or her official act, decision, or vote.

1.361—Solicitation or acceptance of contributions; registration and disclosure requirements

(1) During any regular legislative session, extended session, or special session, a Senator may not directly or indirectly solicit, cause to be solicited, or accept any contribution on behalf of either the Senator's own campaign, any organization described under section 527 or section 501(c)(4) of the Internal Revenue Code, any political committee, any political party, or the campaign of any candidate for the Senate; however, a Senator may contribute to his or her own campaign.

(2) Any fundraising activity otherwise prohibited during an extended or special session by subsection (1) shall not be considered a violation of this Rule and may take place provided that it can be shown that the event was already scheduled prior to the issuance of the proclamation, resolution, or other communiqué extending the session or convening a special session.

(3) Any Senator who directly or indirectly solicits, causes to be solicited, or accepts any contribution on behalf of any organization described under section 527 or section 501(c)(4) of the Internal Revenue Code, or any political committee must immediately disclose such activity to, and register with, the Rules Committee. However, no registration is required as a result of a Senator's solicitation or acceptance of contributions on behalf of his or her own campaign, a campaign for any other office, or a political party. A Senator shall promptly create a public website that contains a mission statement for such organization, the names of the Senators associated with that organization, and disclosure of contributions received by and expenditures made by the organization.

1.38—Undue influence

1.39—Disclosure of conflict of interest and prohibition on voting thereon

2. Any parent organization or subsidiary of a corporate principal by which the Senator is retained or employed; or

 2. "Business associate" means any person or entity engaged in or carrying on a business enterprise with the Senator as a partner, joint venturer, corporate shareholder where the shares of such corporation are not listed on any national or regional stock exchange, or co-owner of property.

(3) Methods of disclosure.—If the vote is taken on the floor, disclosure under this Rule or under any related law shall be accomplished by filing with the Secretary a memorandum the substance of which shall be printed in the Journal. If the vote is taken in a committee or subcommittee, the memorandum shall be filed with the committee or subcommittee administrative assistant, who shall file such memorandum in the committee or subcommittee files and with the Secretary. A Senator shall make every reasonable effort to file a memorandum pursuant to this Rule prior to the vote. The Secretary shall also make all memoranda filed pursuant to this Rule available online.

(4) Exception.—Notwithstanding this Rule, a Senator may vote on the General Appropriations Act or related implementing legislation without providing any disclosure. 1.40—Ethics and conduct training

Prior to the opening day of every regular session, all Senators shall complete a course of at least one (1) hour in length which addresses workplace harassment, sexual harassment, sensitivity, and the proper handling of such issues in the workplace. Senators filling a vacant seat at a special election after opening day shall complete the course within fourteen (14) days of election.

1.41—Senate employees and conflicts

Senate employees shall conduct themselves consistent with the intent of these Rules regulating legislative conduct and ethics.

1.42—Advisory opinions

Questions from Senators relating to the interpretation and enforcement of Rules regulating legislative conduct and ethics shall be referred to the Senate General Counsel. A Senator may submit a factual situation to the Senate General Counsel with a request for an advisory opinion establishing the standard of public duty. The complaint shall be based on personal knowledge, shall state detailed facts, shall specify the actions of the named Senator which form the basis for the complaint, shall attach all documentation on which the complaint is based, and shall identify the specific Rule alleged by the complainant to have been violated by the Senator.

See Rule 1.48(8)(b)—Legislative records.

- (a) Upon a determination by the Rules Chair, or the President when the complaint is against the Rules Chair, that the complaint fails to state facts supporting a finding of a violation of the Senate Rules, the complaint shall be dismissed.
- (b) Upon a determination by the Rules Chair, or the President when the complaint is against the Rules Chair, that the complaint states facts that, if true, would be a violation of the Senate Rules, the complaint shall be referred to a special master or select committee to determine probable cause. If a select committee is appointed, it shall be comprised of an odd number of members.
 - 1. The special master or select committee shall give reasonable notice to the Senator who is alleged to have violated the Rules, shall conduct an investigation, and shall grant the Senator an opportunity to be heard. A report and recommendation shall then be prepared.
 - 2. The report and recommendation is advisory only and shall be presented to the Rules Chair and the President as soon as practicable after the close of the investigation.
 - 3. If the report and recommendation conclude that the facts do not support a finding of probable cause, the complaint shall be dismissed by the Rules Chair, or the President when the complaint is against the Rules Chair.
 - 4. If the complaint is not dismissed, another select committee will be appointed and shall consider the report and recommendation, shall grant the Senator an opportunity to be heard, and shall develop its own recommendation.
 - 5. If the select committee votes to dismiss the complaint, the chair shall dismiss the complaint.
 - 6. Otherwise, the report and recommendation and the recommendation of the select committee shall be presented to the President.
 - 7. The President shall present the committee's recommendation, along with the report and recommendation, to the Senate for final action.
- (c) The Rules Chair, or the President when the complaint is against the Rules Chair, shall act within thirty (30) days of receipt of a complaint, unless a concurrent jurisdiction is conducting an investigation, in which case a decision may be deferred until such investigation is complete.
- (d) Nothing in this Rule prohibits a Rules Chair, or the President when the complaint is against the Rules Chair,

from allowing a Senator to correct or prevent an inadvertent, technical, or otherwise *de minimis* violation by informal means.

- (e) Nothing in this Rule prohibits the Rules Chair, a select committee appointed pursuant to this Rule, or the President when the complaint is against the Rules Chair, from recommending a consent decree if agreed to by the Senator. The decree shall state findings of fact and set forth an appropriate penalty. If the Senate accepts the consent decree, the complaint shall be deemed resolved.

(2) Separately from any prosecutions or penalties otherwise provided by law, a Senator determined to have violated the requirements of the Rules regulating legislative conduct and ethics may be admonished, censured, reprimanded, or expelled. Such determination and disciplinary action shall be taken by a **two-thirds (2/3) vote** of the Senate.

(3) Because they may be asked to sit in judgment on an alleged violation of a Senate Rule, Senators should refrain from speaking publicly about the merits or substance of any such complaint.

(3) In the event the times required for notice under Rule 1.45(1) are not sufficient to permit publication in a daily or interim calendar, the Secretary shall publish on the Senate website and post on the Senate side of the fourth (4th) floor Capitol rotunda. The Secretary shall make a diligent effort to give actual notice to members of the media of all noncalendared meeting notices.

(4) Political caucuses shall be open to the public in accordance with Rule 1.44 and noticed in accordance with this Rule when legislative business then pending before, or upon which foreseeable action is reasonably expected to be taken by, the Senate, a Senate committee, or a Senate subcommittee are discussed. (3) In the event of conflict between this Rule and any other Senate Rule, the Rule providing greater notice or public access shall prevail.

Records not transferred may be otherwise disposed of or destroyed.

Such fees shall be based upon the actual cost of duplication of the record and shall include the material and supplies used to duplicate the record but not the labor cost or overhead cost associated with such duplication. If the nature or volume of records requested to be inspected or copied is such as to require extensive use of information technology resources or extensive clerical or supervisory assistance by employees of the Senate, a special service charge in addition to the actual cost of duplication may be imposed. Such special service charge shall be reasonable and based on the cost incurred for the extensive use of information technology resources or the labor cost of employees providing the service that is actually incurred by the Senate or attributable to the Senate for the clerical and supervisory assistance required.

(6) Once the retention period for a public record, not exempted from public disclosure, has expired, the public record may be otherwise disposed of or destroyed. A public record need not be retained if it is published or retained by another legislative office. - (h) Requests by members for an advisory opinion concerning the application of the rules of either house pertaining to ethics, unless the member requesting the opinion authorizes in writing the release of such information. All advisory opinions shall be open to inspection except that the identity of the member shall not be disclosed in the opinion unless the member requesting the opinion authorizes in writing the release of such information.
- (i) Portions of correspondence held by the legislative branch which, if disclosed, would reveal: information otherwise

exempt from disclosure by law; an individual's medical treatment, history, or condition; the identity or location of an individual if there is a substantial likelihood that releasing such information would jeopardize the health or safety of that individual; or information regarding physical abuse, child abuse, spouse abuse, or abuse of the elderly.

(9) Any Senate record created prior to July 1, 1993, which was so designated by the President on June 30, 1993, shall remain exempt from inspection and copying after July 1, 1993. (10) For purposes of this Rule, "public record" means all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, or other material, regardless of physical form or characteristics, made or received pursuant to law or ordinance or in connection with the transaction of official business by the legislative branch.

(11) All records, research, information, remarks, and staff work products, made or received during or in preparation for a closed meeting of a select committee, committee, or subcommittee, shall be confidential and exempt from inspection and copying for a period of thirty (30) days after the closed meeting, at which time they will automatically become legislative public records open to inspection and copying, unless the confidentiality and the prohibition against inspection and copying has, within the thirty-day (30) period, been extended by the President. Unless the above-listed confidential and exempt items have been earlier released by operation of this Rule, they shall automatically become available for public inspection and copying five (5) years after the date of the closed meeting, unless this confidentiality and exemption is further extended by the President for subsequent five-year (5) periods.

1.49—Violations of Rules on open meetings and notice

(1) The President shall provide a schedule of days, hours, and places for the meeting of committees for the regular session and during the interim, and deliver a copy of same to each Senator. However, no committee shall meet before 7:00 a.m. or meet or continue to meet after 6:00 p.m.

(2) Each committee or subcommittee, standing or select, shall meet in the place and within the time assigned for its use by the President. Notice of such assignment shall be published on the Senate website and posted on the Senate side of the fourth (4th) floor Capitol rotunda. However, the President may authorize a committee or subcommittee to continue the meeting on the same day at a time and place determined by the President. The President may further authorize the meeting to go beyond 6:00 p.m. notwithstanding subsection (1).

(3) No committee except the Rules Committee shall meet while the Senate is sitting without the consent of the **majority** of the Senate present.

2.11—Presentation of bills introduced by Senators before committees; staff presentation of committee bills

(1) The introducer of a bill shall attend the meeting of the committee or subcommittee before which such bill is noticed as provided in these Rules. The introducer or the first- or second-named co-introducer may present a bill; however, with prior written request of the introducer to the chair, a member of the committee or subcommittee may present a bill.

(2) Senate committee professional staff shall be limited to presenting committee bills at meetings of the committee introducing the bill.

2.12—Order of consideration of bills; exception

Bills shall be considered in the order appearing in the notice required by these Rules, except that the chair may take up a bill out of its order to accommodate the presence of a Senator or Representative who is the introducer thereof.

2.13—Open meetings

Except as otherwise provided in these Rules, all committee meetings shall be open to the public, subject always to the powers and authority of the chair to maintain order and decorum.

See Rule 1.44—Open meetings.

See FLA. CONST. art. III, § 4(e) Quorum and procedure.

2.15—Standing committee reports; committee substitutes

(1) If reporting a matter referred to it, a standing committee shall report the matter either:

- (a) Favorably,
- (b) Favorably with committee amendment,
- (c) Favorably with committee substitute as defined in these Rules, or
- (d) Unfavorably.

The vote of the members present of a standing committee or subcommittee on final passage of any measure shall be recorded. Upon the request of any two (2) members of a committee or subcommittee, the

vote on any other matter or motion properly before the committee shall be recorded. After such report has been received by the Secretary, no matter so reported shall be recommitted to a committee except by a **two-thirds (2/3) vote** of those Senators present at a sitting or except as provided in Rule 2.7, Rule 4.7(2), or Rule 4.8(4).

See FLA. CONST. art. III, § 4(c) Quorum and procedure.

- (2) Such reports shall also reflect:
 - (a) The date, time, and place of the meeting at which the action was taken, and
 - (b) The vote of each member present of the committee on final passage of each bill.

See FLA. CONST. art. III, § 4(c) Quorum and procedure.

The Secretary shall enter in the Journal the recommended action of the committee on each bill reported, but shall not include that portion of the report relating to the date, time, and place of the meeting or the vote of each member on final passage of a measure. Reports of committees shall be preserved pursuant to law.

(3) In reporting a Senate measure, a standing committee may draft a new measure embracing the same or related subject matter to be returned to the Senate with the recommendation that the substitute be considered in lieu of the original measure. If one or more amendments are adopted, a measure shall, without motion, be reported as a committee substitute unless the committee by **majority vote** decides otherwise.

- (a) The substitute measure must be accompanied by the original measure referred to the committee and returned to the Secretary in the same manner as a favorable report.
- (b) No other standing committee of reference shall consider the original measure but shall direct its attention to the substitute measure.
- (c) A committee receiving a committee substitute from a prior committee of reference may also report a committee substitute and shall not be precluded from doing so with the substance of the bill as originally introduced.
- (d) When reported, the substitute shall be read a first (1st) time by title, the original proposition shall be automatically tabled, and the substitute considered in lieu thereof without motion. The substitute shall carry the identifying number of the original and shall be returned to the Secretary in the same number of copies required for first (1st) introduction of a similar measure.
- (e) The names of the introducer and each co-introducer of the original measure shall be shown by the committee administrative assistant on the committee substitute unless an introducer or co-introducer requests that it be omitted.

- (f) A Senate committee may not recommend a Senate committee substitute for a House bill.

(4) All standing committee reports shall be filed with the Secretary's office as soon as practicable, but not later than 4:30 p.m. on the next day that is not a weekend or state holiday, except a committee drafting and recommending a committee substitute shall file such committee report no later than 4:30 p.m. on the second (2nd) such weekday. These reports must be accompanied by the original bill. Each report by a committee must set forth the identifying number of the bill. If amendments are proposed by the committee, the words "with amendments" shall follow the identifying number. Committee amendments shall be identified by barcode in the report. All bills reported unfavorably shall be laid on the table.

2.16—Standing subcommittee reports

(1) If reporting a matter referred to it, a standing subcommittee must report the matter directly to the standing committee, which shall promptly certify a copy of the report to the Secretary. The standing subcommittee shall report a matter either:

- (a) Favorably,
- (b) Favorably with committee amendment,
- (c) Favorably with committee substitute as defined in these Rules, or
- (d) Unfavorably.

(2) Such reports shall also reflect:

- (a) The date, time, and place of the meeting at which the action was taken, and
- (b) The vote of each member of the subcommittee on final passage of each bill.

See FLA. CONST. art. III, § 4(c) Quorum and procedure.

(3) In reporting a bill to the standing committee, a standing subcommittee may draft a new measure, embracing the same or related subject matter, to be returned to the standing committee with the recommendation that the substitute be considered in lieu of the original measure. The substitute measure must be accompanied by the original measure referred to the standing subcommittee and returned to the standing committee in the same manner as a favorable report.

(4) All standing subcommittee reports shall be promptly transmitted to the standing committee. Each report by a standing subcommittee must set forth the identifying number of the measure. If amendments are proposed by the standing subcommittee, the words "with amendments" shall follow the identifying number. Standing subcommittee amendments shall accompany the report.

(5) All bills reported unfavorably by a subcommittee shall be laid on the table by roll call vote when the standing committee considers the

standing subcommittee's report unless, on motion by any member adopted by a **two-thirds (2/3) vote** of those standing committee members present, the same report shall be rejected.

(6) When a subcommittee report is rejected by a standing committee, the bill shall receive a hearing *de novo* and witnesses shall be permitted to testify.

See FLA. CONST. art. III, § 4(c) Quorum and procedure.

(7) When a bill with a favorable report by a standing subcommittee is considered by the standing committee, debate and further amendment by members of the standing committee shall be allowed prior to a vote on final passage.

2.17—Quorum requirement

(1) A standing committee, standing subcommittee, or select committee is assembled only when a quorum constituting a **majority** of the members of that committee is present in person.

(2) A committee member may question the presence of a quorum at any time.

(3) No committee business of any type shall be conducted in the absence of a quorum. Any matter reported in violation of this Rule shall be recommitted by the President when it is called to the President's attention by a Senator.

2.19—Conference committee in deliberation; reports

(1) All meetings of Senate conferees with House conferees at which the business of the conference committee is discussed shall be open to the public subject to proper order and decorum. A meeting of the Senate and House conferees is a meeting of the two (2) groups; therefore, the rules governing each respective house apply. Meetings between a **majority** of the members of a conference committee may be held following a notice being filed with the Secretary by or at the direction of the person calling the meeting, at least one (1) hour in advance of the meeting. The notice shall indicate the names of the conferees and scheduled participants, the date, the time, and the place of the meeting. Conference committees may meet at any time with proper notice.

See FLA. CONST. art. III, § 4(e) Quorum and procedure.

(2) A conference committee, other than a conference committee on a general or special appropriations bill and its related legislation, shall consider and report only on the differences existing between the Senate and the House, and no substance foreign to the bills before the conferees shall be included in the report or considered by the Senate.

(3) A conference committee may only report by recommending the adoption of a series of amendments to the House or Senate bill that was the subject of the conference, or it may offer an amendment deleting everything after the enacting clause of any such bill referred to the

committee. Such amendments shall accompany the conference committee report. In any event, the conference committee may recommend, as part of its report, the adoption or rejection of any or all of the amendments theretofore adopted by either house. Conference committee reports must be approved and signed by a **majority** of the conferees on the part of each house. All final actions taken in a conference committee shall be by motion.

(4) Each conference committee report shall contain a statement sufficiently explicit to inform the Senate of the effect of the report on the measure to which it relates.

(5) When the President appoints a conference committee, a notice of the following meetings to discuss matters relating to the conference, stating the names of the conferees and scheduled participants, and the date, time, and place for the meeting, shall be filed with the Secretary by or at the direction of the person at whose call the meeting is convened, not less than one (1) hour preceding the time for the meeting:

- (a) Meetings between the President (or a Senator designated to represent the President), the Governor, and the Speaker (or a Representative designated to represent the Speaker);
- (b) Meetings between a **majority** of the members of any subcommittee of the conference committee;
- (c) Meetings between the President or any Senator designated to represent the President and a conferee from the House of Representatives, or any meeting between a conferee from the Senate with the Speaker or any Representative designated to represent the Speaker; and
- (d) Meetings of a **majority** of the Senate conferees; and when the bill that is the subject of the conference committee deals primarily with the general appropriations act or revenue matters, any meeting of three (3) or more conferees on the part of the Senate.

See FLA. CONST. art. III, § 4(e) Quorum and procedure.

(6) Notice of meetings, as scheduled, between the chair of the Senate's conferees with the chair of the House's conferees, or between respective Senate and House committee chairs with each other, shall be published on the Senate website and posted on the Senate side of the fourth (4th) floor Capitol rotunda. In the case of the appropriations conference, said notice shall also be posted outside the door of the offices of the appropriations committees.

(7) All meetings for which notice is required pursuant to this Rule shall be held in the Capitol Complex, but shall not be held in the Chamber of either house while it is sitting.

(8) When conferees on the part of the Senate report an inability to agree, any action of the Senate taken prior to such reference to a

conference committee shall not preclude further action on the measure as the Senate may determine.

(9) After Senate conferees have been appointed for seven (7) calendar days and have failed to make a report, it is a motion of the highest privilege to move to discharge said conferees and to appoint new conferees, or to instruct said conferees. This motion shall have precedence over all other questions except motions to adjourn or recess and questions of privilege. Further, during the last six (6) calendar days allowed under the *State Constitution* for any regular session, it shall be a privileged motion to move to discharge, appoint, or instruct Senate conferees after the Senate conferees have been appointed thirty-six (36) hours without having made a report.

PART TWO—COMMITTEES—OFFICERS

2.20—Appointment of chair and vice chair

A chair and a vice chair of each standing committee shall be appointed by the President and shall continue in office at the pleasure of the President. The President shall also appoint a chair for each standing subcommittee and select committee authorized by these Rules and may designate a vice chair, both of whom shall continue in office at the pleasure of the President.

2.21—Call to order

The chair or, in the chair's absence, the vice chair, shall call the committee to order at the hour provided by these Rules. A quorum being present, the committee shall proceed with consideration of its agenda.

2.22—Chair's control

The chair shall preserve order and decorum and shall have general control of the committee room. If there is a disturbance or disorderly conduct in the committee room, the chair may require participants in the disturbance to clear the room.

2.23—Chair's authority; appeals

(1) The chair shall approve all notices, subpoenas, or reports required or permitted by these Rules.

(2) The chair shall decide all questions of order, subject to an appeal by any Senator, and the appeal shall be certified by the chair to the Senate for a decision by the President during its next sitting following such certification. If not in session, the President may make a ruling by letter. Rulings shall be entered in the Journal, shall constitute binding precedent on all committees of the Senate, and shall be subject to appeal as any other question; however, rulings by letter are subject to appeal at the first or second sitting of the next regular session.

(3) The proper method of taking exception to a ruling of the chair is by appeal. An appeal of a decision of the chair must be made promptly before debate has concluded or other business has intervened. A point of order on any other question is not in order while an appeal is pending, but a point of order relating to the appeal may be raised; if the determination of the appeal is dependent on this point, it may be decided by the chair. This second (2nd) decision is also subject to appeal.

(4) An appeal of a decision of the chair on a point of order is debatable even though the question from which it arose was not debatable.

(5) The chair may, or on the vote of a **majority** of the committee members present shall, certify a question of parliamentary procedure to the President as contemplated by the Rule without a formal appeal. Such certified question shall be disposed of by the President as if it had been on appeal.

(6) Final action on an appeal or the certification of a procedural question pursuant to this Rule shall not constitute an automatic stay to further legislative action on the measure under consideration.

2.24—Chair, vice chair; vote

The chair and vice chair shall vote on all matters before such committee. The name of the chair shall be called last.

See Rule 1.39—Disclosure of conflict of interest and prohibition on voting thereon.

2.25—Temporary alternate to chair

The chair may name any member of the committee to perform the duties of the chair. This delegation shall not extend beyond adjournment of such meeting. If for any reason the chair is absent and fails to name a member, the vice chair shall assume the duties of the chair during the chair's absence.

2.26—Vice chair's duties

On the death, incapacitation, or resignation of the chair, the vice chair shall perform the duties of the office until the President appoints a successor. In the absence of the chair, the vice chair shall act as chair.

PART THREE—COMMITTEES—MEMBERS

2.27—Members' attendance, voting; proxy and poll votes prohibited

(1) Unless excused or necessarily prevented, every member of a committee shall be in attendance during each of its meetings.

(2) The chair may excuse any member for just cause from attendance at meetings of his or her committee for any stated period. This excused absence shall be noted on the committee's records.

(3) Failure to attend two (2) consecutive regular meetings, unless excused from attendance in the Senate on those days as provided in these Rules or by the chair of the committee, shall be reported to the President who may take appropriate action.

(4) No member of any committee shall be allowed to vote by proxy nor shall a vote be conducted by poll.

(5) A **majority** of all the committee members present shall agree by their votes on the disposition of any matter considered by the committee.
See Rule 11.4—Majority action.

PART FOUR—COMMITTEES—VOTING

2.28—Taking the vote; post-meeting record of missed vote

(1) The chair shall declare the result of all votes and shall cause same to be entered on the records of the committee, but if any member questions the declared result of a voice vote, then by a show of hands by two (2) members the chair shall count the yeas and nays. When the committee is equally divided, the question shall be lost.

See Rule 1.20—Attendance, voting, and disclosure of conflicts.
See FLA. CONST. art. III, § 4(c) Quorum and procedure.

- (2) A member may request to:
- (a) Vote, or
 - (b) Change his or her vote

before the results of a roll call are announced.

(3) After the result of a vote has been announced, a member with unanimous consent of those committee members present may record a vote or change his or her vote. If the vote alters the final action of the committee, no vote or change of vote shall be permitted unless the matter has been reconsidered by the committee. On request of a member prior to consideration of other business, the chair shall order a verification of a vote.

(4) After a committee meeting, an absent Senator may file with the committee an indication of how he or she would have voted if present. Such filing is for information only and shall have no effect upon the committee's meeting report.

2.29—Pair voting prohibited

No pair voting shall be permitted in a committee.

2.30—Casting vote for another

No Senator shall cast a vote for another Senator, nor shall any person not a Senator cast a vote for a Senator. In addition to such penalties as may be prescribed by law, any Senator who shall vote or attempt to vote for another Senator may be punished as the Senate may deem proper.

Also, any person not a Senator who shall vote in the place of a Senator shall be excluded from the committee for the remainder of the session.

2.31—Explanation of vote; deferring a vote prohibited

No member shall be permitted to defer or explain his or her vote during a roll call, but may submit his or her explanation in writing and file it with the chair. This explanation shall be kept as part of the committee record and a copy filed with the Secretary.

PART FIVE—COMMITTEES—MOTIONS AND PRECEDENCE

2.32—Motions; how made, withdrawn

(1) Every procedural motion may be made orally. On request of the chair, a member shall submit his or her motion in writing.

(2) After a motion has been stated or read by the chair, it shall be deemed to be in possession of the committee without a second, and shall be disposed of by vote of the committee members present.

(3) The mover may withdraw a motion at any time before the same has been amended, or before a vote shall have commenced.

(4) The mover of a motion to reconsider may withdraw that motion only with the unanimous consent of those committee members present.

2.33—Motions; precedence

(1) When a question is under debate, the chair shall receive no motion except:

(a) To adjourn

(b) To take a recess

(c) To reconsider instanter passage of a main question

See Rule 2.35—Reconsideration generally.

(d) To reconsider

See Rule 2.35—Reconsideration generally.

(e) To limit debate or vote at a time certain

See Rule 2.50—Limitation on debate; vote at a time certain.

(f) To temporarily postpone

See Rule 6.11—Temporarily postpone.

(g) To amend

See Rule 2.39—Amendments, proposed committee substitutes, and proposed committee bills; form, deadlines, notice, manner of consideration; germanity.

which shall have precedence in the descending order given.

(2) The chair shall present all questions in the order in which they are moved unless the subsequent motion is of a higher precedence or a substitute of equal precedence.

(3) When a motion is under consideration, but prior to the commencement of the vote, a substitute motion shall be in order. Only one (1) substitute may be pending and the substitute shall be in the same

order of precedence. If a substitute fails, another substitute of equal degree may be offered.

2.34—Division of question

A member may move for a division of a question when the sense will admit of it, which shall be decided by a **majority vote**. A motion to delete and insert shall be deemed indivisible; a motion to delete, being lost, shall neither preclude amendment nor a motion to delete and insert.

See Rule 6.3—Division of question.

2.35—Reconsideration generally

(1) When a question has been decided by a committee, any member voting with the prevailing side may move for reconsideration of the question.

(2) If a question has been decided by voice vote, any member may move for reconsideration, but such motion shall be out of order after the committee has moved on to other business.

See Rule 2.38—Reconsideration; collateral matters.

(3) A motion to reconsider final passage of a measure or the confirmation of an executive appointment may be made prior to or pending a motion to adjourn. It shall not be taken up or voted on when made but shall be a special and continuing order of business for the succeeding committee meeting. During such succeeding meeting, the mover of the original motion to reconsider may withdraw that motion by a **two-thirds (2/3) vote** of the members present. Unless taken up during such meeting, the motion to reconsider shall be considered abandoned.

(4) If the committee shall refuse to reconsider or, upon reconsideration, shall confirm its first decision, no further motion to reconsider shall be in order except upon unanimous consent of those committee members present.

See FLA. CONST. art. III, § 4(c) Quorum and procedure.

(5) At the next succeeding meeting, the reconsideration of such motion may be made by any member prior to a motion to adjourn.

(6) During the last fourteen (14) days of a regular session, a motion to reconsider shall be made and taken up during the meeting at which the original vote was taken.

(7) A motion to reconsider instanter may be offered by a member voting on the prevailing side at the original meeting and shall be of a higher precedence than a motion to reconsider.

- (a) If the motion to reconsider instanter is agreed to by a **two-thirds (2/3) vote** of the members present, it shall supersede a motion to reconsider and place the main question again before the committee for further consideration, amendment, and debate.

- (b) If a motion to reconsider instanter is not agreed to, a motion to reconsider, if offered or pending as provided in subsection (3) of this Rule, shall be a special and continuing item on the committee agenda for the next meeting.

2.36—Reconsideration; vote required

The affirmative votes of a **majority** of the committee members present shall be required to adopt a motion to reconsider.

2.37—Reconsideration; debate allowed

Debate shall be allowed on a motion to reconsider only when the question proposed for reconsideration is debatable. When debate on a motion to reconsider is in order, no Senator shall speak thereon more than once nor longer than **five (5) minutes**.

2.38—Reconsideration; collateral matters

A motion to reconsider a collateral matter must be disposed of during the course of the consideration of the main subject to which it is related, and such motion shall be out of order after the committee has passed to other business.

PART SIX—COMMITTEES—AMENDMENTS

2.39—Amendments, proposed committee substitutes, and proposed committee bills; form, deadlines, notice, manner of consideration; germanity

(1) No amendment or proposed committee substitute to any measure, or no proposed committee bill on any committee agenda shall be considered by that committee unless the amendment, proposed committee substitute, or proposed committee bill was prepared in proper form as prescribed by the Secretary and filed with the committee administrative assistant at least twenty-four (24) hours prior to the noticed meeting time. For the purpose of this Rule, office hours are the weekdays of Monday through Friday, 8:00 a.m.–5:00 p.m. Copies of such amendment, proposed committee substitute, or proposed committee bill shall be made reasonably available by the committee administrative assistant before the meeting to the members of the committee and to the public.

- (a) After distribution of all timely filed amendments, amendments to amendments or substitute amendments may be filed to any measure to which an amendment was timely filed. Such amendments must be filed with the committee administrative assistant at least two (2) hours prior to the noticed meeting time.
- (b) After distribution of all timely filed proposed committee substitutes and proposed committee bills, amendments, amendments to amendments, or substitute amendments to

any proposed committee substitute or proposed committee bill must be filed with the committee administrative assistant at least two (2) hours prior to the noticed meeting time.

- (c) Amendments to late-filed amendments, proposed committee substitutes, or proposed committee bills shall be considered timely filed if filed at least two (2) hours prior to the noticed meeting time.
- (d) After day fifty (50) of a regular session, an amendment, proposed committee bill, or proposed committee substitute to any measure prepared prior to a committee meeting at which it is offered shall be filed with the committee administrative assistant at least two (2) hours prior to the noticed meeting time.
- (e) The consideration of any amendment, proposed committee bill, or proposed committee substitute not timely filed in accordance with this Rule, including any filed during a committee meeting in which it is to be offered, requires a **two-thirds (2/3) vote** of those committee members present, if any member requests that such a vote be taken. These time requirements do not apply to a committee's recommendation during a meeting to make a committee substitute which is merely a combination of the noticed bill and amendment.

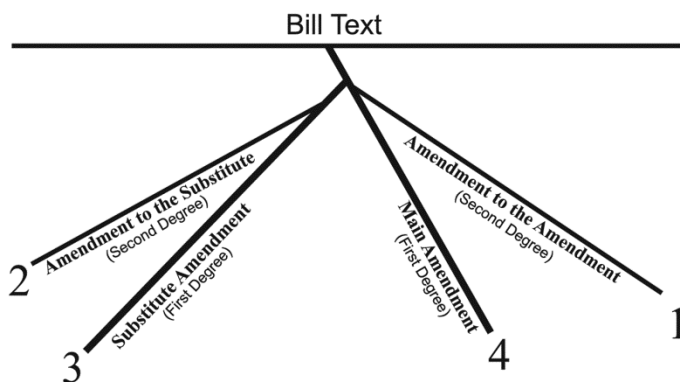

(2) An amendment shall be considered only after its sponsor, who is a member of the committee or the introducer of the pending bill, gains recognition from the chair to move its adoption. The first- or second-named co-introducer, or a member of the committee presenting the bill with permission of the chair, may move and explain an amendment sponsored by the introducer.

(3) An amendment shall be deemed pending only after its sponsor has been recognized by the chair and has moved its adoption. Amendments that have been filed but have not been formally moved for adoption shall not be deemed to be pending.

(4) No proposition on a subject different from that under consideration shall be admitted in the form of an amendment.

2.40—Sequence of amendments to amendments

(1) An amendment to a pending amendment may be received, but until it is disposed of, no other motion to amend will be in order, except a substitute amendment or an amendment to the substitute. Such amendments are to be disposed of in the following order:

- (a) Amendments to the amendment are acted on before the substitute is taken up.
 - (b) Amendments to the substitute are next voted on.
 - (c) The substitute then is voted on.
- (2) If a substitute amendment is adopted, it supersedes the main amendment and shall be treated as an amendment to the bill itself.
- (3) The following third (3rd) degree amendments are out of order:
- (a) A substitute amendment for an amendment to the amendment.
 - (b) A substitute amendment for an amendment to the substitute.
 - (c) An amendment to an amendment to the amendment.
 - (d) An amendment to an amendment to the substitute amendment.

See Rule 7.3—Sequence of amendments to amendments.

2.41—Deleting everything after enacting clause

A proposal to delete everything after the enacting clause of a bill, or the resolving clause of a resolution, and insert new language of the same or related subject as stated in the original title shall be deemed proper and germane and shall be treated as an amendment.

2.42—Amendment by section

The adoption of an amendment to a section shall not preclude further amendment of that section. If a bill is being considered section by section or item by item, only amendments to the section or item under consideration shall be in order. The chair, in recognizing members for the purpose of moving the adoption of amendments, shall endeavor to cause all amendments to section 1 to be considered first, then all those in section 2, and so on. After all sections have been considered separately, the entire bill shall be open for amendment.

2.43—Senate amendments to House bills

A House bill may be amended in the same manner as a Senate bill except that it may not be reported as a committee substitute.

2.44—Amendments by previous committees

Amendments recommended by all committees of reference shall accompany a bill when filed with the Secretary. No committee shall remove an amendment by another committee but may recommend an amendment to an amendment, or a substitute for an amendment, by another committee. Any accompanying amendment shall be included in a subsequent committee substitute unless altered or negated by committee action. Amendments adopted by a committee to be incorporated in a committee substitute need not be filed with the Secretary as part of the reports required in Rules 2.15 and 2.16.

PART SEVEN—COMMITTEES—DECORUM AND DEBATE

2.45—Decorum and debate; proper forms of address

When a member desires to speak or present a matter to the committee, the member shall address himself or herself to “Mr. or Madam Chair” and, on being recognized, may address the committee and shall confine any remarks to the question under debate, avoiding personality. A member shall not address or refer to another member by his or her first name. A member shall use the appellation of “Senator” or such appellation and the surname of the member referred to or addressed.

2.46—Chair’s power to recognize

When two (2) or more members request to speak at once, the chair shall recognize the member who is to speak first.

2.47—Interruptions; when allowed

(1) No member shall be interrupted by another without the consent of the member who has the floor, except by:

- (a) Rising to a question of privilege;
- (b) Rising to a point of order requiring an immediate ruling;
- (c) Rising to appeal a decision of the chair concerning a point of order (provided the appeal is made immediately following the decision);
- (d) Rising to make a parliamentary inquiry requiring an immediate reply; or
- (e) Rising to question the existence of a quorum.

(2) The chair shall strictly enforce this Rule.

2.48—Speaking rights

(1) When a member is speaking and another member interrupts to request recognition, the chair may permit the person rising to state why he or she desires recognition. If the question the member desires to raise

is entitled to precedence, the member originally speaking shall relinquish the floor until the question having precedence is disposed of. The member is then entitled to resume the floor.

(2) The member making a debatable motion or the introducer of a bill, whether or not a member of the committee, shall have **five (5) minutes** in order to close debate.

2.49—Time allowed for debate

No Senator shall speak longer than **ten (10) minutes** without yielding the floor, except by consent of a **majority** of those committee members present.

2.50—Limitation on debate; vote at a time certain

When a matter is under debate by the committee, a member may move to limit debate or vote at a time certain, and the motion shall be decided without debate. If time permits, the introducer of the pending matter on which debate would be limited shall have **five (5) minutes** to discuss the motion, and the introducer may divide such time with, or waive it in favor of, another member. If the question is decided in the affirmative by a **two-thirds (2/3) vote** of those committee members present, the debate shall be limited accordingly. The time allotted by such limitation shall be apportioned by the chair. Once limited, debate may be extended beyond the original debate time limit by a **majority vote** of the committee members present.

See Rule 8.6—Limitation on debate.

2.51—Priority of business; debate thereon

All questions relating to the priority of business shall be acted on and shall be decided without debate.

RULE THREE

BILLS, RESOLUTIONS, AND MEMORIALS

3.1—Form of bills

(1) All bills shall contain a proper title, as required by Article III, Section 6 of the *State Constitution*, and the enacting clause, “Be It Enacted by the Legislature of the State of Florida:.” The title of each bill shall be prefaced by the words, “A bill to be entitled An act.” Standard rules of capitalization shall apply.

See FLA. CONST. art. III, § 6 Laws.

(2) The original must be approved by the introducer and backed in a folder-jacket. On these jackets shall be inscribed the name and district

number of the introducer and any co-introducers or the introducing committee and its chair, and enough of the title for identification.

See Rule 2.11—Presentation of bills introduced by Senators before committees; staff presentation of committee bills.

See Rule 11.6—General; definitions.

(3) Bills that propose to amend existing provisions of the *Florida Statutes* (as described in Article III, Section 6 of the *State Constitution*) or the *Laws of Florida* shall contain the full text of the section, subsection, or paragraph to be amended. Joint resolutions that propose to amend the *State Constitution* shall contain the full text of the section to be amended.

See FLA. CONST. art. III, § 6 Laws.

(4) In general bills and joint resolutions that propose to create or amend existing provisions of the *Florida Statutes*, *Laws of Florida*, or the *State Constitution*, new words shall be inserted underlined, and words to be deleted shall be lined through, except that the text of the General Appropriations Act shall not be underlined.

(5) When the change in language is so general that the use of these procedures would hinder, rather than assist, the understanding of the amendment, it shall not be necessary to use the coded indicators of words added or deleted but, in lieu thereof, a notation similar to the following shall be inserted immediately preceding the text of the provision being amended: “Substantial rewording of section. See s. [number], F.S., for present text.” When such notation is used, the notation as well as the substantially reworded text shall be underlined.

(6) The words to be deleted and the above-described indicators of such words and of new material are for information and guidance and shall not be considered to constitute a part of the bill under consideration.

(7) Section catchlines of existing text shall not be typed with underlining.

3.2—Bills for introduction

A bill may not be introduced until properly filed with the Secretary.

See Rule 1.15—The Secretary examines legal form of bills for introduction and reference.

3.3—Form of local bills

As required by Article III, Section 10 of the *State Constitution*, all local bills must either embody provision for ratifying referenda (stated in the title as well as in the text of the bill) or be accompanied by an affidavit of proper advertisement. A form of affidavit may be found in section 11.03, *Florida Statutes*. All local bills that require publication shall, when introduced, have proof of publication securely attached to the original copy of the bill and the words “Proof of Publication Attached” clearly typed

or stamped on the Senate side of the bill jacket or cover, or the same shall be rejected by the Secretary.

See FLA. CONST. art. III, § 10 Special laws.

3.4—Form of joint resolutions

(2) Only the Secretary shall prepare copies of Senate resolutions that are to be furnished to any person after the resolution’s adoption.

3.7—Bill filing deadline during regular session; bill filing between regular sessions; exceptions

- (a) general appropriations bills,
- (b) appropriations implementing bills,
- (c) appropriations conforming bills,
- (d) local bills,

- (g) committee bills,
- (h) trust fund bills,
- (i) public record exemptions that are linked to timely filed general bills, and

(j) fee bills that are linked to timely filed general bills.

(2) Claim bills shall be filed in accordance with the requirements of Rule 4.81(2).

(3) A motion to waive this Rule shall be referred to the Rules Committee for a hearing and its advisory recommendation as to the existence of an emergency reasonably compelling consideration of a bill notwithstanding this Rule and a recommendation shall be reported back to the Senate. The Secretary shall number each bill to provide identity and control until a permanent number can be affixed.

See Rule 1.15—The Secretary examines legal form of bills for introduction and reference.

(4) Between regular sessions of the Legislature, bills may be filed by delivery to the Secretary.

3.8—Filed bills; consideration between regular sessions

(1) A filed bill complying with these Rules shall, in anticipation of the next regular session, be serially numbered in accordance with the permanent system required by these Rules.

(2) The Secretary shall provide each such numbered bill to the President for reference to a committee or committees pursuant to these Rules. The Secretary shall promptly forward each referenced bill to the first (1st) or only committee of reference. The Secretary shall make all filed bills available to each Senator, including the referencing data for each bill, and a calendar of all committee hearings, including the bills noticed for hearing by each.

(3) Each bill considered by a committee and reported to the Secretary during the interim shall be introduced and read on the first (1st) day of the regular session, pursuant to the *State Constitution, Laws of Florida*, and these Rules. The Journal shall show the committee reference and the report of the committee.

(4) Prior to the introduction of a bill on the first (1st) day of the regular session, a Senator may give written notification to the Secretary to withdraw his or her bill from further consideration of the Senate.

3.9—Copies of bills

When filed, bills (including committee bills and committee substitute bills) shall be published by the Secretary for the information of the Senate and the public. The absence of a published copy shall not delay the progress of a measure at any stage of the legislative process. Sufficient copies of the general appropriations bill proposed to be introduced by the Appropriations Committee shall be made available to the members and, upon request, to the public, at the Office of the Secretary and at the committee's office, no less than two (2) hours prior to the time the Appropriations Committee meets to consider the proposed committee bill.

3.10—Identification of bills

Bills and other measures requiring legislative action shall be introduced in the order they are received by the Secretary. They shall be serially numbered with even numbers as introduced, without differentiation in number as to type. The Secretary shall mark the original copy of each measure to ensure its identification, and each page thereof, as the item introduced in order to prevent unauthorized or improper substitutions. This identification may be made by any device to accomplish the purpose of this Rule. Such device shall be in the custody of the Secretary, and its use by any person not authorized by this Rule is prohibited.

3.11—Companion measures; defined; substitution of House bills for Senate bills

(1) A companion measure shall be substantially the same and identical as to specific intent and purpose as the measure for which it is being substituted.

(2) When a Senate bill is reached on the calendar of the Senate for consideration, either on second (2nd) or third (3rd) reading, and there is also pending on the calendar of the Senate a companion measure already passed by the House, it shall be in order to move that the House companion measure be substituted and considered in lieu of the Senate measure.

(a) Before a vote is taken on a substitution motion, the mover shall explain the differences between the Senate bill and the House bill.

(b) A substitution motion may be adopted by a **majority vote** of those Senators present if the House companion measure is on the same reading; otherwise, the motion shall be to waive the Rules by a **two-thirds (2/3) vote** of those Senators present and read such House companion measure.

(3) A House bill residing in a Senate committee that is a companion of a bill under consideration in the Senate may be withdrawn from the committees of reference without motion, unless any Senator requests a vote on such withdrawal action. A withdrawal action shall require a **two-thirds (2/3) vote** of those Senators present for adoption.

(4) At the moment the Senate passes a House companion measure, the original Senate measure shall be regarded as automatically tabled. Recommitment of a Senate bill shall automatically carry with it any House companion measure then on the calendar.

3.12—Introducers of bills; co-introducers; introducers no longer Senators

(1) Bills shall be approved for introduction by a Senator whose name is affixed to the original, or by any committee with the name of the

committee and the name of the chair of the committee affixed to the original.

(2) A bill may be co-introduced by any Senator whose name is affixed to the original.

(3) A Senator who is not seeking or is ineligible for reelection and, therefore, will not be a Senator at the next regular session of the Legislature may not file a bill for that session. Once a Senator is no longer in office, any bill filed by that Senator for a current or future session of the Legislature shall be deemed withdrawn from further consideration of the Senate unless the bill has a co-introducer who, within seven (7) days, agrees to become the introducer of the bill.

3.13—Fiscal notes

(1) Upon being favorably reported by a committee, all general bills or joint resolutions affecting revenues, expenditures, or fiscal liabilities of state or local governments shall be accompanied by a fiscal note. Fiscal notes shall reflect the estimated increase or decrease in revenues or expenditures. The estimated economic impact, which calculates the present and future fiscal effects of the bill or joint resolution, must be considered. The fiscal note shall not express opinion relative to the merits of the measure, but may identify technical defects.

(2) Fiscal notes on bills affecting any state retirement system shall be prepared after consultation with an actuary who is a member of the Society of Actuaries, and the cooperation of appropriate state agencies for necessary data shall be solicited.

(3) Fiscal notes shall be regarded as memoranda of factual information and shall be made available to Senators.

(4) If a bill or joint resolution is reported favorably by a committee without a fiscal note or economic impact statement, as defined in this Rule, a Senator may at any time prior to final passage raise a point of order, and the President shall order return of the bill or joint resolution to the committee. A fiscal note prepared for a Senate bill or joint resolution shall be presumed as prepared also for its House companion for the purposes of point of order.

RULE FOUR

(2) The Secretary shall prepare and distribute, on each session weekday, a calendar corresponding to the Daily Order of Business; and within each order of business, matters shall be considered in the order in which they appear on such daily calendar. Local bills may be omitted from the formal calendar and may be distributed to Senators by the Secretary separately. Weekend calendars may be prepared when necessary to provide notice of meetings on Saturday or Sunday.

See Rule 4.16—Consideration out of regular order.

(3) Certain messages from the House of Representatives may be withheld from the Daily Order of Business pursuant to Rule 1.18 or on order of the President. Notwithstanding Rule 4.3(1), the Senate may, at the direction of the President, take up messages from the House at any time.

See Rule 1.18—The Secretary receives and delivers for reading messages from the House of Representatives; summaries of House amendments to Senate bills.

(4) Unless read during a sitting, first (1st) reading of a bill shall be accomplished by publication of the title thereof in the Journal pursuant to Article III, Section 7 of the *State Constitution*.

See FLA. CONST. art. III, § 7 Passage of bills.

4.31—Unanimous consent required

Except by unanimous consent of those Senators present at a sitting, no bill shall be considered by the Senate if the bill or a companion measure has not been first reported favorably by at least one (1) Senate committee.

See Rule 1.15(4)—The Secretary examines legal form of bills for introduction and reference.

4.5—Conference committee report

(1) The report of a conference committee shall be read to the Senate after which the vote shall be:

- (a) on adoption or rejection of the conference report and, if adopted, the vote shall then be
- (b) on final passage of the measure as amended by the conference report.

Copies of conference committee reports shall be available to the membership twelve (12) hours prior to the time such report is scheduled to be taken up on the Senate floor.

(2) The report must be acted on as a whole, being adopted or rejected.

(3) Each report shall include a statement sufficiently explicit to inform the Senate of the effect of the report on the measure to which it relates.

(4) Except when the Senate is voting on a proposition, reports of conference committees shall always be in order.

4.6—Reference generally

(1) All bills, including those that are strictly local in nature, shall be referred by the President to appropriate committees and standing subcommittees. General appropriations bills, appropriations implementing bills, trust fund bills, and appropriations conforming bills introduced by the Appropriations Committee may be placed on the calendar without reference.

(2) Bills received by the President during a regular session and within three (3) weeks next preceding the convening of a regular session shall be referred within seven (7) days. Upon failure of the President to reference such bills within this limitation, they shall be referred to committees recommended by the introducer. In the event of extended absence of the President or the President's disability or incapacity, the President Pro Tempore shall assume the duty of referring bills.

(3) When the Legislature is not in session, the President may change or correct a bill reference by notice to the Secretary and the bill introducer.

See Rule 1.15—The Secretary examines legal form of bills for introduction and reference.

4.7—Reference to more than one committee; effect

(1) When a bill receives more than one (1) reference, it shall be considered by each committee separately in the order in which the references are made. However, if any committee to which the bill is referred makes an unfavorable report on said bill, that report shall be filed with the Senate and no further consideration given by other committees except by a **two-thirds (2/3) vote** of those Senators present while sitting.

(2) If a committee reports a bill favorably with committee substitute or with any amendment that substantially amends the bill, the President may change or correct the reference of the reported bill within seven (7) days after the filing of the report. Notice of a reference change shall be given to the Secretary and the introducer of the bill.

4.8—Review and reference of bills affecting appropriations, revenue, retirement, or county or municipal spending

(1) All bills authorizing or substantially affecting appropriations or tax revenue shall be referred to the appropriate revenue, fiscal, or appropriations committee.

(2) All bills substantially affecting a state-funded or state-administered retirement system shall be referred to the Governmental Oversight and Accountability Committee.

(3) A bill containing a local mandate as described in Article VII, Section 18 of the *State Constitution* shall be referred to the Community Affairs Committee.

(4) A bill that is amended to substantially affect appropriations or tax revenue, a state retirement program, or expenditures or revenues as set forth in Article VII, Section 18 of the *State Constitution* may, before being placed before the Senate for final passage, be referred by the President along with all amendments to the appropriate revenue or appropriations committee.

4.81—Claim bills

(1) Claim bills are of two (2) types: excess judgment claims filed pursuant to section 768.28(5), *Florida Statutes*, and equitable claims filed without an underlying excess judgment.

(2) A claim bill filed by a current serving Senator must be filed by the first (1st) Friday in August to be considered by the Senate during the next regular session. A claim bill filed by a newly elected Senator must be filed by the sixth (6th) Friday after election. A claim bill that is filed after the deadline may not be considered by the Senate without approval of the

Rules Committee. A motion to introduce a claim bill notwithstanding the claim bill filing deadline shall be referred to the Rules Committee for a hearing and a determination as to the existence of an emergency reasonably compelling consideration of a claim bill notwithstanding the claim bill filing deadline. A House claim bill that does not have a Senate companion claim bill timely filed under this Rule shall not be considered by the Senate. Any motion to consider a House claim bill that does not have a timely filed Senate companion bill shall be referred to the Rules Committee for a hearing and a determination as to the existence of an emergency reasonably compelling consideration of a claim bill notwithstanding the claim bill filing deadline. The determination by the Rules Committee shall be reported back to the Senate. Upon a determination by the committee that an emergency does exist, the motion may be considered by the Senate and must be adopted by a **two-thirds (2/3) vote** of those Senators present.

(3) If the President determines that a hearing is necessary to determine liability, proximate cause, and damages, a special master shall conduct a *de novo* hearing pursuant to reasonable notice.

In order to carry out the special master's duties, a special master may request the President to issue subpoenas, subpoenas duces tecum, and other necessary process to compel the attendance of witnesses and the production of any books, letters, or other documentary evidence which the special master deems relevant to the evaluation of a claim. The President may issue said process at the request of the special master.

The special master shall administer an oath to all witnesses, accept relevant documentary and tangible evidence properly offered, record the proceedings, and prepare a final report containing findings of fact, conclusions of law, and recommendations. The report shall be signed by the special master who shall be available, in person, to explain his or her report to the committees and to the Senate.

(4) All claim bills shall be referred by the President to one (1) or more committees for review. The Secretary shall deliver each claim bill and the special master's report and recommendations, if any, to the committees of reference when the bill is placed on an agenda.

(5) Stipulations entered into by the parties are not binding on the special master, the Senate, or its committees.

(6) The hearing and consideration of a claim bill shall be held in abeyance until all available administrative and judicial remedies have been exhausted; except that the hearing and consideration of a claim that is still within the judicial or administrative systems may proceed where the parties have executed a written settlement agreement. This subsection does not apply to a bill which relates to a claim of wrongful incarceration.

(7) All materials provided by litigants and others in connection with claim bills shall be submitted in a digital form prescribed by the Secretary.

See Rule 3.12—Introducers of bills; co-introducers; introducers no longer Senators.

4.9—Reference of resolutions

(1) Substantive resolutions shall be referred by the President to a standing committee.

(2) Resolutions that may be considered without reference to a committee include those addressing:

- (a) Senate organization,

The resolutions listed in subsection (2) may be considered and read twice on the same day on motion and adopted at time of introduction without reference, except that resolutions of condolence or commemoration that are of a statewide nonpolitical significance may be shown as introduced, read, and adopted by publication in full in the Journal.

4.10—Reference of a bill to different committee or removal from committee

(1) After the President has referred a bill, the Rules Chair may move for reference to a different committee or for removal from any committee after the introducer of the bill has filed a request with the Rules Chair signed by the chair of the affected committee, the Rules Chair, and the President. This motion may be adopted by a **two-thirds (2/3) vote** of those Senators present.

(2) Notwithstanding these Rules, a Senator may, during the day of introduction of filed bills, but no later than under the Order of Business of “Motions Relating to Committee Reference” on the second (2nd) day on which the Senate sits, move for reference to a different committee or for removal from a committee. This motion may be adopted by a **two-thirds (2/3) vote** of those Senators present.

4.11—Papers of miscellaneous nature; spreading remarks on the Journal

(1) Papers of a miscellaneous nature addressed to the Senate may, at the discretion of the President, be read, noted in the Journal, or filed with an appropriate committee. (2) A **two-thirds (2/3) vote** shall be required to spread remarks upon the Journal.

4.12—Reading of bills and joint resolutions

Each bill or joint resolution shall be read on three (3) separate days before a vote on final passage unless decided otherwise by a **two-thirds (2/3) vote** of those Senators present as provided in Article III, Section 7 of the *State Constitution*.

See FLA. CONST. art. III, § 7 Passage of bills.

See FLA. CONST. art. XI, § 1 Proposal by legislature.

4.13—Reading of concurrent resolutions and memorials

(1) Each concurrent resolution or memorial shall be read by title on two (2) separate days before a voice vote on adoption, unless decided otherwise by a **two-thirds (2/3) vote** of those Senators present.

(2) Concurrent resolutions pertaining to a joint legislative session, a session extension, joint rules, procedure, organization, recalling a bill from the Governor, or setting an effective date for a bill passed over the Governor's veto may be read a first (1st) and second (2nd) time, and adopted on the same day.

4.14—Reading of Senate resolutions

Unless referred to a standing committee, on introduction, each Senate resolution shall be read two (2) times on the same day by title only before the question is put on adoption by voice vote.

4.15—Referral or postponement on third (3rd) reading

After its third (3rd) reading, a bill or joint resolution shall not be referred or committed (except as provided under Rule 4.8) or amended (except a corrective or title amendment) except by a **two-thirds (2/3) vote** of those Senators present, nor shall the vote on passage be postponed to a day certain without the consent of a **majority** of those Senators present.

See Rule 6.2—Motions; precedence.

4.16—Consideration out of regular order

A bill shall be considered out of regular order on the calendar on unanimous consent of those Senators present obtained in the following manner: prior to the consideration of the motion, the Senator moving for unanimous consent of those Senators present shall orally give the membership not fewer than **fifteen (15) minutes** notice of his or her intention to move and shall specify the number of the bill and its position on the calendar. On entertainment of the motion, the moving Senator shall be allowed **one (1) minute** to explain his or her purpose, and

unanimous consent of those Senators present shall be given or refused without further debate.

See Rule 4.3(2)—Daily Order of Business.

4.17—Procedure to establish Special Order Calendars and Consent Calendars

(1) Commencing fifteen (15) days prior to a regular session and continuing through any extension thereof, the Rules Chair, Majority Leader, and Minority Leader shall together submit a Special Order Calendar determining the list of bills for consideration by the Senate. The President shall determine the order in which such bills appear on the published Special Order Calendar.

(2) A Special Order Calendar submitted for the first (1st) day, second (2nd) day, or last fourteen (14) days of a regular session shall be published in one (1) daily calendar and may be considered on the day of publication. A Special Order Calendar for any other day during a regular session shall be published in two (2) daily calendars and may be considered on the second (2nd) day of publication.

- (a) Bills that had been scheduled for a Special Order Calendar for a previous sitting may be included in the next Special Order Calendar.
- (b) A bill appearing on a Special Order Calendar may be stricken by a **two-thirds (2/3) vote** of those Senators present.
- (c) A bill appearing on the calendar of bills on second (2nd) reading may be added to the end of the Special Order Calendar by a **two-thirds (2/3) vote** of Senators present.
- (d) All bills set as Special Orders for consideration at the same hour shall take precedence in the order in which they were given preference.
- (e) A Special Order Calendar may not be submitted by the Rules Chair, Majority Leader, and Minority Leader and considered by the Senate on the same day.

(3) A **two-thirds (2/3) vote** of those Senators present shall be required to establish a Special Order except as provided in this Rule.

(4) Notice of date, time, and place for the establishment of the Special Order Calendars shall be published in at least one (1) Senate calendar or by announcement from the floor.

(5) With the approval of the President, the Rules Chair may submit a Consent Calendar to be presented in conjunction with the Special Order Calendars.

- (a) When such a day is designated, all bills appearing on the Consent Calendar shall be considered in their order of appearance.
- (b) Amendments shall be limited to accompanying committee amendments, noncontroversial and technical amendments,

and amendments required to conform a House companion bill to the Senate bill.

- (c) When a Senator objects to consideration of a bill on a Consent Calendar, the bill shall be removed from the Consent Calendar but retain its order on the Second (2nd) Reading Calendar.
- (d) All Consent Calendar bills must have appeared in at least one (1) daily calendar.

4.18—Local Bill Calendar

Local bills shall be disposed of according to the calendar of bills of a local nature and shall be considered only at such time as determined by the Rules Chair and approved by the President. Any Senator from the delegation for the local area affected by a bill on the Local Bill Calendar may object to consideration of the bill and the bill shall be removed from such calendar.

4.19—Order after second (2nd) reading

(1) After a Senate bill has been read a second (2nd) time and amended and all questions relative to it have been disposed of, it shall be referred to the engrossing clerk to be immediately engrossed. It shall then be placed on the calendar of bills on third (3rd) reading to be considered during the next Senate sitting.

(2) Amendments filed with the Secretary, but not formally moved, shall not be construed as pending and shall not deter advancement of a bill to third (3rd) reading.

(3) A bill shall be available for its third (3rd) reading when it has been read a second (2nd) time on a previous day and no motion left pending.

(4) Bills calendared for second (2nd) or third (3rd) reading shall not be considered on such reading until reached in the proper order and read by title as directed by the President.

RULE FIVE

VOTING

5.1—Taking the yeas and nays; objection to voting conflicts

(1) The President shall declare all votes, but, if five (5) Senators immediately question the declared result of a voice vote by a show of hands, the President shall take the vote by yeas and nays or electronic roll call. When taking yeas and nays on any question, the electronic roll call system may be used and shall have the force and effect of a roll call taken as provided in these Rules. This system may also be used to determine the presence of a quorum. When the Senate is ready to vote on a question requiring roll call and the vote is by electronic roll call, the President shall state: “The Secretary will unlock the board and Senators prepare to vote.” When sufficient time has elapsed for each Senator to vote, the President shall say: “Have all Senators voted?” And, after a short pause, shall state: “The Secretary will now lock the board and record the vote.” When the vote is completely recorded, the President shall announce the result to the Senate; and the Secretary shall enter the result in the Journal. When the Senate is equally divided, the question shall be lost.

(2) A point of order questioning the decision of a Senator not to abstain from voting on account of a conflict of interest may be raised after the vote has been recorded and before the result is announced.

See Rule 1.20—Attendance, voting, and disclosure of conflicts.

See Rule 1.39—Disclosure of conflict of interest and prohibition on voting thereon.

See FLA. CONST. art. III, § 4(c) Quorum and procedure.

5.2—Change of vote; votes after a roll call; vote verification

(1) After the result of the vote has been announced by the President, a Senator with unanimous consent of those Senators present may change his or her vote or cast a late vote on the matter.

(2) Records of vote change and after the roll call requests shall be available at the Secretary’s desk throughout the day’s sitting.

(3) An original roll call shall not be altered, but, if no objection is raised before the close of business that day, timely filed changes of votes and votes after the roll call shall be accepted and recorded under the original roll call in the Journal.

(4) No such change of vote or vote after the roll call request shall be accepted if such vote would alter the result of the vote on final passage of the matter until the matter shall first have been returned to the desk and reconsidered.

(5) On request of a Senator before considering other business, the President shall order a verification of a vote.

5.3—Casting vote for another; quorum

(1) No Senator shall cast a vote for another Senator unless the Senator is present in the Chamber area and requests the casting of said vote, nor shall a person not a Senator cast a vote for a Senator. No Senator shall cast a vote for another Senator during a quorum call.

(2) A Senator who shall, without such authorization, vote or attempt to vote for another Senator may be punished as the Senate may deem proper.

(3) A person not a Senator who votes in the place of a Senator shall be excluded from the Chamber for the remainder of the session.

5.5—Explanation of vote

No Senator shall be permitted to explain his or her vote during a roll call but may submit a brief explanation in writing to the Secretary, who shall enter it in the Journal.

See Rule 2.31—Explanation of vote; deferring a vote prohibited.

5.6—Election by ballot

In all cases of ballot, a **majority** of the votes cast shall be necessary to an election. If, however, no one is elected on the first three (3) ballots, the names after the top two (2) in number of votes received on the third (3rd) tally shall be dropped, and the Senate shall ballot on the two (2) names remaining.

RULE SIX

MOTIONS AND PRECEDENCE

6.1—Motions; how made, withdrawn

(1) Procedural motions may be made orally. On request of the President, a Senator shall submit his or her motion in writing. After a motion has been stated or read by the President, it shall be deemed to be in possession of the Senate and, without a second, shall be disposed of by vote of the Senate.

(2) The mover may withdraw a motion, except a motion to reconsider, as hereinafter provided, at any time before the same has been amended or before the vote shall have commenced.

6.2—Motions; precedence

(1) When a question is under debate, the President shall receive no motion except:

(a) To reconsider and leave pending a main question

See Rule 6.4—Reconsideration generally.

(b) To adjourn

1. At a time certain

2. Instanter

See FLA. CONST. art. III, § 3(e) Sessions of the legislature.

(h) To temporarily postpone

(i) To postpone to a day certain

(j) To commit to a standing committee

which shall have precedence in the descending order given.

(2) The President shall present all questions in the order in which they are moved unless the subsequent motion is of a higher precedence.

(3) Motions for the previous question and to lay on the table shall not be entertained.

(4) When a motion is under consideration, but prior to the commencement of the vote, a substitute motion shall be in order. Only one (1) substitute shall be considered concurrently and the substitute shall be in the same order of precedence.

(5) A motion to discharge Senate conferees and to appoint or instruct said conferees as set forth in Rule 2.19 is a motion of the highest privilege and this motion shall have precedence over all other questions except motions to adjourn or recess and questions of privilege.

6.3—Division of question

(1) A Senator may move for a division of a question when the sense will admit of it, which shall be decided by a **majority vote**.

(2) A motion to delete and insert shall be deemed indivisible; a motion to delete, being lost, shall neither preclude amendment nor a motion to delete and insert.

6.4—Reconsideration generally

(1) When a main question (the vote on passage of a measure, including a vote on a veto message, confirmation of executive appointments, removal or suspension from office) has been decided by the Senate, a Senator voting with the prevailing side may move for

reconsideration of the question on the day the matter was decided or on the next day on which the Senate sits.

- (a) If the question has been decided by voice vote, any Senator may move for reconsideration thereof.
 - (b) When a **majority** of those Senators present vote in the affirmative on the question but the proposition is lost because it is one in which the concurrence of more than a **majority** of those Senators present is necessary for adoption or passage, any Senator may move for reconsideration.
- (2) Such motion to reconsider may be made prior to or pending a motion to recess or adjourn.

(3) Consideration of a motion to reconsider shall be a special and continuing order of business for the Senate at its next sitting and, unless taken up under the proper order of business on that day by motion of any Senator, shall be deemed abandoned. If the Senate shall refuse to reconsider or, on reconsideration, shall confirm its first decision, no further motion to reconsider shall be in order except on unanimous consent of those Senators present.

(4) During the last fourteen (14) days of a regular session, a motion to reconsider shall be considered when made.

6.5—Reconsideration; vote required

The affirmative votes of a **majority** of those Senators present shall be required to adopt a motion to reconsider.

6.6—Reconsideration; debate; time limits

Debate shall be allowed on a motion to reconsider only when the question which it is proposed to reconsider is debatable. When the question is debatable, no Senator shall speak thereon more than once or longer than **five (5) minutes**.

6.7—Reconsideration; collateral matters and procedural motions

A motion to reconsider a collateral matter must be disposed of during the course of the consideration of the main subject to which it is related, and such motion shall be out of order after the Senate has passed to other business. Reconsideration of a procedural motion shall be considered on the same day and at the same time it is made.

6.8—Reconsideration; Secretary to hold for period

The Secretary shall hold all bills for the period after passage during which reconsideration may be moved. The adoption of a motion to waive the Rules by a **two-thirds (2/3) vote** of those Senators present and immediately certify any bill to the House shall be construed as releasing the measure from the Secretary's possession for the period of reconsideration and shall, thereafter, preclude reconsideration. Unless

otherwise directed by the President, during the last fourteen (14) days of a regular session and during any extension thereof, or during a special session, bills shall be immediately transmitted to the House. Messages relating to Senate action on House amendments or to conference committee reports shall be transmitted by the Secretary forthwith.

See Rule 1.17—The Secretary transmits bills to the House of Representatives.

See Rule 6.4—Reconsideration generally.

6.9—Motion to indefinitely postpone

A motion to indefinitely postpone is debatable and, if approved, shall dispose of a measure for the duration of the legislative session and all extensions thereof. A motion to postpone consideration to a time beyond the last day allowed under the *State Constitution* for the current legislative session shall be construed as a motion to indefinitely postpone. Motions to indefinitely postpone shall not be applicable to collateral matters.

6.10—Committee substitute; withdrawn

Once a bill has been reported as a committee substitute, it may be withdrawn from further consideration only by motion of the introducer and unanimous consent of the Senators present.

6.11—Temporarily postpone

(1) The motion to temporarily postpone shall be decided without debate and shall cause a measure to be set aside but retained on the desk.

(2) If a main question is temporarily postponed before debate has commenced or motions have been applied, its reading shall be considered a nullity and the bill shall retain its original position on the order of business during that sitting; otherwise, the bill reverts to the status of bills on second (2nd) or third (3rd) reading, as applicable.

(3) The motion to return to consideration of a temporarily postponed main question shall be made under the proper order of business when no other matter is pending.

(4) If applied to a collateral matter, the motion to temporarily postpone shall not cause the main question to be carried with it. After having been temporarily postponed, if a collateral matter is not brought back before the Senate in the course of consideration of the adhering or main question, it shall be deemed abandoned.

RULE SEVEN

AMENDMENTS

7.1—General form; germanity requirement; notice; manner of consideration; filing deadlines

(1) No main amendment to a bill on any Senate calendar shall be considered by the Senate unless the amendment was prepared in proper

form and filed with the Secretary no later than 2:00 p.m. the day before it is to be offered at a sitting.

(2) Substitutes for main amendments shall be filed by 4:00 p.m. and amendments to main amendments and amendments to substitute amendments by 5:00 p.m.

(3) No proposition on a subject different from that under consideration shall be admitted in the form of an amendment.

(4) Copies of such amendments shall be made reasonably available by the Secretary before the sitting, upon request, to the Senators and to the public.

(5) Consideration of all amendments not timely filed in accordance with this Rule requires a **two-thirds (2/3) vote** of those Senators present, if any Senator requests that such vote be taken.

(6) Amendments shall be filed with the Secretary on forms prescribed by the Secretary but shall be considered only after sponsors gain recognition from the President to move their adoption, except that the chair of the committee (or, in the chair's absence, the vice chair or any member thereof) reporting the measure under consideration shall have preference for the presentation of committee amendments.

(7) An amendment shall be deemed pending only after its sponsor has been recognized by the President and has moved its adoption. Amendments that have been filed with the Secretary but have not been formally moved for adoption shall not be deemed to be pending.

(8) The following bills are out of order and shall not be admitted or considered in the form of an amendment to a bill on the calendar and under consideration by the Senate:

- (a) Bills that have received an unfavorable committee report.
- (b) Bills that have been withdrawn from further consideration by the introducer.
- (c) Bills the substance of which have not been reported favorably by all committees of reference.
- (d) Bills that have not been published in at least one (1) daily calendar under Bills on Second (2nd) Reading.

Amendments covered by this Rule shall be substantially the same and identical as to specific intent and purpose as the measures described in paragraphs (a), (b), (c), or (d).

(9) Reviser's bills may be amended only by making deletions.

7.2—Adoption

(1) On second (2nd) reading, amendments may be adopted by a **majority vote** of those Senators present.

(2) On third (3rd) reading, amendments and amendments to amendments, including substitute amendments and amendments to a

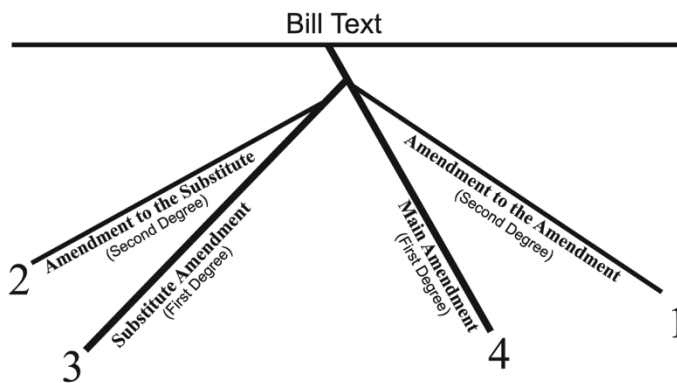

substitute amendment, shall be adopted by a **two-thirds (2/3) vote** of those Senators present.

(3) On third (3rd) reading, amendments to the title or corrective amendments may be decided, without debate, by a **majority vote** of those Senators present.

See Rule 4.15—Referral or postponement on third (3rd) reading.

7.3—Sequence of amendments to amendments

(1) An amendment to a pending amendment may be received, but until it is disposed of, no other motion to amend will be in order, except a substitute amendment or an amendment to the substitute. Such amendments are to be disposed of in the following order:

- (a) Amendments to the amendment are acted on before the substitute is taken up. Only one (1) amendment to the amendment may be pending.
 - (b) Amendments to the substitute are next voted on.
 - (c) The substitute then is voted on.
- (2) If a substitute amendment is adopted in place of an original main amendment, it shall be treated as an amendment to the bill itself.
- (3) The following third (3rd) degree amendments are out of order:
- (a) A substitute amendment for an amendment to the amendment.
 - (b) A substitute amendment for an amendment to the substitute.
 - (c) An amendment to an amendment to the amendment.
 - (d) An amendment to an amendment to the substitute amendment.

7.4—Deleting everything after enacting clause

An amendment deleting everything after the enacting clause of a bill, or the resolving clause of a resolution, and inserting new language of the same or related subject as stated in the original title shall be deemed proper and germane.

7.5—Amendment by section

Adoption of an amendment to a section shall not preclude further amendment of that section. If a bill is being considered section by section or item by item, only amendments to the section or item under consideration shall be in order. The President, in recognizing Senators for the purpose of moving the adoption of amendments, shall endeavor to cause all amendments to section 1 to be considered first, then all those in section 2, and so on. After all sections have been considered separately, the entire bill shall be open for amendment.

7.6—Printing in Journal

All amendments taken up by the Senate unless withdrawn shall be printed in the Journal, except that an amendment to the general appropriations bill constituting an entirely new bill shall not be printed until the filing of the conference committee report. All item amendments to the general appropriations bill shall be printed.

7.7—Senate amendments to House bills

A House bill may be amended in the same manner as a Senate bill. If a House bill is amended, this action shall be noted by the Secretary on the jacket before it is transmitted to the House.

7.8—House amendments to Senate bills

(1) After the reading of a House amendment to a Senate bill, the Senate may consider the following motions in order of their precedence:

- (a) Amend the House amendment,
- (b) Concur in the House amendment,
- (c) Refuse to concur in the House amendment and ask the House to recede, or
- (d) Request a conference committee.

(2) The adoption of any of the foregoing motions shall be by **majority vote** of those Senators present.

7.9—House refusal to concur in Senate amendment

(1) If the House shall refuse to concur in a Senate amendment to a House bill, the Senate may consider the following motions in order of their precedence:

- (a) Recede,
- (b) Insist that the House concur and request a conference committee, or
- (c) Insist that the House concur.

(2) The adoption of any of the foregoing motions shall be by **majority vote** of those Senators present.

RULE EIGHT

DECORUM AND DEBATE

8.1—Decorum and debate

(1) When a Senator desires to speak or present a matter to the Senate, the Senator shall rise at his or her seat and address himself or herself to “Mr. or Madam President” and, on being recognized, may address the Senate from his or her desk or from the well of the Senate and shall confine any remarks to the question under debate, avoiding personality.

(2) A Senator shall not address or refer to another Senator by his or her first name. A Senator shall use the appellation of “Senator” or such appellation and the district number of the Senator being addressed, or a Senator may also use such appellation and the surname of the Senator referred to or addressed.

8.2—Presiding officer’s power of recognition

When two (2) or more Senators rise at once, the presiding officer shall recognize the Senator who is to speak first.

8.3—Interruptions; when allowed

(1) No Senator shall be interrupted by another without the consent of the Senator who has the floor, except by:

- (a) Rising to a question of privilege;
- (b) Rising to a point of order requiring an immediate ruling;
- (c) Rising to appeal a decision of the presiding officer concerning a point of order (if the appeal is made immediately following the decision);
- (d) Rising to make a parliamentary inquiry requiring an immediate reply; or
- (e) Rising to question the existence of a quorum.

(2) The presiding officer shall strictly enforce this Rule.

8.4—Senator speaking, rights

(1) When a Senator is speaking and another Senator interrupts to request recognition, the presiding officer may ask the person rising to state why he or she desires the floor. If the question the Senator desires to raise is of higher precedence than the pending question, the Senator originally speaking shall relinquish the floor until the question having precedence is disposed of. The Senator then is entitled to resume the floor.

(2) The Senator making a debatable motion or the introducer of a bill shall have **five (5) minutes** in order to close debate.

8.5—Limit on speaking

No Senator shall speak longer than **thirty (30) minutes** without yielding the floor, except by consent of a **majority** of those Senators present.

8.6—Limitation on debate

When a matter is under debate by the Senate, a Senator may move to limit debate, and such motion shall be decided without debate, except the introducer of the matter on which debate would be limited shall have **five (5) minutes** to discuss said motion. If, by a **two-thirds (2/3) vote** of those Senators present, the question is decided in the affirmative, debate shall be limited accordingly. Debate may be further extended by a **majority vote**.

8.7—Points of order, parliamentary inquiry, definitions

(1) A “point of order” is the parliamentary device used to require a deliberative body to observe its own rules and to follow established parliamentary practice.

(2) A “parliamentary inquiry” is a request for information from the presiding officer:

- (a) About business pending or soon to be pending before the Senate; or
- (b) A device for obtaining a predetermination of a rule or a clarification thereof which may be presented in hypothetical form.

8.9—Appeals

The ruling of a presiding officer may be appealed. The appeal of a decision of the presiding officer must be made promptly before debate has concluded or other business has intervened. A point of order on any other question is not in order while an appeal is pending, but a point of order relating to the appeal may be raised; and, if the determination of the appeal is dependent on this point, it may be decided by the presiding officer. This second (2nd) decision is also subject to appeal.

8.10—Appeals debatable

An appeal of a decision of the presiding officer on a point of order is debatable even though the question from which it arose was not debatable.

8.11—Questions of privilege

- (1) Questions of privilege have two (2) forms:
 - (a) Privilege of the Senate—Those affecting the rights of the Senate collectively, its safety, dignity, and the integrity of its proceedings; and

- (b) Privilege of a Senator—The rights, reputation, and conduct of Senators individually, in their representative capacity only.

(2) These shall have precedence over all other questions except motions to adjourn or recess. A question of privilege affecting the Senate takes precedence over a question of privilege affecting an individual Senator.

RULE NINE

LOBBYING

9.1—Those required to register

All persons (except those specifically exempted) who seek to encourage the passage, defeat, or modification of legislation in the Senate or before its committees shall, before engaging in such activity, register as prescribed by law and the Joint Rules of the Florida Legislature.

9.2—Obligations of lobbyist

(1) A lobbyist shall supply facts, information, and opinions of principals to legislators from the point of view from which he or she openly declares. A lobbyist shall not offer or propose anything to improperly influence the official act, decision, or vote of a legislator.

(2) A lobbyist, by personal example and admonition to colleagues, shall uphold the honor and dignity of the Chamber in all of his or her dealings with the Senate.

(3) A lobbyist shall not knowingly and willfully falsify a material fact or make any false, fictitious, or fraudulent statement or representation or make or use any writing or document knowing the same contains any false, fictitious, or fraudulent statements or entry.

(4) A lobbyist may not make any expenditure prohibited by section 11.045(4)(a), *Florida Statutes*, or by law.

9.3—Lobbyists' requirements

A lobbyist shall adhere to the statutory requirements for lobbyists provided by law and the Joint Rules.

9.35—Contributions during sessions

During a regular legislative session, and during an extended or special session as further provided for in Rule 1.361(2), a lobbyist may not directly or indirectly contribute to a Senator's own campaign, or to any organization that is registered, or should have been registered, with the Rules Committee pursuant to Rule 1.361(3).

9.4—Advisory opinions

(1) A lobbyist, when in doubt about the applicability and interpretation of Rule Nine in a particular context, may submit in writing a statement of the facts involved to the Rules Committee and may appear in person before said committee.

(2) The Rules Committee may render advisory opinions to any lobbyist who seeks advice as to whether or not the facts in a particular case will constitute a violation of these Rules. All opinions shall delete names and be numbered, dated, and published in the Journal.

9.5—Compilation of opinions

The Secretary shall compile all advisory opinions of the Rules Committee.

9.6—Violations; investigations, penalties

(1) Any person may file a sworn complaint with the Rules Chair alleging a violation of the Rules regulating the conduct and ethics of lobbyists. The complainant shall also file a copy of the sworn complaint with the Senate General Counsel.

The complaint shall be based on personal knowledge, shall state detailed facts, shall specify the actions of the named lobbyist which form the basis for the complaint, shall attach all documentation on which the complaint is based, and shall identify the specific Rule alleged by the complainant to have been violated by the lobbyist.

- (a) Upon a determination by the Rules Chair that the complaint fails to state facts supporting a finding of a violation of the Senate Rules, the complaint shall be dismissed.
- (b) Upon a determination by the Rules Chair that the complaint states facts that, if true, would be a violation of the Senate Rules, the complaint shall be referred to a special master or select committee to determine probable cause. If a select committee is appointed, it shall be comprised of an odd number of members.
 1. The special master or select committee shall give reasonable notice to the lobbyist who is alleged to have violated the Rules, shall conduct an investigation, and shall grant the lobbyist an opportunity to be heard. A report and recommendation shall then be prepared.
 2. The report and recommendation is advisory only and shall be presented to the Rules Chair and the President as soon as practicable after the close of the investigation.
 3. If the report and recommendation conclude that the facts do not support a finding of probable cause, the complaint shall be dismissed by the Rules Chair.

4. If the complaint is not dismissed, another select committee will be appointed and shall consider the report and recommendation, shall grant the lobbyist an opportunity to be heard, and shall develop its own recommendation.
5. If the select committee votes to dismiss the complaint, the chair shall dismiss the complaint.
6. Otherwise, the report and recommendation and the recommendation of the select committee shall be presented to the President.
7. The President shall present the committee's recommendation, along with the report and recommendation, to the Senate for final action.

(2) The Rules Chair shall act within thirty (30) days of receipt of a complaint, unless a concurrent jurisdiction is conducting an investigation, in which case a decision may be deferred until such investigation is complete.

(3) Nothing in this Rule prohibits a Rules Chair from allowing a lobbyist to correct or prevent an inadvertent, technical, or otherwise *de minimis* violation by informal means.

(4) Nothing in this Rule prohibits the Rules Chair or a select committee appointed pursuant to this Rule from recommending a consent decree if agreed to by the lobbyist. The decree shall state findings of fact and set forth an appropriate penalty. If the Senate accepts the consent decree, the complaint shall be deemed resolved.

(5) Separately from any prosecutions or penalties otherwise provided by law, any person determined to have violated the requirements of Rule Nine shall be admonished, censured, reprimanded, placed on probation, or prohibited from lobbying for the duration of the session and from appearing before any Senate committee. Such determination shall be made by a **majority vote** of the Senate.

9.7—Committees to be diligent

Committees shall be diligent to ascertain whether those who appear before them, in other than an obviously individual capacity, have conformed to the requirements of Rule Nine, the Joint Rules, and any other applicable law, and shall report violations. No committee member shall knowingly permit an unregistered lobbyist to be heard.

9.8—Lobbyist expenditures and compensation

See Senate Rules Appendix A for lobbyist expenditures and compensation requirements. The appendix is hereby incorporated by reference as a Rule.

RULE TEN

CHAMBER OF THE SENATE

10.1—Persons entitled to admission

(1) No person shall be admitted to the main floor of the Senate Chamber while the Senate is sitting except present members of the Senate, all officers and employees of the Senate in the performance of their duties, and persons charged with messages or papers to the Senate. Also entitled to admission are the Governor or one (1) representative designated by the Governor, the Lieutenant Governor, Cabinet officers, former Governors, present and former United States Senators, present and former members of the House of Representatives of the United States and of this State, Justices of the Supreme Court, former State Senators of Florida, and persons by invitation of the President.

(2) A special section of the gallery shall be reserved for members of the families of Senators.

10.2—Exception to Chamber admission Rule

Except at the discretion of the President, no person entitled to admission shall be admitted if registered pursuant to Rule Nine. During a sitting, no person admitted under this Rule shall engage in any lobbying activity involving a measure pending before the Legislature during the legislative session.

10.3—Admission of media by President

Members of the media, in performance of their duties, shall be assigned to a section specifically set aside for them, and shall not be allowed on the Senate floor while the Senate is sitting, except with the approval of the President.

10.5—Gallery

No food or beverages shall be allowed in the gallery at any time.

RULE ELEVEN

CONSTRUCTION AND WAIVER OF RULES

11.1—Interpretation of Rules

It shall be the duty of the President, or the temporary presiding officer, to interpret all Rules.

11.2—Waiver and suspension of Rules

(1) These Rules shall not be waived or (suspended except by a **two-thirds (2/3) vote** of those Senators present. The motion, when made, shall be decided without debate.

(2) A motion to waive a Rule requiring unanimous consent of the Senate shall require unanimous consent of those Senators present for approval.

11.3—Changes in Rules

(1) All proposed revisions of the Senate Rules shall be first referred to the Rules Committee, which shall report as soon thereafter as practicable. Consideration of such a report shall always be in order.

(2) The Rules Committee may originate reports and resolutions dealing with the Senate Rules and the Order of Business which may be approved by a **two-thirds (2/3) vote**, and such power shall be exclusive, provided, however, that any report made pursuant to this Rule may be amended by a **two-thirds (2/3) vote** of those Senators present.

11.4—Majority action

Unless otherwise indicated by the Senate Rules or the *State Constitution*, all action by the Senate or any of its committees or subcommittees, including references to “members present” or “Senators present,” shall be by **majority vote** of those Senators present and voting.

See FLA. CONST. art. X, § 12(e) Rules of construction.

11.5—Uniform construction

When in the Senate Rules reference is made to a “two-thirds (2/3) vote,” it shall be construed to mean two-thirds (2/3) of those Senators present and voting except that two-thirds (2/3) of the entire membership of the Senate shall be required when so indicated.

11.6—General; definitions

When used in the Senate Rules, the following words shall, unless the text otherwise indicates, have the following respective meaning:

(1) The singular always includes the plural.

(2) Except where specifically provided or where the context indicates otherwise, the use of the word “bill,” “measure,” “question,” or “matter” means a bill, joint resolution, concurrent resolution, resolution, or memorial.

(3) In addition to the definition in subsection (2), “matter” also means an amendment, an appointment, or a suspension.

(4) “Introducer” shall mean the first-named Senator on a bill. In the case of a bill originally introduced by a committee, the committee shall be the introducer.

11.7—Sources of procedural authority

The latest edition of *Mason’s Manual of Legislative Procedure*, *Jefferson’s Manual*, or other manuals of comparable legislative application may be consulted, but shall not be binding, when a question of parliamentary procedure is not addressed by the *State Constitution*, these Rules, Joint Rules, or prior rulings of the presidents.

RULE TWELVE

EXECUTIVE SESSIONS, APPOINTMENTS, SUSPENSIONS, AND REMOVALS

PART ONE—EXECUTIVE SESSIONS

12.1—Executive session; authority

The business of the Senate shall be transacted openly and not in executive session except under conditions pursuant to Article III, Section 4(b) of the *State Constitution*.

12.2—Executive session; purpose

Pursuant to Article III, Section 4(b) of the *State Constitution*, the Senate may resolve itself into executive session for the sole purpose of considering appointment, removal, or suspension. No one shall be in attendance except Senators, the Secretary, and staff as approved by the President, who shall be sworn not to disclose any executive business without consent of the Senate.

12.3—Executive session; vote required

When the Senate agrees, by a **majority** of those Senators present, that specified appointments, removals, or suspensions shall be considered in executive session, such shall be calendared for formal consideration by the Senate.

12.4—Executive session; work product confidentiality

All information and remarks including committee work product concerning the character and qualification, together with the vote on each appointment, removal, or suspension considered in executive session shall be kept confidential except information on which the bans of confidentiality were lifted by the Senate while in executive session.

12.5—Executive session; separate Journal

A separate Journal shall be kept of executive proceedings of the Senate, and no information regarding same shall be made public except by order of the Senate or by order of a court of competent jurisdiction.

12.6—Violation of Rule

Violation of the above Rules as to the confidentiality of the proceedings of executive sessions shall be considered by the Senate as sufficient grounds for unseating the offending Senator.

PART TWO—APPOINTMENTS, SUSPENSIONS, AND REMOVALS

12.7—Procedure; generally

Except as otherwise herein provided, on receipt by the Senate of appointments or suspensions on which action by the Senate is required, the President shall refer each to the Ethics and Elections Committee, other appropriate committee or committees, or a special master appointed by the President. Any such committee, subcommittee, or special master shall make inquiry or investigation and hold hearings, as appropriate, and advise the President and the Senate with a recommendation and the necessity for deliberating the subject in executive session. Reports and findings of the committee, subcommittee, or special master appointed pursuant hereto are advisory only and shall be made to the President. The report of the committee, subcommittee, or special master may be privileged and confidential. The President may order the report presented to the Senate in either open or executive session, or the President may refer it to the Rules Committee for its consideration and report. When the report is presented to the Senate during an open sitting or received by the Rules Committee, the report shall lose its privileged and confidential character.

12.8—Procedure on executive appointments

(1) Upon receipt of a request from the Governor or other appointing official or authority for the return of the documentation of an appointment, which appointment has not been acted upon by the Senate, the Secretary, upon consultation with the President, shall return the appointment documentation and the return shall be noted in the Journal. The appointee whose appointment was returned continues in office until the end of the next ensuing regular session of the Legislature or until the Senate confirms a successor, whichever occurs first.

(2) If the appointment returned was made by the Governor, official or authority's predecessor, the appointee shall not be subject to the provisions of section 114.05(1)(e) or (f), *Florida Statutes*, during the period of withdrawal.

(3) If the appointment returned was made by the Governor, official or authority requesting the return, for purposes of section 114.05(1)(e) and (f), *Florida Statutes*, the returned appointment shall be treated as if the Senate failed to consider the appointment.

12.9—Procedure upon receipt of an executive suspension

(1) Unless suspension proceedings are held in abeyance, the committee, subcommittee, or special master shall institute action by transmitting a notice of hearing for a prehearing conference or a hearing on the merits within ninety (90) days after the Secretary of the Senate receives the suspension order. The Governor and the suspended official shall be given reasonable notice in writing of any hearing or prehearing conference before the committee, subcommittee, or special master. If the Governor files an amended suspension order, the attention of the Senate, committee, subcommittee, or special master shall be directed to the amended suspension order.

(2) An executive suspension of a public official who has pending against him or her criminal charges, or an executive suspension of a public official that is challenged in a court shall be referred to the Ethics and Elections Committee, other appropriate committee, or special master; however, all inquiry or investigation or hearings thereon shall be held in abeyance and the matter shall not be considered by the Senate, committee, subcommittee, or special master until the pending charges have been dismissed, or until final determination of the criminal charges at the trial court level, or until the final determination of a court challenge, if any, and the exhaustion of all appellate remedies for any of the above. The committee, subcommittee, or special master shall institute action within ninety (90) days after the conclusion of any pending proceedings. Notwithstanding an abeyance, the committee, subcommittee, or special master and the Senate may proceed if the written consent of counsel for the Governor and of the suspended official is obtained. Nothing in this Rule shall be interpreted as preventing the Senate from proceeding if the Senate President determines due process so requires.

(3) The committee, subcommittee, or special master may provide for a prehearing conference with counsel for the Governor and the suspended official to narrow the issues involved in the suspension. At such conference, both the Governor and the suspended official shall set forth the names and addresses of all the witnesses they intend to call, the nature of their testimony, photocopies of all documentary evidence, and a description of all physical evidence that will be relied on by the parties at the hearing. Each shall state briefly what each expects to prove by such testimony and evidence. The suspended official may file with the Secretary, no later than ten (10) days prior to the first (1st) prehearing conference, or no later than the date set by the committee, subcommittee, or special master if no prehearing conference is held, all written defenses or matters in avoidance of the charges contained in the suspension order.

(4) When it is advisable, the committee, subcommittee, or special master may request that the Governor file a bill of particulars containing a statement of further facts and circumstances supporting the suspension order. Within twenty (20) days after receipt of the Governor's bill of

particulars, the suspended officer shall file a response with the committee, subcommittee, or special master. Such response shall specifically admit or deny the facts or circumstances set forth in the Governor's bill of particulars, and may further make such representation of fact and circumstances or assert such further defenses as are responsive to the bill of particulars or as may bear on the matter of the suspension.

(5) The Senate may act on the recommendations of the committee, subcommittee, or special master at any time it is sitting but shall do so no later than the end of the next regular session of the Legislature.

(6) Within sixty (60) days after the Senate has completed final action on the recommendation of the committee, subcommittee, or special master, any party to the suspension matter may request the return, at that party's expense, of any exhibit, document, or other evidence introduced by that party. After the expiration of sixty (60) days from the date the Senate has completed final action, the committee, subcommittee, or special master may dispose of such exhibits or other evidence.

See FLA. CONST. art. IV, § 7(b) Suspensions; filling office during suspensions.

12.10—Adjudication of guilt not required to remove suspended officer

For the purposes of Article IV, Section 7(b) of the *State Constitution*, the Senate may find that the suspended official has committed a felony notwithstanding that a court may have withheld adjudication of guilt upon which the suspension order is based in whole or in part.

12.11—Special master; appointment

The President may appoint and contract for the services of a special master to perform such duties and make such reports in relation to suspensions and removals as he or she shall prescribe.

12.12—Special master; floor privilege

With consent of the President, the special master may have the privilege of the Senate floor to present and explain the report and answer questions as to the law and facts involved.

12.13—Issuance of subpoenas and process

The committee, subcommittee, and special master shall each have the authority to request the issuance of subpoenas, subpoenas *duces tecum*, and other necessary process under Rule 2.2. The committee chair, subcommittee chair, and special master may each administer all oaths and affirmations in the manner prescribed by law to witnesses who shall appear to testify on matters pending before the committee, subcommittee, or special master.

12.14—Rule takes precedence

In any situation where there is a direct conflict between the provisions of Rule Twelve and part V of chapter 112, *Florida Statutes*, Rule Twelve, derived from Article III, Section 4(a) of the *State Constitution*, shall take precedence.

12.15—Standard of evidence

A preponderance of the evidence standard shall be used by each Senator when determining whether the suspended official warrants removal based on the grounds alleged by the Governor.

12.16—Senators speaking publicly

Because they may be asked to sit in judgment of an executive suspension order, Senators should refrain from speaking publicly about the merits or substance of any suspension order prior to the vote.

Senate Rules Appendix A

This document may be consulted by persons seeking to comply with the lobbyist expenditure ban set forth in section 11.045(4)(a), *Florida Statutes*, in the legislative context by refining the law and providing Lobbying Guidelines and answers to 25 Frequently Asked Questions.

Part One of the Guidelines refines and applies the prohibition, with ten clearly stated exceptions, so that Senators and Senate employees cannot directly or indirectly take any “expenditure” from a lobbyist or principal in either the public or private sector.

Part Two of the Guidelines refines and applies the underlying core requirement that “lobbying firms” must publicly disclose the compensation they receive for lobbying activities, and does so in a way that is narrowly tailored, furthers the state’s compelling governmental interest in regulating legislative lobbying at the state level, and employs the least intrusive means available to do so.

This document sets out general principles. Outcomes depend heavily on underlying fact patterns that can vary greatly from case to case. Full disclosure of the operative facts must be provided and considered before a proper and correct answer can be derived.

A Senator may request an informal advisory opinion from the Senate General Counsel regarding the application of the law and Rule to a specific situation, on which the legislator may reasonably rely.

The houses of the Legislature are responsible for the administration and enforcement of the legislative lobbying portions of the law. The legislative lobbying expenditure prohibitions are not part of the Florida Code of Ethics for Public Officers and Employees. Neither the Florida Commission on Ethics nor the Florida courts have jurisdiction to interpret these internal matters of the Legislature.

Part One - Expenditures

(1) General Guidelines

a) The Expenditure Prohibition

The law contains a prohibition against lobbyists and principals making direct or *indirect* lobbying expenditures for legislators and legislative employees. It provides:

[N]o lobbyist or principal shall make, directly or indirectly, and no member or employee of the Legislature shall knowingly accept, directly or indirectly, any *expenditure*.... (emphasis added).

The expenditure prohibition applies only to expenditures made by lobbyists and principals. It applies whether or not the lobbyist, principal, legislator, or legislative employee is in Florida. Florida’s gift law, section

112.3148, *Florida Statutes*, continues to apply to gifts to legislators and legislative employees from others.

Example: A legislator may accept a subscription to a newspaper or periodical that is neither published by, nor paid for, nor provided by a lobbyist or a principal.

Example: A legislator may not accept a free health screening or other personal service provided on behalf of an association that is a principal.

Example: A legislator may, as either a member or an invited guest, participate in meetings of, and partake of the food and beverage provided by a civic organization if the organization is not a principal.

The practical effect of this law is to prohibit expenditures for attempting to obtain the goodwill of a member or employee of the Legislature, and it is not designed to prohibit expenditures made in attempting to influence legislative action or non-action through oral or written communication.

b) Definitions

“Expenditure” is defined, essentially, as anything of value made by a lobbyist or principal *for the purpose of lobbying*.

“Lobbying,” in turn, means: (1) influencing or attempting to influence legislative action through oral or written communication (“active lobbying”); or, (2) attempting to obtain the *goodwill* of a member or employee of the Legislature (“goodwill”).

“Goodwill expenditure” is a gift, an entertainment, any food or beverage, lodging, travel, or any other item or service of personal benefit to a legislator or legislative employee.

Goodwill expenditures include contributions or donations from a lobbyist or a principal to a charitable organization that is, directly or indirectly, established by, organized by, operated primarily by, or controlled by a legislator or legislative employee, or any combination thereof.

A *“lobbyist”* is a person who is employed and receives payment, or who contracts for economic consideration, for the purpose of lobbying, or a person who is principally employed for governmental affairs by another person or governmental entity to lobby on behalf of that other person or governmental entity.

“Personal benefit” means a profit or gain pertaining to, directed toward, or affecting a person.

A *“principal”* means the person, firm, corporation, or other entity that has employed or retained a lobbyist. When an association has employed or retained a lobbyist, the association is the principal; *the individual members of the association are not principals merely because of their membership in the association.*

c) Honorarium-related Expenses

It is not permissible to accept from a lobbyist or principal, directly or indirectly, payment or reimbursement of expenses for travel, food, lodging, or beverage, related to speaking engagements or other honorarium-type events.

d) Indirect Expenditures

An indirect expenditure is an expenditure that is not made directly to a legislator or legislative employee, but is made to another with the purpose that the expenditure be used for the personal benefit of a legislator or legislative employee.

The expenditure prohibition *expressly* prohibits any lobbyist or principal from directing prohibited lobbying expenditures through a surrogate or through any person who by his or her actions or activities is obligated to register as a lobbyist but has failed to do so. Third-party intermediaries, such as employees, members of associations and others, cannot be used to make prohibited expenditures.

Where an item or service (anything of value) is provided to a person *other* than a legislator or legislative employee by a lobbyist or principal and the item or service or the benefit attributable to the item or service ultimately is received by the legislator or employee, and where the item or service is provided with the intent to benefit the legislator or employee, such item or service constitutes a prohibited indirect expenditure to the legislator or employee.

Factors to be considered in determining whether a prohibited indirect expenditure has been made are set out on the following page in the joint functionality test:

**TEST FOR DETERMINING LEGALITY
OF AN INDIRECT EXPENDITURE**

(1) The existence or nonexistence of communications by the lobbyist or principal indicating the lobbyist's or principal's intent to make or convey the item or service, or a personal benefit attributable to the item or service, to a legislator or employee rather than to the intervening third person;

(2) The existence or nonexistence of communications by the intervening third person indicating the intent to make or convey the lobbyist's or principal's item or service, or a personal benefit attributable to the item or service, to a legislator or employee rather than to the third person;

(3) The existence or nonexistence of any relationship between the lobbyist or principal and the third person, independent of the relationship between the lobbyist or principal and a legislator or employee, that would motivate the transfer to the third person;

(4) The existence or nonexistence of any relationship between the third person and a legislator or employee that would motivate the transfer;

(5) Whether the same or similar items or services have been or are being provided to other persons having the same relationship to the lobbyist or principal as the third person;

(6) Whether, under the circumstances, the third person had full and independent decision-making authority to determine whether a legislator or employee, or another, would receive the items or services, or a personal benefit attributable to the items or services;

(7) Whether the third person was acting with the knowledge or consent of, or under the direction of, the lobbyist or principal;

(8) Whether there were payments or the intention for any payments or bookkeeping transactions between the third person and the lobbyist or principal, reimbursing the third person for the items or services;

(9) The degree of ownership or control the lobbyist or principal had over the third person; and

(10) Whether a lobbyist or principal knew, or should have known, that an item or service provided to a third party would be used to provide a personal benefit to a legislator or employee, such as for the funding of a legislative reception or an event to be attended by legislators or employees.

The following examples illustrate some of the applications of the foregoing indirect expenditure criteria:

Example 1: A law firm which lobbies the Legislature invites all of its attorneys to attend a weekend retreat. The attorneys are encouraged to bring their spouses or significant others at the firm's expense. Legislator C is married to an attorney in the firm and has been asked by her spouse to attend the retreat. The lodging provided to Legislator C for the retreat, food and drink, firm t-shirts, and the like would be considered a gift to her from her spouse and thus not a prohibited indirect expenditure, because the firm's invitation was extended to Legislator C's spouse by virtue of his employment with the firm.

Example 2: Legislator D hosts a fox hunt attended by legislators and lobbyists. Lobbyists give money to a third person, who is not a legislator or a legislative employee, to pay for the food and beverages which will be served at the fox hunt. The third party orders and prepares the food and beverages. The money provided to the third person by the lobbyists would be a prohibited indirect expenditure to Legislator D because it was given with the intent of benefiting him and his guests at the fox hunt.

Example 3: Legislator N and spouse have arranged to take a vacation trip together. A legislative lobbyist meets with Legislator N's spouse and offers to pay for the spouse's travel expenses. The lobbyist and Legislator N's spouse know each other only through the lobbyist's involvement with

the legislator. This would constitute a prohibited indirect expenditure to Legislator N.

e) Equal or Greater Compensation

An expenditure is not prohibited when equal or greater value is given contemporaneously by the recipient to the donor.

Therefore, it is not an expenditure if:

1. The fair market value of the event, meeting, or other activity, including any food, beverage, transportation, lodging, or any other thing of value, can readily be determined, and

2. The legislator or legislative employee pays his or her pro rata share of the total fair market value to the person or organization hosting the event contemporaneously with the time of attending or participating in the event.

Thus, if a lobbyist or principal provides \$35 worth of goods or services to a legislator or legislative employee but the legislator or legislative employee *contemporaneously* provides *equal or greater consideration*, the lobbyist or principal has not provided *anything of value*, thus, there is no “expenditure.”

f) Valuation

The law is silent as to the *valuation* of goods and services. *Fair market value* is the proper and applicable standard of valuation.

The retail price of an item or service is presumed to be its fair market value so long as it is reasonable in relation to the value of the item or service and the amount is not subsidized by a lobbyist or principal.

In valuing an expenditure, you may exclude the amount of additional expenses that are regularly required as a condition precedent to the donor’s eligibility to make the expenditure if the amount expended for the condition precedent is primarily intended to be for a purpose other than lobbying, and is either primarily for the benefit of the donor or is paid to a charitable organization. Initiation fees and membership fees are examples of additional expenses that are regularly required as conditions precedent for eligibility to make an expenditure. Transportation expenses incurred to bring a member to an out-of-town event are not.

Entrance fees, admission fees, or tickets are normally valued on the face value or on a daily or per event basis. The portion of a ticket attributable to a charitable contribution is not included in the value. Conversely, if the ticket is subsidized by contributions of lobbyists or principals, the pro rata subsidized amount must be attributed to the face value.

A person providing transportation in a private automobile shall be considered to be making an expenditure at the then-current statutory

reimbursement rate. The value of transportation provided in other private conveyances must be calculated on its fair market value.

g) Exceptions

1. Relatives

A relative is an individual who is related to the member or employee as father, mother, son, daughter, brother, sister, uncle, aunt, first cousin, nephew, niece, husband, wife, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, grandparent, grandchild, great grandparent, great grandchild, step grandparent, step great grandparent, step grandchild, or step great grandchild; any person who is engaged to be married to the member or employee or who otherwise holds himself or herself out as or is generally known as the person whom the member or employee intends to marry or with whom the member or employee intends to form a household; or any other natural person having the same legal residence as the member or employee.

This definition of “relative” is taken from former Joint Rule 1.4(4)(b), and has operated historically as an exception to the presumption that things of value given to a legislator or employee by a lobbyist or principal are intended for the purpose of engendering goodwill.

Example: A legislator is permitted to accept a Christmas gift from an aunt, even if she is a lobbyist. The gift is not deemed an expenditure made for the purpose of lobbying because of the family relationship between the donor and the donee.

2. Employment-related Compensation and Benefits

Salary, benefits, services, fees, commissions, gifts, or expenses associated primarily with the recipient’s employment, business, or service as an officer or director of a corporation or organization are not prohibited expenditures so long as they are given in an amount commensurate with other similarly situated employees, officers, or directors.

These sorts of expenditures are currently also excepted from the definition of a gift in section 112.312(12)(b), *Florida Statutes*, and are a necessary exception in order for many legislators to continue their employment or continue their service on boards and continue to serve in Florida’s citizen Legislature.

Example: A legislator who is on the board of directors of an organization that has a lobbyist is nevertheless permitted to partake of food and beverage provided to the board members by the organization at its board meetings.

3. Political Organizations and Entities

An expenditure does not include contributions or expenditures reported pursuant to chapter 106, *Florida Statutes*, or its federal law counterpart; campaign-related personal services provided without

compensation by individuals volunteering their time; any other contribution or expenditure made by a chapter 106 entity such as a candidate campaign, political committee, organization making electioneering communications, political party, or an entity qualified under section 501(c)(4) or section 527 of the Internal Revenue Code.

Members are cautioned that these organizations or entities may not be used as a vehicle for skirting the lobbying expenditure law. To the extent that funds come from lobbyists or principals, one should exercise great care that the expenditures are legal and appropriate for that particular organization or entity.

4. Communications Expenses

The expenditure prohibitions in the law do not reach expenditures made by a lobbyist or principal for items such as “media advertising,” “publications,” “communications,” and “research.”

Expenditures for researching, gathering, collating, organizing, providing, or disseminating information for the *exclusive* purpose of “active lobbying” (influencing or attempting to influence legislative action through oral or written communication) are necessary for Floridians to be able to “instruct their representatives.”

5. Office and Personal Expenses of Lobbyists and Principals

“Office expenses” and personal expenses of the lobbyist or principal for “travel,” “lodging,” and “food and beverages” as those items were defined in former Joint Rule 1.4(4)(c) are exempt from the prohibition on lobbying expenditures. This category does not include any expenses for legislators, legislative employees, or persons whose expenses would be attributed to them.

6. Government to Government Expenditures

Real property or a facility owned or operated by a state or local public agency or entity that is a lobbying principal and transportation to, from, and at the location provided by that agency or entity may, with the prior approval of the respective state legislative presiding officer or his or her designee, be used without payment, by a member, committee, or staff of the Legislature for a public legislative purpose. Such purposes include publicly noticed legislative committee meetings and site visits to operations conducted by the public agency or entity. Allowable free uses also specifically include legislative district offices and sub-offices and the normally attendant utilities, parking, janitorial services, building maintenance, and telecommunications equipment and services common to a government building in which the office is located. Allowable free use does not extend to sports or entertainment venues; does not include food, beverages, or entertainment; and does not include free parking privileges at any location other than a district office or sub-office.

7. Free and Open Public Events

Expenditures directly associated with events that are held within the Capitol complex, out-of-doors or under temporary shelter, open to the general public, widely and publicly noticed, free to all, not ticketed, and for which equal and totally unobstructed access to the general public is provided, are not prohibited expenditures made by lobbyists or principals, or when accepted by legislators or legislative employees.

Example: Atlas County, Florida, is holding Atlas Day in the plaza between the Capitol and the Historic Capitol. Lunch is served to all comers. The event was widely publicized and access to the event and the food and beverage is totally unobstructed. Legislators may partake as well.

8. Regional and National Legislative Organizations

The prohibition does not apply to expenditures made directly or indirectly by a state, regional, or national organization that promotes the exchange of ideas between, or the professional development of, governmental officials or employees, and whose membership is primarily composed of elected or appointed public officials or staff to members of that organization or to officials or staff of the Legislature. This exception does not include extracurricular activities, entertainments, or items or services provided at conferences that are paid for or provided by a lobbyist or principal.

9. Monetary Value Impossible to Ascertain

The value of some items is *truly impossible* to quantify at the time of the expenditure. Expenditures for which a monetary value is not ascertainable at the time of the expenditure are not prohibited. Examples are: appearing on a news show or having a feature article about a legislator in a trade magazine or other medium, applause received by a legislator at an event, obtaining priority seating in a crowded restaurant or priority for obtaining services where there is an established queue, or the pro-rata portion of a host's monthly or annual membership in an exclusive supper club.

10. Plaques and Certificates

The prohibition does not apply to personalized wall plaques, personalized photographs, or personalized certificates that have no substantial inherent value other than recognizing the donee's public, civic, charitable, or professional service.

h) Effect of Other Laws and Rules

To the extent that an expenditure is excluded or exempt from the lobbying prohibition in section 11.045, *Florida Statutes*, it is still subject to the restrictions and requirements in other statutes: most notably, the gift

law (section 112.3148, Florida Statutes) and the campaign finance law (chapter 106, Florida Statutes).

(2) Frequently Asked Questions

LEGISLATIVE EVENTS/RECEPTIONS

1. *Question: Can a county legislative delegation or delegation office sponsor an annual event in Tallahassee on public grounds or in quarters belonging to either the Senate or the House of Representatives (i.e., “Flavors of Hillsborough”)?*

ANSWER: A county legislative delegation may host an annual event in Tallahassee *provided* that no free food, beverages, or other personal benefits to a legislator or legislative employee are paid for or provided by a lobbyist or principal, either directly or indirectly.

Legislators and legislative staff may pay an amount established and published by the delegation as the per-person cost of the event, or they may “pop in” and not partake of any food, beverage, or other personal benefit at the event. Alternatively, the delegation may make the event a free, open public event as described in Paragraph (1)g7. above.

2. *Question: Can a legislator or legislative employee go up to the 22nd floor of the Capitol and partake of free food and drink provided by an organization hosting a luncheon or event at the Capitol?*

ANSWER: It depends. Yes, provided the organization hosting the event is not a principal *and* none of the food and beverages are paid for or provided by a lobbyist or principal. Otherwise, the legislator or legislative employee could attend the event but could not partake of the free food or beverages or they can pay the fair market value of what they consume.

3. *Question: Can “legislative days” that provide food, beverages, entertainment, and other personal benefits to legislators or legislative employees during the session and are hosted by counties, cities, universities, and others that employ a lobbyist continue?*

ANSWER: “Legislative days” and other legislative events funded by lobbyist or principal dollars may continue *provided* no free food, drink, entertainment, or other personal benefit is provided to a legislator or legislative employee, either directly or indirectly. Any such benefit would be a prohibited goodwill expenditure.

Legislators and legislative staff may pay an amount established and published by the sponsor as the per-person cost of the event, or they may “pop in” and not partake of any food, beverage, or other personal benefit at the event. Alternatively, the sponsor may make the event a free, open public event as described in Paragraph (1)g7. above.

4. *Question: Can a not-for-profit organization host receptions and events for legislators that provide food, beverages, entertainment, and other personal benefits to legislators or legislative employees through*

contributions solicited from lobbyists or principals who sponsor the reception or event?

ANSWER: The charity may host a reception or event for legislators and legislative employees *provided* that no free food, beverages, entertainment, or other personal benefit is provided to a legislator or legislative employee from the funds of lobbyists or principals.

Legislators and legislative employees may pay an amount established and published by the sponsor as the per-person cost of the event, or they may “pop in” and not partake of any food, beverage, or other personal benefit at the event. Alternatively, the sponsor may make the event a free, open public event as described in Paragraph (1)g7. above.

5. *Question: Can a lobbyist or principal host an event with food, beverages, entertainment, or other personal benefit for legislators or legislative employees and collect from each legislator or legislative employee, a flat, per-person entrance fee based on the total cost to plan, produce, stage, and clean up after the event, divided by the number of persons reasonably expected to attend?*

ANSWER: Yes.

6. *Question: Each year, a few associations host legislative receptions/BBQs and invite their members as well as legislators. They usually pass out campaign funds at these events to those who support their industry. Would it now be legal to host this event if it were called a “fundraiser?” Could legislators then accept free food and beverages at the event?*

ANSWER: Senate Rule 1.361 precludes a senator, and House Rule 15.3 precludes a representative, from accepting a campaign contribution during a regular or special session, in addition to prohibiting them from accepting contributions on behalf of a section 527 or section 501(c)(4) organization, a political committee, a political party, or the campaign of any other senatorial candidate or candidate for representative, respectively. Thus, any fundraiser held during a regular or special session would violate the rules of each house.

Fundraisers not held during a regular or special session are outside the purview of the expenditure prohibitions in the law. A goodwill lobbying expenditure does not include contributions or expenditures reported pursuant to chapter 106, *Florida Statutes*. However, if the facts and circumstances demonstrate that calling the event a “fundraiser” is merely an artifice for lobbyists or principals to provide free gifts, food, beverages, and other items or services of personal benefit to a legislator, not associated with influencing the results of an election, then the fundraiser would violate the expenditure prohibition of the new law. Note, also, that fundraisers remain subject to the contribution restrictions and requirements of Florida’s campaign finance law (chapter 106, *Florida Statutes*).

HONORARIA EXPENSES

7. *Question: Can a lobbyist or principal continue to pay or reimburse a legislator's or legislative employee's expenses for such items as food and beverages, travel, and lodging associated with an honorarium event?*

ANSWER: No.

GIFTS TO LEGISLATORS

8. *Question: Can a school child give a legislator a painting that he or she has made?*

ANSWER: Yes. The prohibition against lobbying expenditures only applies to lobbyists and principals, and those acting on their behalf.

9. *Question: Can a school student whose parent is a lobbyist or principal give a scarf that was purchased by the child's parent to a legislator as a gift?*

ANSWER: It depends. The lobbying expenditure prohibition applies to all gifts from lobbyists or principals to legislators, directly or *indirectly*. A lobbyist or principal cannot use a third-party intermediary to circumvent the lobbying expenditure prohibition. Thus, if the facts and circumstances demonstrate that the scarf is an indirect gift from the lobbyist or principal to the legislator, it would be prohibited.

10. *Question: Can a legislator accept rent-free office space and associated building services from a city, county, or community college in his or her district that employs or retains a lobbyist?*

ANSWER: Yes. See Paragraph (1)g)6. above for explanation and limitations.

11. *Question: Can a legislator or legislative staff accept transportation services from another governmental entity?*

ANSWER: Yes. See Paragraph (1)g)6. above for explanation and limitations.

12. *Question: Are there any value limitations on the exceptions in the law for "floral arrangements or other celebratory items given to legislators and displayed in chambers on the opening day of a regular session"?*

ANSWER: Yes. All opening day flowers and floral arrangements are subject to the limitations and requirements of the gift law (section 112.3148, *Florida Statutes*). No other celebratory items will be allowed in either chamber on opening day of the regular session.

FOOD AND BEVERAGES/GIFTS

13. *Question: Can a legislator or legislative employee and his or her spouse have dinner with a lobbyist friend the legislator or legislative employee has known for 30 years at the lobbyist's home, whether or not active lobbying occurs?*

ANSWER: Yes, *provided* the legislator or legislative employee contemporaneously provides the lobbyist with the pro rata share of the total fair market value of the cost of the food and beverages provided to the legislator or legislative employee and his or her spouse, either in cash or barter (i.e., bottle of wine, flowers). Otherwise, the expenditure for food and beverages would constitute a prohibited goodwill expenditure, irrespective of the extent of the legislator's and lobbyist's friendship.

14. *Question: Can a lobbyist or principal and legislator or legislative employee have dinner at a public restaurant?*

ANSWER: Yes, *provided* the dinner is "Dutch treat."

15. *Question: Can a lobbyist or principal and a legislator or legislative employee have dinner "Dutch treat" at the Governor's Club?*

ANSWER: Yes, *provided* the legislator or legislative employee pays the total cost of all food and beverage that he or she was served or consumed, or that was served to or consumed by a person whose expenditures are attributed to the legislator or legislative employee.

16. *Question: Can a lobbyist's business partner, employee, spouse, or child, who is not a registered lobbyist, accompany the lobbyist and legislator or legislative employee to dinner and pay for all the food and beverages if the partner, employee, spouse, or child does not actively lobby?*

ANSWER: No. The lobbying expenditure prohibition applies to all food and beverages provided by lobbyists or principals to legislators or legislative employees, directly or *indirectly*. A lobbyist or principal cannot utilize a third-party intermediary to channel gifts to legislators to circumvent the lobbying expenditure prohibition.

17. *Question: If someone offers a legislator or legislative employee a drink at a bar, or any other gift or personal benefit, does the legislator or legislative employee have a duty to inquire if the donor is a lobbyist or principal?*

ANSWER: Yes. A legislator or legislative employee is liable for *knowingly* accepting an expenditure from a lobbyist or principal, or someone acting on behalf of a lobbyist or principal. "Knowingly" has many statutory definitions, including that a person: (1) has *actual knowledge* of the information; (2) acts in *deliberate ignorance* of the truth or falsity of the information; or, (3) acts in *reckless disregard* of the truth or falsity of the information. Therefore, prudence dictates that the legislator or legislative employee, at a minimum, make *reasonable inquiry* as to the source of the proposed expenditure to determine whether it is prohibited. *Reasonableness* will turn on the facts and circumstances of each individual situation.

For example, a legislator receiving an invitation to an event to be held the next week, from an organization he or she is not familiar with would likely require that the legislator, *at a minimum*, consult the online directory of legislative principals and lobbyists, and perhaps make further

inquiry if facts or circumstances come to light indicating that the organization might be making the expenditure on behalf of a lobbyist or principal. Similarly, a legislator offered a drink from someone he or she doesn't know in a Tallahassee bar or restaurant generally known to be frequented by lobbyists would probably be required, *at a minimum*, to ask whether the person is a lobbyist or principal or affiliated with a lobbyist or principal. On the other hand, a Miami legislator on personal holiday with his or her spouse at Busch Gardens in Tampa, who strikes up a friendship with a couple they don't know visiting from Colorado and who subsequently offers to pay for the legislator's and spouse's dinner probably has less of a duty to inquire whether either member of the couple is a Florida lobbyist or principal.

CHARITIES

18. Question: Can a legislator or legislative employee raise funds from lobbyists or principals for charitable causes?

ANSWER: Yes, *provided* the charity for which funds are sought is not directly or indirectly established by, organized by, operated primarily by, or controlled by a legislator or legislative employee, or any combination thereof. Otherwise, such a contribution or donation would constitute a prohibited goodwill expenditure.

19. Question: Can a legislator or legislative employee establish or operate a charitable foundation that relies on lobbyist or principal support?

ANSWER: No. A legislator or legislative employee may establish or operate a charitable organization but none of the money contributed or donated to the charity may be from lobbyists or principals. Such a contribution or donation would constitute a prohibited goodwill expenditure.

20. Question: Can a legislator or legislative employee sit on the board of a charitable organization that is not established by, organized by, operated primarily by, or controlled by a legislator or legislative employee, or any combination thereof? Can he or she accept free food and beverages provided by the charity and be reimbursed by the charity for expenses associated with the work of the charity (i.e., travel, lodging)?

ANSWER: Yes. A legislator or legislative employee may sit on the board of a charitable organization that receives donations and contributions from lobbyists, and may partake of free food, beverages, and other personal benefits provided by the charity to board members in connection with their service, including reimbursement of personal expenses incurred by board members in furtherance of the charity's work. A goodwill expenditure does not include salary, benefits, services, fees, commissions, gifts, or expenses associated primarily with a legislator's or legislative employee's employment, business, or service as an officer or director of a corporation or organization. *However*, any such salary,

benefit, services, fees, commissions, gifts, or expenses cannot be from funds earmarked by lobbyists or principals to the charity for such purpose and must be received only for the legislator's or legislative employee's service as a member of the board.

21. Question: Can a legislative caucus that is established as a nonprofit group raise funds from lobbyists for its charitable causes?

ANSWER: It depends. If the legislative caucus or the nonprofit group is directly or indirectly established by, organized by, operated primarily by, or controlled by a legislator or legislative employee, or any combination thereof, then the answer is no.

If the legislative caucus or the nonprofit group is not directly or indirectly established by, organized by, or operated primarily by, or controlled by a legislator or legislative employee, or any combination thereof, then the answer is yes.

22. Question: Can a legislative caucus that is established as a nonprofit group host its own charity golf tournament funded by lobbyist or principal "sponsors" at a private club, where the cost of sponsorship buys an opportunity to play golf with a member of the caucus, and to make a presentation to the caucus before and after the event?

ANSWER: Yes, provided the legislative caucus or the nonprofit group is not directly or indirectly established by, organized by, operated primarily by, or controlled by a legislator or legislative employee, or any combination thereof, and the legislators and legislative employees pay their own golf fees and the per-person cost for food and beverage.

OTHER

23. Question: What happens when a legislator is married to, related to, or living with a lobbyist? Can the lobbyist pay for meals, lodging, etc.?

ANSWER: Yes, *provided* the lobbyist does not use the expenditure to actively lobby the legislator. Expenditures by "relatives" of a legislator for food, lodging, travel, and the like are specifically exempt from the definition of a goodwill expenditure.

24. Question: Can a legislator be employed by a lobbyist or principal? Can a legislator go to the employer's retreat and partake of food and beverages?

ANSWER: Yes. A goodwill expenditure does not include salary, benefits, services, fees, commissions, gifts, or expenses *associated primarily with a legislator's or legislative employee's employment, business, or service as an officer or director of a corporation or organization.*

25. Question: Where a lobbyist or principal leaves a gift, such as a box of chocolates, in a legislator's office, what should the legislator do with the item?

ANSWER: When a legislator or legislative employee receives an item that they believe violates the prohibition against accepting an expenditure from a lobbyist or principal, the item must either be sent back to the donor or delivered to the Sergeant at Arms for disposal.

Part Two - Compensation

(1) General Guidelines

The law requires the reporting of *compensation* received by *lobbying firms* for each calendar quarter, both in the aggregate and for each individual principal. Much of the reporting is done in dollar categories; however, if compensation from a single principal is \$50,000 or more in a calendar quarter, the lobbying firm must report the specific dollar amount of the compensation, rounded to the nearest \$1,000.

A “lobbying firm” is any business entity with a lobbyist, or an individual contract lobbyist, who gets paid to lobby for a principal. It is the lobbying firm that must report, *not the individual lobbyists in the firm* (except in the case of an individual contract lobbyist, where the lobbyist also comprises the entire lobbying firm).

Reports are due no later than 45 days after the end of each calendar quarter. Compensation reports must be filed electronically using the online filing system of the Office of Legislative Services.

The law requires the senior partner, officer, or owner of the lobbying firm to certify to the veracity and completeness of each compensation report. This requirement is designed to discourage the mischaracterization and thus omission of reportable compensation through designations such as “media fees,” “consulting services,” “professional services,” “governmental services,” and other such artifices.

For example, if a law firm were paid a lump sum for rendering multiple types of services to a client, only one of which is lobbying, then the person certifying the report is responsible for properly and reasonably allocating the portion of the total fee received for lobbying activities and for activities other than lobbying. Only the compensation received for *lobbying* activities is to be reported on the compensation form.

The Legislature will use random audits supplemented by the lobbyist disciplinary process to hold the person certifying the compensation report and the lobbying firm accountable for making a true, complete, properly allocated report as required by law. In addition, the certification brings every compensation report filer within the scope of potential criminal penalties in section 837.06, *Florida Statutes*, for culpable violations.

(2) Frequently Asked Questions

1. *Question: Is an in-house, salaried lobbyist for an association, a governmental entity, or a corporation that does not derive income from principals for lobbying required to report compensation?*

ANSWER: No. An association, a governmental entity, a corporation or other business entity that does not derive income from principals for lobbying, and its employee lobbyists, are not a “lobbying firm” as defined in section 11.045(1)(f), *Florida Statutes*. Only “lobbying firms” must report compensation as provided in section 11.045(3)(a), *Florida Statutes*.

2. *Question: Does the prohibition against providing compensation to an individual or business entity that is not a lobbying firm mean that in-house lobbyists must either become a lobbying firm or cease lobbying?*

ANSWER: No. The provision in question merely clarifies that reportable “compensation” under the law must be provided to a “lobbying firm,” and not contracted or subcontracted through some “straw man” to circumvent compensation reporting requirements. The provision in question clarifies and emphasizes the statutory definition of “compensation” in section 11.045(1)(b), *Florida Statutes*, as “anything of value provided or owed to a *lobbying firm*.”

As instructed by the Senate, necessary technical and conforming changes have been made to the Senate Rules as adopted at the 2022 Organization Session held on November 22, 2022.

JOINT RULES of the Florida Legislature

Pursuant to HCR 3-O, Adopted November 2022

JOINT RULE ONE

LOBBYIST REGISTRATION AND COMPENSATION REPORTING

1.1—Those Required to Register; Exemptions; Committee Appearance Records

(1) All lobbyists before the Florida Legislature must register with the Lobbyist Registration Office in the Office of Legislative Services. Registration is required for each principal represented.

(2) As used in Joint Rule One, unless the context otherwise requires, the term:

- (a) “Compensation” means payment, distribution, loan, advance, reimbursement, deposit, salary, fee, retainer, or anything of value provided or owed to a lobbying firm, directly or indirectly, by a principal for any lobbying activity.
- (b) “Legislative action” means introduction, sponsorship, testimony, debate, voting, or any other official action on any measure, resolution, amendment, nomination, appointment, or report of, or any matter that may be the subject of action by, either house of the Legislature or any committee thereof.
- (c) “Lobby” or “lobbying” means influencing or attempting to influence legislative action or nonaction through oral or written communication or through an attempt to obtain the goodwill of a member or employee of the Legislature.
- (d) “Lobbying firm” means any business entity, including an individual contract lobbyist, that receives or becomes entitled to receive any compensation for the purpose of lobbying and where any partner, owner, officer, or employee of the business entity is a lobbyist. “Lobbying firm” does not include an entity that has employees who are lobbyists if the entity does not derive compensation from principals for lobbying or if such compensation is received exclusively from a subsidiary or affiliate corporation of the employer. As used in this paragraph, an affiliate corporation is a corporation that directly or indirectly shares the same ultimate parent corporation as the employer and does not

receive compensation for lobbying from any unaffiliated entity.

- (e) “Lobbyist” means a person who is employed and receives payment, or who contracts for economic consideration, for the purpose of lobbying or a person who is principally employed for governmental affairs by another person or governmental entity to lobby on behalf of that other person or governmental entity. An employee of the principal is not a lobbyist unless the employee is principally employed for governmental affairs. The term “principally employed for governmental affairs” means that one of the principal or most significant responsibilities of the employee to the employer is overseeing the employer’s various relationships with government or representing the employer in its contacts with government. Any person employed by the Governor, the Executive Office of the Governor, or any executive or judicial department of the state or any community college of the state who seeks to encourage the passage, defeat, or modification of any legislation by personal appearance or attendance before the House of Representatives or the Senate, or any member or committee thereof, is a lobbyist.
- (f) “Lobbyist Registration and Compensation Reporting System (LRCRS)” means the online application that serves as the system of record for the Lobbyist Registration Office in the Office of Legislative Services and consists of the electronic registration system and the electronic filing system.
- (g) “LRO” means the Lobbyist Registration Office in the Office of Legislative Services.
- (h) “Office” means the Office of Legislative Services.
- (i) “Payment” or “salary” means wages or any other consideration provided in exchange for services but does not include reimbursement for expenses.
- (j) “Principal” means the person, firm, corporation, or other entity that has employed or retained a lobbyist. When an association has employed or retained a lobbyist, the association is the principal; the individual members of the association are not principals merely because of their membership in the association.
- (k) “Unusual circumstances,” with respect to any failure of a person to satisfy a filing requirement, means uncommon, rare, or sudden events over which the person has no control and which directly result in the failure to satisfy the filing requirement.

(3) For purposes of Joint Rule One, the terms “lobby” and “lobbying” do not include any of the following:

- (a) A response to an inquiry for information made by any member, committee, or staff of the Legislature.
- (b) An appearance in response to a legislative subpoena.
- (c) Advice or services that arise out of a contractual obligation with the Legislature, a member, a committee, any staff, or any legislative entity to render the advice or services where such obligation is fulfilled through the use of public funds.
- (d) Representation of a client before the House of Representatives or the Senate, or any member or committee thereof, when the client is subject to disciplinary action by the House of Representatives or the Senate, or any member or committee thereof.

(4) For purposes of registration and reporting, the term “lobbyist” does not include any of the following:

- (a) A member of the Legislature.
- (b) A person who is employed by the Legislature.
- (c) A judge who is acting in that judge’s official capacity.
- (d) A person who is a state officer holding elective office or an officer of a political subdivision of the state holding elective office and who is acting in that officer’s official capacity.
- (e) A person who appears as a witness or for the purpose of providing information at the written request of the chair of a committee, subcommittee, or legislative delegation.
- (f) A person employed by any executive or judicial department of the state or any community college of the state who makes a personal appearance or attendance before the House of Representatives or the Senate, or any member or committee thereof, while that person is on approved leave or outside normal working hours and who does not otherwise meet the definition of a lobbyist.

(5) When a person, regardless of whether the person is registered as a lobbyist, appears before a committee of the Legislature, that person must submit a Committee Appearance Record as required by the respective house.

(6) The responsibilities of the Office and of the LRO under Joint Rule One may be assigned to another entity by agreement of the President of the Senate and the Speaker of the House of Representatives for a contract period not to extend beyond December 1 following the Organization Session of the next biennium, provided that the powers and duties of the President, the Speaker, the General Counsel of the Office of Legislative Services, and any legislative committee referenced in Joint Rule One may not be delegated.

1.2—Method of Registration

(1) Each person required to register with the LRO must register through the LRCRS and attest to that person's full legal name, business address, e-mail address, and telephone number; the name, business address, e-mail address, and telephone number of each principal that person represents; and the extent of any direct business association or partnership that person has with any member of the Legislature. If the lobbyist is, or belongs to, a lobbying firm, the lobbyist must state the name, address, and telephone number of the lobbying firm and the e-mail address of the person responsible for the submission of compensation reports. All lobbyists associated with the same firm must register using the identical name, address, and e-mail address of the firm in the LRCRS. Registration is not complete until the LRCRS receives authorization from the principal's representative and the registration fee. Lobbyists may not authorize themselves on behalf of the principal representative. Any changes to the information existing in the LRCRS must be updated online in the LRCRS within 15 days from the effective date of the change.

(2) Any person required to register must do so with respect to each principal prior to commencement of lobbying on behalf of that principal. The LRCRS will request authorization from the principal with the principal's name, business address, e-mail address, and telephone number to confirm that the registrant is authorized to represent the principal. The principal or principal's representative shall also identify and designate the principal's main business pursuant to a classification system approved by the Office, which shall be the North American Industry Classification System (NAICS) six-digit numerical code that most accurately describes the principal's main business.

(3) Any person required to register must renew the registration annually for each calendar year through the LRCRS.

(4) A lobbyist shall promptly cancel the registration for a principal upon termination of the lobbyist's representation of that principal. A cancellation takes effect the day it is received by the LRCRS. Notwithstanding this requirement, the LRO may remove the name of a lobbyist from the list of registered lobbyists if the principal notifies the LRO in writing that the lobbyist is no longer authorized to represent that principal.

(5) Should a registered lobbyist identify a scrivener's error in their own registration in the LRCRS after submission, they may make a written request to the LRO to correct such error. The request must clearly identify and describe the error. Each request will be reviewed by the Office before any changes will be made.

(6) The LRO shall retain registration information submitted under this rule.

(7) A person required to register under Joint Rule One shall be considered a lobbyist of the Legislature for the purposes of ss. 11.045, 112.3148, and 112.3149, Florida Statutes.

1.3—Registration Costs; Exemptions

(1) To cover the costs incurred for the administration of Joint Rule One, each person who registers under Joint Rule 1.1 must pay an annual registration fee to the LRO. The annual period runs from January 1 to December 31. These fees must be paid at the time of registration.

(2) The following persons are exempt from paying the fee, provided they are designated in writing by the agency head or person designated in this subsection:

- (a) Two employees of each department of the executive branch created under chapter 20, Florida Statutes.
- (b) Two employees of the Fish and Wildlife Conservation Commission.
- (c) Two employees of the Executive Office of the Governor.
- (d) Two employees of the Commission on Ethics.
- (e) Two employees of the Florida Public Service Commission.
- (f) Two employees of the judicial branch designated in writing by the Chief Justice of the Florida Supreme Court.

(3) The annual fee is up to \$50 per legislative entity for a person to register to represent one principal and up to an additional \$10 per legislative entity for each additional principal that the person registers to represent. The amount of each fee shall be established annually by the President of the Senate and the Speaker of the House of Representatives. The fees set must be adequate to ensure operation of the lobbyists' registration, compensation, and reporting functions. The fees collected by the LRO under this rule shall be deposited into the State Treasury and credited to the Legislative Lobbyist Registration Trust Fund specifically to cover the costs incurred in administering Joint Rule One.

1.4—Reporting of Lobbying Firm Compensation

- (1) (a) Each lobbying firm shall file a compensation report with the LRO through the LRCRS for each calendar quarter during any portion of which one or more of the firm's lobbyists were registered to represent a principal. The report must include the:
 1. Full name, business address, and telephone number of the lobbying firm;
 2. Registration name of each of the firm's lobbyists; and
 3. Total compensation provided or owed to the lobbying firm from all principals for the reporting period, reported in one of the following categories: \$0; \$1 to \$49,999; \$50,000 to \$99,999; \$100,000 to \$249,999;

\$250,000 to \$499,999; \$500,000 to \$999,999; or \$1 million or more.

- (b) For each principal represented by one or more of the firm's lobbyists, the lobbying firm's compensation report must also include the:
 - 1. Full name, business address, and telephone number of the principal; and
 - 2. Total compensation provided or owed to the lobbying firm for the reporting period, reported in one of the following categories: \$0; \$1 to \$9,999; \$10,000 to \$19,999; \$20,000 to \$29,999; \$30,000 to \$39,999; \$40,000 to \$49,999; or \$50,000 or more. If the category "\$50,000 or more" is selected, the specific dollar amount of compensation must be reported, rounded up or down to the nearest \$1,000.
 - (c) Compensation shall be reported using the accrual basis of accounting.
 - (d) Compensation reports should reflect compensation received for lobbying the legislative branch only.
 - (e) If the lobbying firm subcontracts work from another lobbying firm and not from the original principal:
 - 1. The lobbying firm providing the work to be subcontracted shall be treated as the reporting lobbying firm's principal for reporting purposes under this paragraph; and
 - 2. The reporting lobbying firm shall, for each lobbying firm identified as the reporting lobbying firm's principal under paragraph (b), identify the name, business address, and telephone number of the principal originating the lobbying work.
 - (f) The senior partner, officer, or owner of the lobbying firm shall certify to the veracity and completeness of the information submitted pursuant to this rule; certify that no compensation has been omitted from this report by deeming such compensation as "consulting services," "media services," "professional services," or anything other than compensation; and certify that no officer or employee of the firm has made an expenditure in violation of s. 11.045, Florida Statutes.
- (2) For each principal represented by more than one lobbying firm, the Office shall aggregate the reporting-period and calendar-year compensation reported as provided or owed by the principal. Compensation reported within a category shall be aggregated as follows:

Category (dollars)	Dollar amount to use aggregating
0	0
1-9,999	5,000
10,000-19,999	15,000
20,000-29,999	25,000
30,000-39,999	35,000
40,000-49,999	45,000
50,000 or more	Actual amount reported

(3) The compensation reports shall be filed no later than 45 days after the end of each reporting period. The four reporting periods are from January 1 through March 31, April 1 through June 30, July 1 through September 30, and October 1 through December 31, respectively. The reports shall be rendered in the identical form provided by the respective houses and shall be open to public inspection.

(4) A report filed pursuant to this rule must be completed and filed through the LRCRS not later than 11:59 p.m. of the day designated in subsection (3). A report not filed by 11:59 p.m. of the day designated is a late-filed report and is subject to the penalties under Joint Rule 1.5(1).

(5) Each person given secure sign-on credentials in the LRCRS is responsible for protecting the credentials from disclosure and is responsible for all filings made by use of such credentials, unless and until the Office is notified that the person's credentials have been compromised. Each report filed by electronic means pursuant to this rule shall be deemed certified in accordance with paragraph (1)(f) by the person given the secure sign-on credentials and, as such, subjects the person and the lobbying firm to the provisions of s. 11.045(8), Florida Statutes, as well as any discipline provided under the rules of the Senate or House of Representatives.

(6) If the President of the Senate and the Speaker of the House of Representatives jointly declare that the electronic system is not operable, the reports shall be filed in accordance with instructions on the LRCRS website which will be posted for a reasonable period of time.

1.5—Failure to File Timely Compensation Report; Notice and Assessment of Fines; Appeals

(1) Upon determining that the report is late, the LRCRS shall immediately notify the lobbying firm by e-mail as to the failure to timely file the report and that a fine is being assessed for each late day. The fine shall be \$50 per day per report for each late day, not to exceed \$5,000 per report.

(2) Upon submittal of the late-filed report by the lobbying firm, the LRCRS shall determine the amount of the fine based on the submittal date shown in the electronic receipt issued by the LRCRS.

(3) Such fine shall be paid within 30 days after the notice of payment due is transmitted by the LRCRS, unless an appeal is made to the LRO. The moneys shall be deposited into the Legislative Lobbyist Registration Trust Fund.

(4) A fine may not be assessed against a lobbying firm the first time the report for which the lobbying firm is responsible is not timely filed. However, to receive the one-time fine waiver, the report for which the lobbying firm is responsible must be filed within 30 days after the notice of failure to file is transmitted by the LRCRS. A fine shall be assessed for all subsequent late-filed reports.

(5) Any lobbying firm may appeal or dispute a fine, based upon unusual circumstances surrounding the failure to file on the designated due date, and may request and shall be entitled to a hearing before the General Counsel of the Office of Legislative Services, who shall recommend to the President of the Senate and the Speaker of the House of Representatives, or their respective designees, that the fine be waived in whole or in part for good cause shown. The President of the Senate and the Speaker of the House of Representatives, or their respective designees, may, by joint agreement, concur in the recommendation and waive the fine in whole or in part. Any such request shall be made within 30 days after the notice of payment due is transmitted by the LRCRS. In such case, the lobbying firm shall, within the 30-day period, notify the LRO in writing of the firm's intention to request a hearing.

(6) A lobbying firm may request that the filing of a report be waived upon good cause shown, based on unusual circumstances. The request must be filed with the General Counsel of the Office of Legislative Services, who shall make a recommendation concerning the waiver request to the President of the Senate and the Speaker of the House of Representatives. The President of the Senate and the Speaker of the House of Representatives may, by joint agreement, grant or deny the request.

(7) (a) All lobbyist registrations for lobbyists who are partners, owners, officers, or employees of a lobbying firm that fails to timely pay a fine are automatically suspended until the fine is paid or waived and all late reports have been filed or waived. The LRO shall promptly notify all affected principals, the President of the Senate, and the Speaker of the House of Representatives of any suspension or reinstatement. All lobbyists who are partners, owners, officers, or employees of a lobbying firm are jointly and severally liable for any outstanding fine owed by a lobbying firm.

(b) Such lobbyist may not be reinstated in any capacity representing any principal until the fine is paid and all late reports have been filed or waived or until the fine is waived

as to that lobbyist and all late reports for that lobbyist have been filed or waived. A suspended lobbyist may request a waiver upon good cause shown, based on unusual circumstances. The request must be filed with the General Counsel of the Office of Legislative Services who shall, as soon as practicable, make a recommendation concerning the waiver request to the President of the Senate and the Speaker of the House of Representatives. The President of the Senate and the Speaker of the House of Representatives may, by joint agreement, grant or deny the request.

(8) The LRO shall notify the coordinator of the Office of the failure of a lobbying firm to file a report after notice or of the failure of a lobbying firm to pay the fine imposed.

1.6—Open Records; Internet Publication of Registrations and Compensation Reports

(1) All of the lobbyist registration forms and compensation reports received by the LRO shall be available for public inspection and for duplication at reasonable cost.

(2) The LRO shall make information filed pursuant to Joint Rules 1.2 and 1.4 reasonably available on the Internet in an easily understandable and accessible format through the LRCRS. The LRCRS must include, but not be limited to including, the names and business addresses of lobbyists, lobbying firms, and principals; the affiliations between lobbyists and principals; and the classification system designated and identified with respect to principals pursuant to Joint Rule 1.2.

1.7—Records Retention and Inspection and Complaint Procedure

(1) Each lobbying firm and each principal shall preserve for a period of 4 years all accounts, bills, receipts, computer records, books, papers, and other documents and records necessary to substantiate compensation reports and registration documentation.

(2) Upon receipt of a complaint based on the personal knowledge of the complainant made pursuant to the Senate Rules or the Rules of the House of Representatives, any such documents and records may be inspected when authorized by the President of the Senate or the Speaker of the House of Representatives, as applicable. The person authorized to perform the inspection shall be designated in writing and shall be a member of The Florida Bar or a certified public accountant licensed in Florida. Any information obtained by such an inspection may only be used for purposes authorized by law, Joint Rule One, the Senate Rules, or the Rules of the House of Representatives, which purposes may include the imposition of sanctions against a person subject to Joint Rule One, the Senate Rules, or the Rules of the House of Representatives. Any employee who uses that information for an unauthorized purpose is subject to discipline. Any member who uses that information for an

unauthorized purpose is subject to discipline under the applicable rules of each house.

(3) The right of inspection may be enforced by appropriate writ issued by any court of competent jurisdiction.

1.8—Questions Regarding Interpretation of Joint Rule One

(1) A person may request in writing an informal opinion from the General Counsel of the Office of Legislative Services as to the application of Joint Rule One to a specific situation involving that person's conduct. The General Counsel shall issue the opinion within 10 days after receiving the request. The informal opinion may be relied upon by the person who requested the informal opinion. A copy of each informal opinion that is issued shall be provided to the presiding officer of each house. A committee of either house designated pursuant to section 11.045(5), Florida Statutes, may revise any informal opinion rendered by the General Counsel through an advisory opinion to the person who requested the informal opinion. The advisory opinion shall supersede the informal opinion as of the date the advisory opinion is issued.

(2) A person in doubt about the applicability or interpretation of Joint Rule One with respect to that person's conduct may submit in writing the facts for an advisory opinion to the committee of either house designated pursuant to s. 11.045(5), Florida Statutes, and may appear in person before the committee in accordance with s. 11.045(5), Florida Statutes.

1.9—Effect of Readoption and Revision

All obligations existing under Joint Rule One as of the last day of the previous legislative biennium are hereby ratified, preserved, and reimposed pursuant to the terms thereof as of that date. The provisions of Joint Rule One are imposed retroactively to the first day of the present legislative biennium except that provisions new to this revision are effective on the date of adoption or as otherwise expressly provided herein.

JOINT RULE TWO

GENERAL APPROPRIATIONS REVIEW PERIOD AND BUDGET

CONFERENCE COMMITTEE RULES

2.1—General Appropriations and Related Bills; Review Periods

(1) A general appropriations bill shall be subject to a 72-hour public review period before a vote is taken on final passage of the bill in the form that will be presented to the Governor.

(2) If a bill is returned to the house in which the bill originated and the originating house does not concur in all the amendments or adds additional amendments, no further action shall be taken on the bill by

the nonoriginating house, and a conference committee shall be established by operation of this rule to consider the bill.

(3) If a bill is referred to a conference committee by operation of this rule, a 72-hour public review period shall be provided prior to a vote being taken on the conference committee report by either house.

(4) A copy of the bill, a copy of the bill with amendments adopted by the nonoriginating house, or the conference committee report shall be furnished to each member of the Legislature, the Governor, the Chief Justice of the Supreme Court, and each member of the Cabinet. Copies for the Governor, Chief Justice, and members of the Cabinet shall be furnished to the official's office in the Capitol or Supreme Court Building.

(5) (a) Copies required to be furnished under subsection (4) shall be furnished to members of the Legislature as follows:

1. A printed copy may be placed on each member's desk in the appropriate chamber; or
2. An electronic copy may be furnished to each member. The Legislature hereby deems and determines that a copy shall have been furnished to the members of the Legislature when an electronic copy is made available to every member of the Legislature. An electronic copy is deemed to have been made available when it is accessible via the Internet or other information network consisting of systems ordinarily serving the members of the Senate or the House of Representatives.

(b) An official other than a member of the Legislature who is to be furnished a copy of a general appropriations bill under subsection (4) may officially request that an electronic copy of the bill be furnished in lieu of a printed copy, and, if practicable, the copy may be furnished to the official in the manner requested.

(6) The Secretary of the Senate shall be responsible for furnishing copies under this rule for Senate bills, House bills as amended by the Senate, and conference committee reports on Senate bills. The Clerk of the House shall be responsible for furnishing copies under this rule for House bills, Senate bills as amended by the House, and conference committee reports on House bills.

(7) The 72-hour public review period shall begin to run upon completion of the furnishing of copies required to be furnished under subsection (4). The Speaker of the House of Representatives and the President of the Senate, as appropriate, shall be informed of the completion time, and such time shall be announced on the floor prior to vote on final passage in each house and shall be entered in the journal

of each house. Saturdays, Sundays, and holidays shall be included in the computation under this rule.

(8) An implementing or conforming bill recommended by a conference committee shall be subject to a 24-hour public review period before a vote is taken on the conference committee report by either house, if the conference committee submits its report after the furnishing of a general appropriations bill to which the 72-hour public review period applies.

(9) With respect to each bill that may be affected, a member of the Senate or the House of Representatives may not raise a point of order under this rule after a vote is taken on the bill. Except as may be required by the Florida Constitution, noncompliance with any requirement of this rule may be waived by a two-thirds vote of those members present and voting in each house.

2.2—General Appropriations and Related Bills; Definitions

As used in Joint Rule Two, the term:

(1) “Conforming bill” means a bill that amends the Florida Statutes to conform to a general appropriations bill.

(2) “General appropriations bill” means a bill that provides for the salaries of public officers and other current expenses of the state and contains no subject other than appropriations. A bill that contains appropriations that are incidental and necessary solely to implement a substantive law is not included within this term. For the purposes of Joint Rule Two and Section 19(d) of Article III of the Florida Constitution, the Legislature hereby determines that, after a general appropriations bill has been enacted and establishes governing law for a particular fiscal year, a bill considered in any subsequent session that makes net reductions in such enacted appropriations or that makes supplemental appropriations shall not be deemed to be a general appropriations bill unless such bill provides for the salaries of public officers and other current expenses of the state for a subsequent fiscal year.

(3) “Implementing bill” means a bill, effective for one fiscal year, implementing a general appropriations bill.

(4) (a) “Appropriations project” means a specific appropriation, proviso, or item on a conference committee spreadsheet agreed to by House and Senate conferees providing funding for:

1. A local government, private entity, or privately operated program, wherein the specific appropriation, proviso, or item on a conference committee spreadsheet specifically names the local government, private entity, or privately operated program or the appropriation, proviso, or item is written in such a

- manner as to describe a particular local government, private entity, or privately operated program;
2. A specific transportation facility that was not part of the Department of Transportation's 5-year work program submitted pursuant to s. 339.135, Florida Statutes;
 3. An education fixed capital outlay project that was not submitted pursuant to s. 1013.60 or s. 1013.64, Florida Statutes, unless funds for the specific project were appropriated by the Legislature in a prior year and additional funds are needed to complete the project as originally proposed;
 4. A specified program, research initiative, institute, center, or similar entity at a specific state college or university, unless recommended by the Board of Governors or the State Board of Education in their Legislative Budget Request; or
 5. A local water project.
- (b) The term does not include an appropriation that:
1. Is specifically authorized by statute;
 2. Is part of a statewide distribution to local governments; or

CONSTITUTION

STATE OF FLORIDA

AS REVISED IN 1968 AND SUBSEQUENTLY AMENDED

The Constitution of the State of Florida as revised in 1968 consisted of certain revised articles as proposed by three joint resolutions which were adopted during the special session of June 24-July 3, 1968, and ratified by the electorate on November 5, 1968, together with one article carried forward from the Constitution of 1885, as amended. The articles proposed in House Joint Resolution 1-2X constituted the entire revised constitution with the exception of Articles V, VI, and VIII. Senate Joint Resolution 4-2X proposed Article VI, relating to suffrage and elections. Senate Joint Resolution 5-2X proposed a new Article VIII, relating to local government. Article V, relating to the judiciary, was carried forward from the Constitution of 1885, as amended.

Sections composing the 1968 revision have no history notes. Subsequent changes are indicated by notes appended to the affected sections. The indexes appearing at the beginning of each article, notes appearing at the end of various sections, and section and subsection headings are added editorially and are not to be considered as part of the constitution.

SECTION 16. Rights of accused and of victims.—

(a) In all criminal prosecutions the accused shall, upon demand, be informed of the nature and cause of the accusation, and shall be furnished a copy of the charges, and shall have the right to have compulsory process for witnesses, to confront at trial adverse witnesses, to be heard in person, by counsel or both, and to have a speedy and public trial by impartial jury in the county where the crime was committed. If the county is not known, the indictment or information may charge venue in two or more counties conjunctively and proof that the crime was committed in that area shall be sufficient; but before pleading the accused may elect in which of those counties the trial will take place. Venue for prosecution of crimes committed beyond the boundaries of the state shall be fixed by law.

(b) To preserve and protect the right of crime victims to achieve justice, ensure a meaningful role throughout the criminal and juvenile justice systems for crime victims, and ensure that crime victims' rights and interests are respected and protected by law in a manner no less vigorous than protections afforded to criminal defendants and juvenile delinquents, every victim is entitled to the following rights, beginning at the time of his or her victimization:

(1) The right to due process and to be treated with fairness and respect for the victim's dignity.

(2) The right to be free from intimidation, harassment, and abuse.

(3) The right, within the judicial process, to be reasonably protected from the accused and any person acting on behalf of the accused. However, nothing contained herein is intended to create a special relationship between the crime victim and any law enforcement agency or office absent a special relationship or duty as defined by Florida law.

(4) The right to have the safety and welfare of the victim and the victim's family considered when setting bail, including setting pretrial release conditions that protect the safety and welfare of the victim and the victim's family.

(5) The right to prevent the disclosure of information or records that could be used to locate or harass the victim or the victim's family, or which could disclose confidential or privileged information of the victim.

(6) A victim shall have the following specific rights upon request:

a. The right to reasonable, accurate, and timely notice of, and to be present at, all public proceedings involving the criminal conduct, including, but not limited to, trial, plea, sentencing, or adjudication, even if the victim will be a witness at the proceeding, notwithstanding any rule to the contrary. A victim shall also be provided reasonable, accurate, and timely notice of any release or escape of the defendant or delinquent, and any proceeding during which a right of the victim is implicated.

b. The right to be heard in any public proceeding involving pretrial or other release from any form of legal constraint, plea, sentencing, adjudication, or parole, and any proceeding during which a right of the victim is implicated.

c. The right to confer with the prosecuting attorney concerning any plea agreements, participation in pretrial diversion programs, release, restitution, sentencing, or any other disposition of the case.

d. The right to provide information regarding the impact of the offender's conduct on the victim and the victim's family to the individual responsible for conducting any presentence investigation or compiling any presentence investigation report, and to have any such information considered in any sentencing recommendations submitted to the court.

e. The right to receive a copy of any presentence report, and any other report or record relevant to the exercise of a victim's right, except for such portions made confidential or exempt by law.

f. The right to be informed of the conviction, sentence, adjudication, place and time of incarceration, or other disposition of the convicted offender, any scheduled release date of the offender, and the release of or the escape of the offender from custody.

g. The right to be informed of all postconviction processes and procedures, to participate in such processes and procedures, to provide information to the release authority to be considered before any release decision is made, and to be notified of any release decision regarding the offender. The parole or early release

authority shall extend the right to be heard to any person harmed by the offender.

h. The right to be informed of clemency and expungement procedures, to provide information to the governor, the court, any clemency board, and other authority in these procedures, and to have that information considered before a clemency or expungement decision is made; and to be notified of such decision in advance of any release of the offender.

(7) The rights of the victim, as provided in subparagraph (6)a., subparagraph (6)b., or subparagraph (6)c., that apply to any first appearance proceeding are satisfied by a reasonable attempt by the appropriate agency to notify the victim and convey the victim's views to the court.

(8) The right to the prompt return of the victim's property when no longer needed as evidence in the case.

(9) The right to full and timely restitution in every case and from each convicted offender for all losses suffered, both directly and indirectly, by the victim as a result of the criminal conduct.

(10) The right to proceedings free from unreasonable delay, and to a prompt and final conclusion of the case and any related postjudgment proceedings.

a. The state attorney may file a good faith demand for a speedy trial and the trial court shall hold a calendar call, with notice, within fifteen days of the filing demand, to schedule a trial to commence on a date at least five days but no more than sixty days after the date of the calendar call unless the trial judge enters an order with specific findings of fact justifying a trial date more than sixty days after the calendar call.

b. All state-level appeals and collateral attacks on any judgment must be complete within two years from the date of appeal in non-capital cases and within five years from the date of appeal in capital cases, unless a court enters an order with specific findings as to why the court was unable to comply with this subparagraph and the circumstances causing the delay. Each year, the chief judge of any district court of appeal or the chief justice of the supreme court shall report on a case-by-case basis to the speaker of the house of representatives and the president of the senate all cases where the court entered an order regarding inability to comply with this subparagraph. The legislature may enact legislation to implement this subparagraph.

(11) The right to be informed of these rights, and to be informed that victims can

seek the advice of an attorney with respect to their rights. This information shall be made available to the general public and provided to all crime victims in the form of a card or by other means intended to effectively advise the victim of their rights under this section.

(c) The victim, the retained attorney of the victim, a lawful representative of the victim, or the office of the state attorney upon request of the victim, may assert and seek enforcement of the rights enumerated in this section and any other right afforded to a victim by law in any trial or appellate court, or before any other authority with jurisdiction over the case, as a matter of right. The court or other authority with jurisdiction shall act promptly on such a request, affording a remedy by due course of law for the violation of any right. The reasons for any decision regarding the disposition of a victim's right shall be clearly stated on the record.

(d) The granting of the rights enumerated in this section to victims may not be construed to deny or impair any other rights possessed by victims. The provisions of this section apply throughout criminal and juvenile justice processes, are self-executing, and do not require implementing legislation. This section may not be construed to create any cause of action for damages against the state or a political subdivision of the state, or any officer, employee, or agent of the state or its political subdivisions.

(e) As used in this section, a "victim" is a person who suffers direct or threatened physical, psychological, or financial harm as a result of the commission or attempted commission of a crime or delinquent act or against whom the crime or delinquent act is committed. The term "victim" includes the victim's lawful representative, the parent or guardian of a minor, or the next of kin of a homicide victim, except upon a showing that the interest of such individual would be in actual or potential conflict with the interests of the victim. The term "victim" does not include the accused. The terms "crime" and "criminal" include delinquent acts and conduct.

The prohibition against cruel or unusual punishment, and the prohibition against cruel and unusual punishment, shall be construed in conformity with decisions of the United States Supreme Court which interpret the prohibition against cruel and unusual punishment provided in the Eighth Amendment to the United States Constitution. Any method of execution shall be allowed, unless prohibited by the United States Constitution. Methods of execution may be designated by the legislature, and a change in any method of execution may be applied retroactively. A sentence of death shall not be reduced on the basis that a method of execution is invalid. In any case in which an execution method is declared invalid, the death sentence shall remain in force until the sentence can be lawfully executed by any valid method. This section shall apply retroactively.

The legislature shall enact laws governing the enforcement of this section, including the maintenance, control, destruction, disposal, and disposition of records made public by this section, except that each house of the legislature may adopt rules governing the enforcement of this section in relation to records of the legislative branch. Laws enacted pursuant to this subsection shall contain only exemptions from the requirements of subsections (a) or (b) and provisions governing the enforcement of this section, and shall relate to one subject.

(d) All laws that are in effect on July 1, 1993 that limit public access to records or meetings shall remain in force, and such laws apply to records of the legislative and judicial branches, until they are repealed. SECTION 2. Members; officers.—Each house shall be the sole judge of the qualifications, elections, and returns of its members, and shall biennially choose its officers, including a permanent presiding officer selected from its membership, who shall be designated in the senate as President of the Senate, and in the house as Speaker of the House of Representatives. The senate shall designate a Secretary to serve at its pleasure, and the house of representatives shall designate a Clerk to serve at its pleasure. The legislature shall appoint an auditor to serve at its pleasure who shall audit public records and perform related duties as prescribed by law or concurrent resolution.

(b) REGULAR SESSIONS. A regular session of the legislature shall convene on the first Tuesday after the first Monday in March of each odd-numbered year, and on the second Tuesday after the first Monday in January of each even-numbered year.

(c) SPECIAL SESSIONS.

(1) The governor, by proclamation stating the purpose, may convene the legislature in special session during which only such legislative business may be transacted as is within the purview of the proclamation, or of a communication from the governor, or is introduced by consent of two-thirds of the membership of each house.

(2) A special session of the legislature may be convened as provided by law.

(d) LENGTH OF SESSIONS. A regular session of the legislature shall not exceed sixty consecutive days, and a special session shall not exceed twenty consecutive days, unless extended beyond such limit by a three-fifths vote of each house. During such an extension no new business may be taken up in either house without the consent of two-thirds of its membership.

(e) ADJOURNMENT. Neither house shall adjourn for more than seventy-two consecutive hours except pursuant to concurrent resolution.

(f) ADJOURNMENT BY GOVERNOR. If, during any regular or special session, the two houses cannot agree upon a time for adjournment, the governor may adjourn the session sine die or to any date within the period authorized for such session; provided that, at least twenty-four hours before adjourning the session, and while neither house is in recess, each house shall be given formal written notice of the governor's intention to do so, and agreement reached within that period by both houses on a time for adjournment shall prevail.

(b) Sessions of each house shall be public; except sessions of the senate when considering appointment to or removal from public office may be closed.

(c) Each house shall keep and publish a journal of its proceedings; and upon the request of five members present, the vote of each member voting on any question shall be entered on the journal. In any legislative committee or subcommittee, the vote of each member voting on the final passage of any legislation pending before the committee, and upon the request of any two members of the committee or subcommittee, the vote of each member on any other question, shall be recorded.

(d) Each house may punish a member for contempt or disorderly conduct and, by

a two-thirds vote of its membership, may expel a member.

(e) The rules of procedure of each house shall provide that all legislative committee and subcommittee meetings of each house, and joint conference committee meetings, shall be open and noticed to the public. The rules of procedure of each house shall further provide that all prearranged gatherings, between more than two members of the legislature, or between the governor, the president of the senate, or the speaker of the house of representatives, the purpose of which is to agree upon formal legislative action that will be taken at a subsequent time, or at which formal legislative action is taken, regarding pending legislation or amendments, shall be reasonably open to the public. All open meetings shall be subject to order and decorum. This section shall be implemented and defined by the rules of each house, and such rules shall control admission to the floor of each legislative chamber and may, where reasonably necessary for security purposes or to protect a witness appearing before a committee, provide for the closure of committee meetings. Each house shall be the sole judge for the interpretation, implementation, and enforcement of this section.

Such powers, except the power to punish, may be conferred by law upon committees when the legislature is not in session. Punishment of contempt of an interim legislative committee shall be by judicial proceedings as prescribed by law.

SECTION 6. Laws.—Every law shall embrace but one subject and matter properly connected therewith, and the subject shall be briefly expressed in the title. No law shall be revised or amended by reference to its title only. Laws to revise or amend shall set out in full the revised or amended

On each reading, it shall be read by title only, unless one-third of the members present desire it read in full. On final passage, the vote of each member voting shall be entered on the journal. Passage of a bill shall require a majority vote in each house. Each bill and joint resolution passed in both houses shall be signed by the presiding officers of the respective houses and by the secretary of the senate and the clerk of the house of representatives during the session or as soon as practicable after its adjournment sine die.

If during that period or on the seventh day the legislature adjourns sine die or takes a recess of more than thirty days, the governor shall have fifteen consecutive days from the date of presentation to act on the bill. In all cases except general appropriation bills, the veto shall extend to the entire bill. The governor may veto any specific appropriation in a general appropriation bill, but may not veto any qualification or restriction without also vetoing the appropriation to which it relates.

(b) When a bill or any specific appropriation of a general appropriation bill has been vetoed, the governor shall transmit signed objections thereto to the house in which the bill originated if in session. If that house is not in session, the governor shall file them with the custodian of state records, who shall lay them before that house at its next regular or special session, whichever occurs first, and they shall be entered on its journal. If the originating house votes to re-enact a vetoed measure,

whether in a regular or special session, and the other house does not consider or fails to re-enact the vetoed measure, no further consideration by either house at any subsequent session may be taken. If a vetoed measure is presented at a special session and the originating house does not consider it, the measure will be available for consideration at any intervening special session and until the end of the next regular session.

(c) If each house shall, by a two-thirds vote, re-enact the bill or reinstate the vetoed specific appropriation of a general appropriation bill, the vote of each member voting shall be entered on the respective journals, and the bill shall become law or the vetoed specific appropriation reinstated, the veto notwithstanding.

For purposes of this section, discipline is defined as any or all of the following: reprimand, fine, suspension with or without pay, or lawyer discipline. The commission shall have jurisdiction over justices and judges regarding allegations that misconduct occurred before or during service as a justice or judge if a complaint is made no later than one year following service as a justice or judge. The commission shall have jurisdiction regarding allegations of incapacity during service as a justice or judge. The commission shall be composed of:

c. Five electors who reside in the state, who have never held judicial office or been members of the bar of Florida, and who shall be appointed by the governor.

(2) The members of the judicial qualifications commission shall serve staggered terms, not to exceed six years, as prescribed by general law. No member of the commission except a judge shall be eligible

for state judicial office while acting as a member of the commission and for a period of two years thereafter. No member of the commission shall hold office in a political party or participate in any campaign for judicial office or hold public office; provided that a judge may campaign for judicial office and hold that office. The commission shall elect one of its members as its chairperson.

(3) Members of the judicial qualifications commission not subject to impeachment shall be subject to removal from the commission pursuant to the provisions of Article IV, Section 7, Florida Constitution.

(4) The commission shall adopt rules regulating its proceedings, the filling of vacancies by the appointing authorities, the disqualification of members, the rotation of members between the panels, and the temporary replacement of disqualified or incapacitated members. The commission's rules, or any part thereof, may be repealed by general law enacted by a majority vote of the membership of each house of the legislature, or by the supreme court, five justices concurring. The commission shall have power to issue subpoenas. Until formal charges against a justice or judge are filed by the investigative panel with the clerk of the supreme court of Florida all proceedings by or before the commission shall be confidential; provided, however, upon a finding of probable cause and the filing by the investigative panel with said clerk of such formal charges against a justice or judge such charges and all further proceedings before the commission shall be public.

(5) The commission shall have access to all information from all executive, legislative and judicial agencies, including grand juries, subject to the rules of the commission. Upon a simple majority vote of the membership of the hearing panel, the panel may recommend to the supreme court that the justice or judge be subject to appropriate discipline.

(c) SUPREME COURT.—The supreme court shall receive recommendations from the judicial qualifications commission's hearing panel.

Malafides, scienter or moral turpitude on the part of a justice or judge shall not be required for removal from office of a justice or judge whose conduct demonstrates a present unfitness to hold office. After the filing of a formal proceeding and upon request of the investigative panel, the supreme court may suspend the justice or judge from office, with or without compensation, pending final determination of the inquiry.

(2) The supreme court may award costs to the prevailing party.

(d) The power of removal conferred by this section shall be both alternative and cumulative to the power of impeachment.

For purposes of determining seniority of such circuit judges in the event there be judges of equal tenure

in judicial office as circuit judge the judge or judges from the lower numbered circuit or circuits shall be deemed senior. In the event any such chief circuit judge is under investigation by the judicial qualifications commission or is otherwise disqualified or unable to serve on the panel, the next most senior chief circuit judge or judges shall serve in place of such disqualified or disabled chief circuit judge.

SECTION 1. Taxation; appropriations; state expenses; state revenue limitation.—

(a) No tax shall be levied except in pursuance of law. No state ad valorem taxes shall be levied upon real estate or tangible personal property. All other forms of taxation shall be preempted to the state except as provided by general law.

(b) Motor vehicles, boats, airplanes, trailers, trailer coaches and mobile homes, as defined by law, shall be subject to a license tax for their operation in the amounts and for the purposes prescribed by law, but shall not be subject to ad valorem taxes.

(c) No money shall be drawn from the treasury except in pursuance of appropriation made by law.

(d) Provision shall be made by law for raising sufficient revenue to defray the expenses of the state for each fiscal period.

(e) Except as provided herein, state revenues collected for any fiscal year shall be limited to state revenues allowed under this subsection for the prior fiscal year plus an adjustment for growth. As used in this subsection, "growth" means an amount equal to the average annual rate of growth in Florida personal income over the most recent twenty quarters times the state revenues allowed under this subsection for the prior fiscal year. For the 1995-1996 fiscal year, the state revenues allowed under this subsection for the prior fiscal year shall equal the state revenues

collected for the 1994-1995 fiscal year. Florida personal income shall be determined by the legislature, from information available from the United States Department of Commerce or its successor on the first day of February prior to the beginning of the fiscal year. State revenues collected for any fiscal year in excess of this limitation shall be transferred to the budget stabilization fund until the fund reaches the maximum balance specified in Section 19(g) of Article III, and thereafter shall be refunded to taxpayers as provided by general law. State revenues allowed under this subsection for any fiscal year may be increased by a two-thirds vote of the membership of each house of the legislature in a separate bill that contains no other subject and that sets forth the dollar amount by which the state revenues allowed will be increased. The vote may not be taken less than seventy-two hours after the third reading of the bill. For purposes of this subsection, "state revenues" means taxes, fees, licenses, and charges for services imposed by the legislature on individuals, businesses, or agencies outside state government. However, "state revenues" does not include: revenues that are necessary to meet the requirements set forth in documents authorizing the issuance of bonds by the state; revenues that are used to provide matching funds for the federal Medicaid program with the exception of the revenues used to support the Public Medical Assistance Trust Fund or its successor program and with the exception of state matching funds used to fund elective expansions made after July 1, 1994; proceeds from the state lottery returned as prizes; receipts of the Florida Hurricane Catastrophe Fund; balances carried forward from prior fiscal years; taxes, licenses, fees, and charges for services imposed by local, regional, or school district governing bodies; or revenue from taxes, licenses, fees, and charges for services required to be imposed by any amendment or revision to this constitution after July 1, 1994. An adjustment to the revenue limitation shall be made by general law to reflect the fiscal impact of transfers of responsibility for the funding of governmental functions between the state and other levels of government. The legislature shall, by general law, prescribe procedures necessary to administer this subsection.

History.—Am. H.J.R. 2053, 1994; adopted 1994.

SECTION 2. Taxes; rate.—All ad valorem taxation shall be at a uniform rate

SECTION 3. Taxes; exemptions.—

(a) All property owned by a municipality and used exclusively by it for municipal or public purposes shall be exempt from taxation. A municipality, owning property outside the municipality, may be required by general law to make payment to the taxing unit in which the property is located. Such portions of property as are used predominantly for educational, literary, scientific, religious or charitable purposes may be exempted by general law from taxation.

(b) There shall be exempt from taxation, cumulatively, to every head of a family residing in this state, household goods and personal effects to the value fixed by general law, not less than one thousand dollars, and to every widow or widower or person who is blind or totally and permanently disabled, property to the value fixed by general law not less than five hundred dollars.

(c) Any county or municipality may, for the purpose of its respective tax levy and subject to the provisions of this subsection and general law, grant community and economic development ad valorem tax exemptions to new businesses and expansions of existing businesses, as defined by general law. Such an exemption may be granted only by ordinance of the county or municipality, and only after the electors of the county or municipality voting on such question in a referendum authorize the county or municipality to adopt such ordinances. An exemption so granted shall apply to improvements to real property made by or for the use of a new business and improvements to real property related to the expansion of an existing business and shall also apply to tangible personal property of such new business and tangible personal property related to the expansion of an existing business. The amount or limits of the amount of such exemption shall be specified by general law. The period of time for which such exemption may be

granted to a new business or expansion of an existing business shall be determined by general law. The authority to grant such exemption shall expire ten years from the date of approval by the electors of the county or municipality, and may be renewable by referendum as provided by general law.

(d) Any county or municipality may, for the purpose of its respective tax levy and subject to the provisions of this subsection and general law, grant historic preservation ad valorem tax exemptions to owners of historic properties. This exemption may be granted only by ordinance of the county or municipality. The amount or limits of the amount of this exemption and the requirements for eligible properties must be specified by general law. The period of time for which this exemption may be granted to a property owner shall be determined by general law.

²(f) There shall be granted an ad valorem tax exemption for real property dedicated in perpetuity for conservation purposes, including real property encumbered by perpetual conservation easements or by other perpetual conservation protections, as defined by general law.

(g) By general law and subject to the conditions specified therein, each person who receives a homestead exemption as provided in section 6 of this article; who was a member of the United States military or military reserves, the United States Coast Guard or its reserves, or the Florida National Guard; and who was deployed during the preceding calendar year on active duty outside the continental United States, Alaska, or Hawaii in support of military operations designated by the legislature shall receive an additional exemption equal to a percentage of the taxable value of his or her homestead property. The applicable percentage shall be calculated as the number of days during the preceding calendar year the person was deployed on active duty outside the continental United States, Alaska, or Hawaii in support of

military operations designated by the legislature divided by the number of days in that year.

Upon expiration, this section shall be repealed and the text of subsection (e) of Section 3 of Article VII . . . shall revert to that in existence on December 31, 2017, except that any amendments to such text otherwise adopted shall be preserved and continue to operate to the extent that such amendments are not dependent upon the portions of text which expire pursuant to this section." Effective December 31, 2037, s. 3(e), Art. VII, State Constitution, will read:

(e) By general law and subject to conditions specified therein, twenty-five thousand dollars of the assessed value of property subject to tangible personal property tax shall be exempt from ad valorem taxation.

²**Note.**—This subsection, originally designated (g) by Revision No. 4 of the Taxation and Budget Reform Commission, 2008, was redesignated (f) by the editors to conform to the redesignation of subsections by Revision No. 3 of the Taxation and Budget Reform Commission, 2008.

SECTION 4. Taxation; assessments.

By general law regulations shall be prescribed which shall secure a just valuation of all property for ad valorem taxation, provided:

(a) Agricultural land, land producing high water recharge to Florida's aquifers, or land used exclusively for noncommercial recreational purposes may be classified by general law and assessed solely on the basis of character or use.

(b) As provided by general law and subject to conditions, limitations, and reasonable definitions specified therein, land used for conservation purposes shall be classified by general law and assessed solely on the basis of character or use.

(c) Pursuant to general law tangible personal property held for sale as stock in trade and livestock may be valued for taxation at a specified percentage of its value, may be classified for tax purposes, or may be exempted from taxation.

(d) All persons entitled to a homestead exemption under Section 6 of this Article shall have their homestead assessed at just value as of January 1 of the year following the effective date of this amendment. This assessment shall change only as provided in this subsection.

(1) Assessments subject to this subsection shall be changed annually on January 1st of each year; but those

changes in assessments shall not exceed the lower of the following:

a. Three percent (3%) of the assessment for the prior year.

b. The percent change in the Consumer Price Index for all urban consumers, U.S. City Average, all items 1967=100, or successor reports for the preceding calendar year as initially reported by the United States Department of Labor, Bureau of Labor Statistics.

(2) No assessment shall exceed just value.

(3) After any change of ownership, as provided by general law, homestead property shall be assessed at just value as of January 1 of the following year, unless the provisions of paragraph (8) apply. Thereafter, the homestead shall be assessed as provided in this subsection.

(4) New homestead property shall be assessed at just value as of January 1st of the year following the establishment of the homestead, unless the provisions of paragraph (8) apply. That assessment shall only change as provided in this subsection.

(5) Changes, additions, reductions, or improvements to homestead property shall be assessed as provided for by general law; provided, however, after the adjustment for any change, addition, reduction, or improvement, the property shall be assessed as provided in this subsection.

(6) In the event of a termination of homestead status, the property shall be assessed as provided by general law.

(7) The provisions of this amendment are severable. If any of the provisions of this amendment shall be held unconstitutional by any court of competent jurisdiction, the decision of such court shall not affect or impair any remaining provisions of this amendment.

(8)a. A person who establishes a new homestead as of January 1 and who has received a homestead exemption pursuant to Section 6 of this Article as of January 1 of any of the three years immediately preceding the establishment of the new homestead is entitled to have the new homestead assessed at less than just value. The assessed value of the newly established homestead shall be determined as follows:

1. If the just value of the new homestead is greater than or equal to the just value of the prior homestead as of January 1 of the year in which the prior homestead was abandoned, the assessed value of the new homestead shall be the just value of the new homestead minus an amount

equal to the lesser of \$500,000 or the difference between the just value and the assessed value of the prior homestead as of January 1 of the year in which the prior homestead was abandoned. Thereafter, the homestead shall be assessed as provided in this subsection.

2. If the just value of the new homestead is less than the just value of the prior homestead as of January 1 of the year in which the prior homestead was abandoned, the assessed value of the new homestead shall be equal to the just value of the new homestead divided by the just value of the prior homestead and multiplied by the assessed value of the prior homestead. However, if the difference between the just value of the new homestead and the assessed value of the new homestead calculated pursuant to this subparagraph is greater than \$500,000, the assessed value of the new homestead shall be increased so that the difference between the just value and the assessed value equals \$500,000. Thereafter, the homestead shall be assessed as provided in this subsection.

b. By general law and subject to conditions specified therein, the legislature shall provide for application of this paragraph to property owned by more than one person.

(e) The legislature may, by general law, for assessment purposes and subject to the provisions of this subsection, allow counties and municipalities to authorize by ordinance that historic property may be assessed solely on the basis of character or use. Such character or use assessment shall apply only to the jurisdiction adopting the ordinance. The requirements for eligible properties must be specified by general law.

(f) A county may, in the manner prescribed by general law, provide for a reduction in the assessed value of homestead property to the extent of any increase in the assessed value of that property which results from the construction or reconstruction of the property for the purpose of providing living quarters for one or more natural or adoptive grandparents or parents of the owner of the property or of the owner's spouse if at least one of the grandparents or parents for whom the living quarters are provided is 62 years of age or older. Such a reduction may not exceed the lesser of the following:

(1) The increase in assessed value resulting from construction or reconstruction of the property.

(2) Twenty percent of the total assessed value of the property as improved.

(g) For all levies other than school district levies, assessments of residential real property, as defined by general law, which contains nine units or fewer and which is not subject to the assessment limitations set forth in subsections (a) through (d) shall change only as provided in this subsection.

(1) Assessments subject to this subsection shall be changed annually on the date of assessment provided by law; but those changes in assessments shall not exceed ten percent (10%) of the assessment for the prior year.

(2) No assessment shall exceed just value.

(3) After a change of ownership or control, as defined by general law, including any change of ownership of a legal entity that owns the property, such property shall be assessed at just value as of the next assessment date. Thereafter, such property shall be assessed as provided in this subsection.

(4) Changes, additions, reductions, or improvements to such property shall be assessed as provided for by general law; however, after the adjustment for any change, addition, reduction, or improvement, the property shall be assessed as provided in this subsection.

(2) No assessment shall exceed just value.

(3) The legislature must provide that such property shall be assessed at just value as of the next assessment date after a qualifying improvement, as defined by general law, is made to such property. Thereafter, such property shall be assessed as provided in this subsection.

(4) The legislature may provide that such property shall be assessed at just value as of the next assessment date after

a change of ownership or control, as defined by general law, including any change of ownership of the legal entity that owns the property. Thereafter, such property shall be assessed as provided in this subsection.

(5) Changes, additions, reductions, or improvements to such property shall be assessed as provided for by general law; however, after the adjustment for any change, addition, reduction, or improvement, the property shall be assessed as provided in this subsection.

(1) Any change or improvement to real property used for residential purposes made to improve the property's resistance to wind damage.

(2) The installation of a solar or renewable energy source device.

²(j)(1) The assessment of the following working waterfront properties shall be based upon the current use of the property:

b. Land that is accessible to the public and used for vessel launches into waters that are navigable.

c. Marinas and drystacks that are open to the public.

d. Water-dependent marine manufacturing facilities, commercial fishing facilities, and marine vessel construction and repair facilities and their support activities.

A. This subsection, originally designated (h) by Revision No. 3 of the Taxation and Budget Reform Commission, 2008, was redesignated (i) by the editors to conform to the redesignation of subsections by Revision No. 4 of the Taxation and Budget Reform Commission, 2008.

B. Section 34, Art. XII, State Constitution, provides in part that "the amendment to subsection (i) of Section 4 of Article VII authorizing the legislature, by general law, to prohibit the consideration of the installation of a solar device or a renewable energy source device in determining the assessed value of real property for the purpose of ad valorem taxation shall take effect on January 1, 2018, and shall expire on December 31, 2037. Effective December 31, 2037, s. 4(i), Art. VII, State Constitution, will read:

(i) The legislature, by general law and subject to conditions specified therein, may prohibit the consideration of the following in the determination of the assessed value of real property used for residential purposes:

SECTION 5. Estate, inheritance and income taxes.—

(a) **NATURAL PERSONS.** No tax upon estates or inheritances or upon the income of natural persons who are residents or citizens of the state shall be levied by the state, or under its authority, in excess of the aggregate of amounts which may be allowed to be credited upon or deducted from any similar tax levied by the United States or any state.

(b) **OTHERS.** No tax upon the income of residents and citizens other than natural persons shall be levied by the state, or under its authority, in excess of 5% of net income, as defined by law, or at such greater rate as is authorized by a three-fifths (⅔) vote of the membership of each house of the legislature or as will provide for the state the maximum amount which may be allowed to be credited against income taxes levied by the United States and other states. There shall be exempt from taxation not less than five thousand dollars (\$5,000) of the excess of net income subject to tax over the maximum amount allowed to be credited against income taxes levied by the United States and other states.

(c) **EFFECTIVE DATE.** This section shall become effective immediately upon approval by the electors of Florida.

History.—Am. H.J.R. 7-B, 1971; adopted 1971.

SECTION 6. Homestead exemptions.—

(a) Every person who has the legal or equitable title to real estate and maintains thereon the permanent residence of the owner, or another legally or naturally dependent upon the owner, shall be exempt from taxation thereon, except assessments for special benefits, up to the assessed valuation of twenty-five thousand dollars and, for all levies other than school district

levies, on the assessed valuation greater than fifty thousand dollars and up to seventy-five thousand dollars, upon establishment of right thereto in the manner prescribed by law. The real estate may be held by legal or equitable title, by the entireties, jointly, in common, as a condominium, or indirectly by stock ownership or membership representing the owner's or member's proprietary interest in a corporation owning a fee or a leasehold initially in excess of ninety-eight years. The exemption shall not apply with respect to any assessment roll until such roll is first determined to be in compliance with the provisions of section 4 by a state agency designated by general law. This exemption is repealed on the effective date of any amendment to this Article which provides for the assessment of homestead property at less than just value.

(b) Not more than one exemption shall be allowed any individual or family unit or with respect to any residential unit. No exemption shall exceed the value of the real estate assessable to the owner or, in case of ownership through stock or membership in a corporation, the value of the proportion which the interest in the corporation bears to the assessed value of the property.

(c) By general law and subject to conditions specified therein, the Legislature may provide to renters, who are permanent residents, ad valorem tax relief on all ad valorem tax levies. Such ad valorem tax relief shall be in the form and amount established by general law.

(d) The legislature may, by general law, allow counties or municipalities, for the purpose of their respective tax levies and subject to the provisions of general law, to grant either or both of the following additional homestead tax exemptions:

(1) An exemption not exceeding fifty thousand dollars to a person who has the legal or equitable title to real estate and maintains thereon the permanent residence of the owner, who has attained age sixty-five, and whose household income, as defined by general law, does not exceed twenty thousand dollars; or

(2) An exemption equal to the assessed value of the property to a person who has the legal or equitable title to real estate with a just value less than two hundred and fifty thousand dollars, as determined in the first tax year that the owner applies and is eligible for the exemption, and who has maintained thereon the permanent

residence of the owner for not less than twenty-five years, who has attained age sixty-five, and whose household income does not exceed the income limitation prescribed in paragraph (1).

The general law must allow counties and municipalities to grant these additional exemptions, within the limits prescribed in this subsection, by ordinance adopted in the manner prescribed by general law, and must provide for the periodic adjustment of the income limitation prescribed in this subsection for changes in the cost of living.

(e)(1) Each veteran who is age 65 or older who is partially or totally permanently disabled shall receive a discount from the amount of the ad valorem tax otherwise owed on homestead property the veteran owns and resides in if the disability was combat related and the veteran was honorably discharged upon separation from military service. The discount shall be in a percentage equal to the percentage of the veteran's permanent, service-connected disability as determined by the United States Department of Veterans Affairs. To qualify for the discount granted by this paragraph, an applicant must submit to the county property appraiser, by March 1, an official letter from the United States Department of Veterans Affairs stating the percentage of the veteran's service-connected disability and such evidence that reasonably identifies the disability as combat related and a copy of the veteran's honorable discharge. If the property appraiser denies the request for a discount, the appraiser must notify the applicant in writing of the reasons for the denial, and the veteran may reapply. The Legislature may, by general law, waive the annual application requirement in subsequent years.

(2) If a veteran who receives the discount described in paragraph (1) predeceases his or her spouse, and if, upon the death of the veteran, the surviving spouse holds the legal or beneficial title to the homestead property and permanently resides thereon, the discount carries over to the surviving spouse until he or she remarries or sells or otherwise disposes of the homestead property. If the surviving spouse sells or otherwise disposes of the property, a discount not to exceed the dollar amount granted from the most recent ad valorem tax roll may be transferred to the surviving spouse's new homestead property, if used as his or her permanent residence and he or she has not remarried.

(3) This subsection is self-executing and does not require implementing legislation.

(f) By general law and subject to conditions and limitations specified therein, the Legislature may provide ad valorem tax relief equal to the total amount or a portion of the ad valorem tax otherwise owed on homestead property to:

(1) The surviving spouse of a veteran who died from service-connected causes while on active duty as a member of the United States Armed Forces.

(2) The surviving spouse of a first responder who died in the line of duty.

(3) A first responder who is totally and permanently disabled as a result of an injury or injuries sustained in the line of duty. Causal connection between a disability and service in the line of duty shall not be presumed but must be determined as provided by general law. For purposes of this paragraph, the term "disability" does not include a chronic condition or chronic disease, unless the injury sustained in the line of duty was the sole cause of the chronic condition or chronic disease.

As used in this subsection and as further defined by general law, the term "first responder" means a law enforcement officer, a correctional officer, a firefighter, an emergency medical technician, or a paramedic, and the term "in the line of duty" means arising out of and in the actual performance of duty required by employment as a first responder.

SECTION 7. Allocation of pari-mutuel taxes.—Taxes upon the operation of pari-mutuel pools may be preempted to the state or allocated in whole or in part to the counties. When allocated to the counties, the distribution shall be in equal amounts to the several counties.

SECTION 8. Aid to local governments.—State funds may be appropriated to the several counties, school districts, municipalities or special districts upon such conditions as may be provided by general law. These conditions may include the use of relative ad valorem assessment levels

determined by a state agency designated by general law.

(a) Counties, school districts, and municipalities shall, and special districts may, be authorized by law to levy ad valorem taxes and may be authorized by general law to levy other taxes, for their respective purposes, except ad valorem taxes on intangible personal property and taxes prohibited by this constitution.

(b) Ad valorem taxes, exclusive of taxes levied for the payment of bonds and taxes levied for periods not longer than two years when authorized by vote of the electors who are the owners of freeholds therein not wholly exempt from taxation, shall not be levied in excess of the following millages upon the assessed value of real estate and tangible personal property: for all county purposes, ten mills; for all municipal purposes, ten mills; for all school purposes, ten mills; for water management purposes for the northwest portion of the state lying west of the line between ranges two and three east, 0.05 mill; for water management purposes for the remaining portions of the state, 1.0 mill; and for all other special districts a millage authorized by law approved by vote of the electors who are owners of freeholds therein not wholly exempt from taxation. Neither the state nor any county, school district, municipality, special district, or agency of any of them, shall become a joint owner with, or stockholder of, or give, lend or use its taxing power or credit to aid any corporation, association, partnership or person; but this shall not prohibit laws authorizing:

(a) the investment of public trust funds;

(b) the investment of other public funds in obligations of, or insured by, the United States or any of its instrumentalities;

(c) the issuance and sale by any county, municipality, special district or other local governmental body of (1) revenue bonds to finance or refinance the cost of capital projects for airports or port facilities, or (2) revenue bonds to finance or refinance the cost of capital projects for

industrial or manufacturing plants to the extent that the interest thereon is exempt from income taxes under the then existing laws of the United States, when, in either case, the revenue bonds are payable solely from revenue derived from the sale, operation or leasing of the projects. If any project so financed, or any part thereof, is occupied or operated by any private corporation, association, partnership or person pursuant to contract or lease with the issuing body, the property interest created by such contract or lease shall be subject to taxation to the same extent as other privately owned property.

(d) a municipality, county, special district, or agency of any of them, being a joint owner of, giving, or lending or using its taxing power or credit for the joint ownership, construction and operation of electrical energy generating or transmission facilities with any corporation, association, partnership or person.

SECTION 11. State bonds; revenue bonds.—

(a) State bonds pledging the full faith and credit of the state may be issued only to finance or refinance the cost of state fixed capital outlay projects authorized by law, and purposes incidental thereto, upon approval by a vote of the electors; provided state bonds issued pursuant to this subsection may be refunded without a vote of the electors at a lower net average interest cost rate. The total outstanding principal of state bonds issued pursuant to this subsection shall never exceed fifty percent of the total tax revenues of the state for the two preceding fiscal years, excluding any tax revenues held in trust under the provisions of this constitution.

(b) Moneys sufficient to pay debt service on state bonds as the same becomes due shall be appropriated by law.

(c) Any state bonds pledging the full faith and credit of the state issued under this section or any other section of this constitution may be combined for the purposes of sale.

(d) Revenue bonds may be issued by the state or its agencies without a vote of the electors to finance or refinance the cost of state fixed capital outlay projects authorized by law, and purposes incidental thereto, and shall be payable solely from funds derived directly from sources other than state tax revenues.

(f) Each project, building, or facility to be financed or refinanced with revenue bonds issued under this section shall first be approved by the Legislature by an act relating to appropriations or by general law.

History.—Am. C.S. for C.S. for S.J.R. 612, 1984; adopted 1984; Am. proposed by Constitution Revision Commission, Revision No. 5, 1998, filed with the Secretary of State May 5, 1998; adopted 1998.

SECTION 12. Local bonds.—Counties, school districts, municipalities, special districts and local governmental bodies with taxing powers may issue bonds, certificates of indebtedness or any form of tax anticipation certificates, payable from ad valorem taxation and maturing more than twelve months after issuance only:

(a) to finance or refinance capital projects authorized by law and only when approved by vote of the electors who are owners of freeholds therein not wholly exempt from taxation; or

(b) to refund outstanding bonds and interest and redemption premium thereon at a lower net average interest cost rate.

SECTION 13. Relief from illegal taxes.—Until payment of all taxes which have been legally assessed upon the property of the same owner, no court shall grant relief from the payment of any tax that may be illegal or illegally assessed.

SECTION 14. Bonds for pollution control and abatement and other water facilities.—

(a) When authorized by law, state bonds pledging the full faith and credit of the state may be issued without an election to finance the construction of air and water pollution control and abatement and solid waste disposal facilities and other water facilities authorized by general law (herein referred to as “facilities”) to be operated by any municipality, county, district or authority, or any agency thereof (herein referred to as “local governmental agencies”), or by any agency of the State of Florida. Such bonds shall be secured by a pledge of and shall be payable primarily from all or any

part of revenues to be derived from operation of such facilities, special assessments, rentals to be received under lease-purchase agreements herein provided for, any other revenues that may be legally available for such purpose, including revenues from other facilities, or any combination thereof (herein collectively referred to as “pledged revenues”), and shall be additionally secured by the full faith and credit of the State of Florida.

(b) No such bonds shall be issued unless a state fiscal agency, created by law, has made a determination that in no state fiscal year will the debt service requirements of the bonds proposed to be issued and all other bonds secured by the pledged revenues exceed seventy-five per cent of the pledged revenues.

(c) The state may lease any of such facilities to any local governmental agency, under lease-purchase agreements for such periods and under such other terms and conditions as may be mutually agreed upon. The local governmental agencies may pledge the revenues derived from such leased facilities or any other available funds for the payment of rentals thereunder; and, in addition, the full faith and credit and taxing power of such local governmental agencies may be pledged for the payment of such rentals without any election of freeholder electors or qualified electors.

(d) The state may also issue such bonds for the purpose of loaning money to local governmental agencies, for the construction of such facilities to be owned or operated by any of such local governmental agencies. Such loans shall bear interest at not more than one-half of one per cent per annum greater than the last preceding issue of state bonds pursuant to this section, shall be secured by the pledged revenues, and may be additionally secured by the full faith and credit of the local governmental agencies.

(e) The total outstanding principal of state bonds issued pursuant to this section 14 shall never exceed fifty per cent of the total tax revenues of the state for the two preceding fiscal years.

(a) When authorized by law, revenue bonds may be issued to establish a fund to make loans to students determined eligible

as prescribed by law and who have been admitted to attend any public or private institutions of higher learning, junior colleges, health related training institutions, or vocational training centers, which are recognized or accredited under terms and conditions prescribed by law. Revenue bonds issued pursuant to this section shall be secured by a pledge of and shall be payable primarily from payments of interest, principal, and handling charges to such fund from the recipients of the loans and, if authorized by law, may be additionally secured by student fees and by any other moneys in such fund. There shall be established from the proceeds of each issue of revenue bonds a reserve account in an amount equal to and sufficient to pay the greatest amount of principal, interest, and handling charges to become due on such issue in any ensuing state fiscal year.

(b) Interest moneys in the fund established pursuant to this section, not required in any fiscal year for payment of debt service on then outstanding revenue bonds or for maintenance of the reserve account, may be used for educational loans to students determined to be eligible therefor in the manner provided by law, or for such other related purposes as may be provided by law.

History.—Added, H.J.R. 46-D, 1971; adopted 1972.

(b) The bonds shall be secured by a pledge of and shall be payable primarily from all or any part of revenues to be derived from the financing, operation or sale of such facilities, mortgage or loan payments, and any other revenues or assets that may be legally available for such purposes derived from sources other than ad valorem taxation, including revenues from other facilities, or any combination thereof, herein collectively referred to as “pledged revenues,” provided that in no event shall the full faith and credit of the state be pledged to secure such revenue bonds.

(c) No bonds shall be issued unless a state fiscal agency, created by law, has made a determination that in no state fiscal year will the debt service requirements of the bonds proposed to be issued and all

other bonds secured by the same pledged revenues exceed the pledged revenues available for payment of such debt service requirements, as defined by law.

History.—Added, S.J.R. 6-E, 1980; adopted 1980.

SECTION 17. Bonds for acquiring transportation right-of-way or for constructing bridges.—

(a) When authorized by law, state bonds pledging the full faith and credit of the state may be issued, without a vote of the electors, to finance or refinance the cost of acquiring real property or the rights to real property for state roads as defined by law, or to finance or refinance the cost of state bridge construction, and purposes incidental to such property acquisition or state bridge construction.

(b) Bonds issued under this section shall be secured by a pledge of and shall be payable primarily from motor fuel or special fuel taxes, except those defined in Section 9(c) of Article XII, as provided by law, and shall additionally be secured by the full faith and credit of the state.

(c) No bonds shall be issued under this section unless a state fiscal agency, created by law, has made a determination that in no state fiscal year will the debt service requirements of the bonds proposed to be issued and all other bonds secured by the same pledged revenues exceed ninety percent of the pledged revenues available for payment of such debt service requirements, as defined by law. For the purposes of this subsection, the term “pledged revenues” means all revenues pledged to the payment of debt service, excluding any pledge of the full faith and credit of the state.

SECTION 18. Laws requiring counties or municipalities to spend funds or limiting their ability to raise revenue or receive state tax revenue.—

(a) No county or municipality shall be bound by any general law requiring such county or municipality to spend funds or to take an action requiring the expenditure of funds unless the legislature has determined that such law fulfills an important state interest and unless: funds have been appropriated that have been estimated at the time of enactment to be sufficient to fund such expenditure; the legislature authorizes or has authorized a county or municipality to enact a funding source not

available for such county or municipality on February 1, 1989, that can be used to generate the amount of funds estimated to be sufficient to fund such expenditure by a simple majority vote of the governing body of such county or municipality; the law requiring such expenditure is approved by two-thirds of the membership in each house of the legislature; the expenditure is required to comply with a law that applies to all persons similarly situated, including the state and local governments; or the law is either required to comply with a federal requirement or required for eligibility for a federal entitlement, which federal requirement specifically contemplates actions by counties or municipalities for compliance.

(b) Except upon approval of each house of the legislature by two-thirds of the membership, the legislature may not enact, amend, or repeal any general law if the anticipated effect of doing so would be to reduce the authority that municipalities or counties have to raise revenues in the aggregate, as such authority exists on February 1, 1989.

(c) Except upon approval of each house of the legislature by two-thirds of the membership, the legislature may not enact, amend, or repeal any general law if the anticipated effect of doing so would be to reduce the percentage of a state tax shared with counties and municipalities as an aggregate on February 1, 1989. The provisions of this subsection shall not apply to enhancements enacted after February 1, 1989, to state tax sources, or during a fiscal emergency declared in a written joint proclamation issued by the president of the senate and the speaker of the house of representatives, or where the legislature provides additional state-shared revenues which are anticipated to be sufficient to replace the anticipated aggregate loss of state-shared revenues resulting from the reduction of the percentage of the state tax shared with counties and municipalities, which source of replacement revenues shall be subject to the same requirements for repeal or modification as provided herein for a state-shared tax source existing on February 1, 1989.

(d) Laws adopted to require funding of pension benefits existing on the effective date of this section, criminal laws, election laws, the general appropriations act, special appropriations acts, laws reauthorizing but not expanding then-existing statutory authority, laws having insignificant fiscal impact, and laws creating, modifying, or

repealing noncriminal infractions, are exempt from the requirements of this section.

(e) The legislature may enact laws to assist in the implementation and enforcement of this section.

History.—Added, C.S. for C.S. for C.S. for H.J.R.'s 139, 40, 1989; adopted 1990.

SECTION 19. Supermajority vote required to impose, authorize, or raise state taxes or fees.—

(a) SUPERMAJORITY VOTE REQUIRED TO IMPOSE OR AUTHORIZE NEW STATE TAX OR FEE. No new state tax or fee may be imposed or authorized by the legislature except through legislation approved by two-thirds of the membership of each house of the legislature and presented to the Governor for approval pursuant to Article III, Section 8.

(b) SUPERMAJORITY VOTE REQUIRED TO RAISE STATE TAXES OR FEES. No state tax or fee may be raised by the legislature except through legislation approved by two-thirds of the membership of each house of the legislature and presented to the Governor for approval pursuant to Article III, Section 8.

(c) APPLICABILITY. This section does not authorize the imposition of any state tax or fee otherwise prohibited by this Constitution, and does not apply to any tax or fee imposed by, or authorized to be imposed by, a county, municipality, school board, or special district.

(d) DEFINITIONS. As used in this section, the following terms shall have the following meanings:

(1) “Fee” means any charge or payment required by law, including any fee for service, fee or cost for licenses, and charge for service.

(2) “Raise” means:

a. To increase or authorize an increase in the rate of a state tax or fee imposed on a percentage or per mill basis;

b. To increase or authorize an increase in the amount of a state tax or fee imposed on a flat or fixed amount basis; or

c. To decrease or eliminate a state tax or fee exemption or credit.

(e) SINGLE-SUBJECT. A state tax or fee imposed, authorized, or raised under this section must be contained in a separate bill that contains no other subject.

¹(d) COUNTY OFFICERS. There shall be elected by the electors of each county, for terms of four years, a sheriff, a tax collector, a property appraiser, a supervisor of elections, and a clerk of the circuit court. Unless otherwise provided by special law approved by vote of the electors or pursuant to Article V, section 16, the clerk of the circuit court shall be ex officio clerk of the board of county commissioners, auditor, recorder and custodian of all county funds. (e) COMMISSIONERS. Except when otherwise provided by county charter, the governing body of each county shall be a board of county commissioners composed of five or seven members serving staggered terms of four years. After each decennial census the board of county commissioners shall divide the county into districts of contiguous territory as nearly equal in population as practicable.

One commissioner residing in each district shall be elected as provided by law.

(f) NON-CHARTER GOVERNMENT. Counties not operating under county charters shall have such power of self-government as is provided by general or special law. (g) **SELECTION AND DUTIES OF COUNTY OFFICERS.**

(1) Except as provided in this subsection, the amendment to Section 1 of this article, relating to the selection and duties of county officers, shall take effect January 5, 2021, but shall govern with respect to the qualifying for and the holding of the primary and general elections for county constitutional officers in 2020.

(2) For Miami-Dade County and Broward County, the amendment to Section 1 of this article, relating to the selection and duties of county officers, shall take effect January 7, 2025, but shall govern with respect to the qualifying for and the holding of the primary and general elections for county constitutional officers in 2024.

Prior to the amendment of s. 1, Art. VIII, State Constitution, by Constitution Revision Commission, Revision No. 5 (2018), s. 1(d), Art. VIII, read:

(d) **COUNTY OFFICERS.** There shall be elected by the electors of each county, for terms of four years, a sheriff, a tax collector, a property appraiser, a supervisor of elections, and a clerk of the circuit court; except, when provided by county charter or special law approved by vote of the electors of the county, any county officer may be chosen in another manner therein specified, or any county office may be abolished when all the duties of the office prescribed by general law are transferred to another office. When not otherwise provided by county charter or special law approved by vote of the electors, the clerk of the circuit court shall be ex officio clerk of the board of county commissioners, auditor, recorder and custodian of all county funds.

The consolidation plan may be proposed only by special law, which shall become effective if approved by vote of the electors of the county, or of the county and municipalities affected, as may be provided in the plan. Consolidation shall not extend the territorial scope of taxation for the payment of pre-existing debt except to areas whose residents receive a benefit

from the facility or service for which the indebtedness was incurred.

SECTION 4. Transfer of powers.—By

law or by resolution of the governing bodies of each of the governments affected, any function or power of a county, municipality or special district may be transferred to or contracted to be performed by another county, municipality or special district, after approval by vote of the electors of the transferor and approval by vote of the electors of the transferee, or as otherwise provided by law.

SECTION 5. Local option.—

(a) Local option on the legality or prohibition of the sale of intoxicating liquors, wines or beers shall be preserved to each county. The status of a county with respect thereto shall be changed only by vote of the electors in a special election called upon the petition of twenty-five per cent of the electors of the county, and not sooner than two years after an earlier election on the same question. Where legal, the sale of intoxicating liquors, wines and beers shall be regulated by law.

(b) Each county shall have the authority to require a criminal history records check and a 3 to 5-day waiting period, excluding weekends and legal holidays, in connection with the sale of any firearm occurring within such county. For purposes of this subsection, the term “sale” means the transfer of money or other valuable consideration for any firearm when any part of the transaction is conducted on property to which the public has the right of access. Holders of a concealed weapons permit as prescribed by general law shall not be subject to the provisions of this subsection when purchasing a firearm.

Article VIII, Sections 19, 210, 311 and 424, of the Constitution of 1885, as amended, shall remain in full force and effect as to each county affected, as if this article had not been adopted, until that county shall expressly adopt a charter or home rule plan pursuant to this article. All provisions of the Metropolitan Dade County Home Rule Charter, heretofore or hereafter adopted by the electors of Dade County pursuant to 3Article VIII, Section 11, of the Constitution of 1885, as amended, shall be valid, and any amendments to such charter shall be valid; provided that the said provisions of such charter and the said amendments thereto are authorized under said 3Article VIII, Section 11, of the Constitution of 1885, as amended.

The state legislature may by statute or the state Agency for Workforce Innovation may by regulation adopt any measures appropriate for the implementation of this amendment. This amendment provides for payment of a minimum wage and shall not be construed to preempt or otherwise limit the authority of the state legislature or any other public body to adopt or enforce any other law, regulation, requirement, policy or standard that provides for payment of higher or supplemental wages or benefits, or that extends such protections to employers or employees not covered by this amendment. It is intended that case law,

administrative interpretations, and other guiding standards developed under the federal FLSA shall guide the construction of this amendment and any implementing statutes or regulations.

(g) SEVERABILITY. If any part of this amendment, or the application of this amendment to any person or circumstance, is held invalid, the remainder of this amendment, including the application of such part to other persons or circumstances, shall not be affected by such a holding and shall continue in full force and effect. To this end, the parts of this amendment are severable.

A physician certification may only be provided after the physician has conducted a physical examination and a full assessment of the medical history of the patient. In order for a physician certification to be issued to a minor, a parent or legal guardian of the minor must consent in writing.

(10) “Qualifying patient” means a person who has been diagnosed to have a debilitating medical condition, who has a physician certification and a valid qualifying patient identification card. If the Department does not begin issuing identification cards within nine (9) months after the effective date of this section, then a valid physician certification will serve as a patient identification card in order to allow a person to become a “qualifying patient” until the Department begins issuing identification cards.

(c) LIMITATIONS.

(1) Nothing in this section allows for a violation of any law other than for conduct in compliance with the provisions of this section.

(2) Nothing in this section shall affect or repeal laws relating to non-medical use, possession, production, or sale of marijuana.

(3) Nothing in this section authorizes the use of medical marijuana by anyone other than a qualifying patient.

(4) Nothing in this section shall permit the operation of any vehicle, aircraft, train or boat while under the influence of marijuana.

(5) Nothing in this section requires the violation of federal law or purports to give immunity under federal law.

(6) Nothing in this section shall require any accommodation of any on-site medical use of marijuana in any correctional institution or detention facility or place of education or employment, or of smoking medical marijuana in any public place.

(7) Nothing in this section shall require any health insurance provider or any government agency or authority to reimburse any person for expenses related to the medical use of marijuana.

(8) Nothing in this section shall affect or repeal laws relating to negligence or professional malpractice on the part of a qualified patient, caregiver, physician, MMTC, or its agents or employees.

(d) **DUTIES OF THE DEPARTMENT.** The Department shall issue reasonable regulations necessary for the implementation and enforcement of this section. The purpose of the regulations is to ensure the availability and safe use of medical marijuana by qualifying patients. It is the duty of the Department to promulgate regulations in a timely fashion.

(1) **Implementing Regulations.** In order to allow the Department sufficient time after passage of this section, the following regulations shall be promulgated no later than six (6) months after the effective date of this section:

a. Procedures for the issuance and annual renewal of qualifying patient identification cards to people with physician certifications and standards for renewal of such identification cards. Before issuing an identification card to a minor, the Department must receive written consent from the minor's parent or legal guardian, in addition to the physician certification.

b. Procedures establishing qualifications and standards for caregivers, including conducting appropriate background checks, and procedures for the issuance and annual renewal of caregiver identification cards.

c. Procedures for the registration of MMTCs that include procedures for the issuance, renewal, suspension and revocation of registration, and standards to ensure proper security, record keeping, testing, labeling, inspection, and safety.

d. A regulation that defines the amount of marijuana that could reasonably be presumed to be an adequate supply for qualifying patients' medical use, based on the best available evidence. This presumption as to quantity may be overcome with evidence of a particular qualifying patient's appropriate medical use.

(2) **Identification cards and registrations.** The Department shall begin issuing qualifying patient and caregiver identification cards, and registering MMTCs no later than nine (9) months after the effective date of this section.

(3) If the Department does not issue regulations, or if the Department does not begin issuing identification cards and registering MMTCs within the time limits set in this section, any Florida citizen shall have standing to seek judicial relief to compel compliance with the Department's constitutional duties.

(4) The Department shall protect the confidentiality of all qualifying patients. All records containing the identity of qualifying patients shall be confidential and kept from public disclosure other than for valid medical or law enforcement purposes.

(e) **LEGISLATION.** Nothing in this section shall limit the legislature from enacting laws consistent with this section.

(f) **SEVERABILITY.** The provisions of this section are severable and if any clause, sentence, paragraph or section of this measure, or an application thereof, is adjudged invalid by a court of competent jurisdiction other provisions shall continue to be in effect to the fullest extent possible.

SECTION 30. Voter control of gambling in Florida.—

(a) This amendment ensures that Florida voters shall have the exclusive right to decide whether to authorize casino gambling in the State of Florida. This amendment requires a vote by citizens' initiative pursuant to Article XI, section 3, in order for casino gambling to be authorized under Florida law. This section amends this Article; and also affects Article XI, by making citizens' initiatives the exclusive method of authorizing casino gambling.

(b) As used in this section, “casino gambling” means any of the types of games typically found in casinos and that are within the definition of Class III gaming in the Federal Indian Gaming Regulatory Act, 25 U.S.C. ss. 2701 et seq. (“IGRA”), and in 25 C.F.R. s. 502.4, upon adoption of this amendment, and any that are added to such definition of Class III gaming in the future. This includes, but is not limited to, any house banking game, including but not limited to card games such as baccarat, chemin de fer, blackjack (21), and pai gow (if played as house banking games); any player-banked game that simulates a house banking game, such as California black jack; casino games such as roulette, craps, and keno; any slot machines as defined in 15 U.S.C. s. 1171(a)(1); and any other game not authorized by Article X, section 15, whether or not defined as a slot machine, in which outcomes are determined by random number generator or are similarly assigned randomly, such as instant or historical racing. As used herein, “casino gambling” includes any electronic gambling devices, simulated gambling devices, video lottery devices, internet sweepstakes devices, and any other form of electronic or electromechanical facsimiles of any game of chance, slot machine, or casino-style game, regardless of how such devices are defined under IGRA. As used herein, “casino gambling” does not include pari-mutuel wagering on horse racing, dog racing, or jai alai exhibitions. For purposes of this section, “gambling” and “gaming” are synonymous.

(c) Nothing herein shall be deemed to limit the right of the Legislature to exercise its authority through general law to restrict, regulate, or tax any gaming or gambling activities. In addition, nothing herein shall be construed to limit the ability of the state or Native American tribes to negotiate gaming compacts pursuant to the Federal Indian Gaming Regulatory Act for the conduct of casino gambling on tribal lands, or to affect any existing gambling on tribal lands pursuant to compacts executed by the state and Native American tribes pursuant to IGRA.

(d) This section is effective upon approval by the voters, is self-executing, and no Legislative implementation is required.

(e) If any part of this section is held invalid for any reason, the remaining portion or portions shall be severed from the

invalid portion and given the fullest possible force and effect.

SECTION 31. Death benefits for survivors of first responders and military members.—

(a) A death benefit shall be paid by the employing agency when a firefighter; a paramedic; an emergency medical technician; a law enforcement, correctional, or correctional probation officer; or a member of the Florida National Guard, while engaged in the performance of their official duties, is:

(1) Accidentally killed or receives accidental bodily injury which results in the loss of the individual’s life, provided that such killing is not the result of suicide and that such bodily injury is not intentionally self-inflicted; or

(2) Unlawfully and intentionally killed or dies as a result of such unlawful and intentional act or is killed during active duty.

(b) A death benefit shall be paid by funds from general revenue when an active duty member of the United States Armed Forces is:

(1) Accidentally killed or receives accidental bodily injury which results in the loss of the individual’s life, provided that such killing is not the result of suicide and that such bodily injury is not intentionally self-inflicted; or

(2) Unlawfully and intentionally killed or dies as a result of such unlawful and intentional act or is killed during active duty.

(c) If a firefighter; a paramedic; an emergency medical technician; a law enforcement, correctional, or correctional probation officer; or an active duty member of the Florida National Guard or United States Armed Forces is accidentally killed as specified in paragraphs (a)(1) and (b)(1), or unlawfully and intentionally killed as specified in paragraphs (a)(2) and (b)(2), the state shall waive certain educational expenses that the child or spouse of the deceased first responder or military member incurs while obtaining a career certificate, an undergraduate education, or a postgraduate education.

(d) An eligible first responder must have been working for the State of Florida or any of its political subdivisions or agencies at the time of death. An eligible military member must have been a resident of this state or his or her duty post must

have been within this state at the time of death.

(e) The legislature shall implement this section by general law.

History.—Proposed by Constitution Revision Commission, Revision No. 2, 2018, filed with the Secretary of State May 9, 2018; adopted 2018.

SECTION 32. Prohibition on racing of and wagering on greyhounds or other dogs.—The humane treatment of animals is a fundamental value of the people of the State of Florida. After December 31, 2020, a person authorized to conduct gaming or pari-mutuel operations may not race greyhounds or any member of the *Canis Familiaris* subspecies in connection with any wager for money or any other thing of value in this state, and persons in this state may not wager money or any other thing of value on the outcome of a live dog race occurring in this state. The failure to conduct greyhound racing or wagering on greyhound racing after December 31, 2018, does not constitute grounds to revoke or deny renewal of other related gaming licenses held by a person who is a licensed greyhound permitholder on January 1, 2018, and does not affect the eligibility of such permitholder, or such permitholder's facility, to conduct other pari-mutuel activities authorized by general law. By general law, the legislature shall specify civil or criminal penalties for violations of this section and for activities that aid or abet violations of this section.

SECTION 9. Bonds.—

(a) **ADDITIONAL SECURITIES.**

(1) ¹Article IX, Section 17, of the Constitution of 1885, as amended, as it existed immediately before this Constitution, as revised in 1968, became effective, is adopted by this reference as a part of this revision as completely as though incorporated herein verbatim, except revenue bonds, revenue certificates or other evidences of indebtedness hereafter issued thereunder may be issued by the agency of the state so authorized by law.

(2) That portion of ²Article XII, Section 9, Subsection (a) of this Constitution, as amended, which by reference adopted ³Article XII, Section 19 of the Constitution of 1885, as amended, as the same existed immediately before the effective date of this amendment is adopted by this reference as part of this revision as completely as though incorporated herein verbatim, for

the purpose of providing that after the effective date of this amendment all of the proceeds of the revenues derived from the gross receipts taxes, as therein defined, collected in each year shall be applied as provided therein to the extent necessary to comply with all obligations to or for the benefit of holders of bonds or certificates issued before the effective date of this amendment or any refundings thereof which are secured by such gross receipts taxes. No bonds or other obligations may be issued pursuant to the provisions of ³Article XII, Section 19, of the Constitution of 1885, as amended, but this provision shall not be construed to prevent the refunding of any such outstanding bonds or obligations pursuant to the provisions of this subsection (a)(2).

Subject to the requirements of the first paragraph of this subsection (a)(2), beginning July 1, 1975, all of the proceeds of the revenues derived from the gross receipts taxes collected from every person, including municipalities, as provided and levied pursuant to the provisions of chapter 203, Florida Statutes, as such chapter is amended from time to time, shall, as collected, be placed in a trust fund to be known as the "public education capital outlay and debt service trust fund" in the state treasury (hereinafter referred to as "capital outlay fund"), and used only as provided herein.

The capital outlay fund shall be administered by the state board of education as created and constituted by Section 2 of Article IX of the Constitution of Florida as revised in 1968 (hereinafter referred to as "state board"), or by such other instrumentality of the state which shall hereafter succeed by law to the powers, duties and functions of the state board, including the powers, duties and functions of the state board provided in this subsection (a)(2). The state board shall be a body corporate and shall have all the powers provided herein in addition to all other constitutional and statutory powers related to the purposes of this subsection (a)(2) heretofore or hereafter conferred by law upon the state board, or its predecessor created by the Constitution of 1885, as amended.

State bonds pledging the full faith and credit of the state may be issued, without a vote of the electors, by the state board pursuant to law to finance or refinance capital projects theretofore authorized by the legislature, and any purposes appurtenant or incidental thereto, for the state

system of public education provided for in Section 1 of Article IX of this Constitution (hereinafter referred to as "state system"), including but not limited to institutions of higher learning, community colleges, vocational technical schools, or public schools, as now defined or as may hereafter be defined by law. All such bonds shall mature not later than thirty years after the date of issuance thereof. All other details of such bonds shall be as provided by law or by the proceedings authorizing such bonds; provided, however, that no bonds, except refunding bonds, shall be issued, and no proceeds shall be expended for the cost of any capital project, unless such project has been authorized by the legislature.

Bonds issued pursuant to this subsection (a)(2) shall be primarily payable from such revenues derived from gross receipts taxes, and shall be additionally secured by the full faith and credit of the state. No such bonds shall ever be issued in an amount exceeding ninety percent of the amount which the state board determines can be serviced by the revenues derived from the gross receipts taxes accruing thereafter under the provisions of this subsection (a)(2), and such determination shall be conclusive.

The moneys in the capital outlay fund in each fiscal year shall be used only for the following purposes and in the following order of priority:

a. For the payment of the principal of and interest on any bonds due in such fiscal year;

b. For the deposit into any reserve funds provided for in the proceedings authorizing the issuance of bonds of any amounts required to be deposited in such reserve funds in such fiscal year;

c. For direct payment of the cost or any part of the cost of any capital project for the state system theretofore authorized by the legislature, or for the purchase or redemption of outstanding bonds in accordance with the provisions of the proceedings which authorized the issuance of such bonds, or for the purpose of maintaining, restoring, or repairing existing public educational facilities.

(b) REFUNDING BONDS. Revenue bonds to finance the cost of state capital projects issued prior to the date this revision becomes effective, including projects of the Florida state turnpike authority or its successor but excluding all portions of the state highway system, may be refunded as provided by law without vote of the electors

at a lower net average interest cost rate by the issuance of bonds maturing not later than the obligations refunded, secured by the same revenues only.

(c) MOTOR VEHICLE FUEL TAXES.

(1) A state tax, designated "second gas tax," of two cents per gallon upon gasoline and other like products of petroleum and an equivalent tax upon other sources of energy used to propel motor vehicles as levied by ⁴Article IX, Section 16, of the Constitution of 1885, as amended, is hereby continued. The proceeds of said tax shall be placed monthly in the state roads distribution fund in the state treasury.

(2) ⁴Article IX, Section 16, of the Constitution of 1885, as amended, is adopted by this reference as a part of this revision as completely as though incorporated herein verbatim for the purpose of providing that after the effective date of this revision the proceeds of the "second gas tax" as referred to therein shall be allocated among the several counties in accordance with the formula stated therein to the extent necessary to comply with all obligations to or for the benefit of holders of bonds, revenue certificates and tax anticipation certificates or any refundings thereof secured by any portion of the "second gas tax."

(3) No funds anticipated to be allocated under the formula stated in ⁴Article IX, Section 16, of the Constitution of 1885, as amended, shall be pledged as security for any obligation hereafter issued or entered into, except that any outstanding obligations previously issued pledging revenues allocated under said ⁴Article IX, Section 16, may be refunded at a lower average net interest cost rate by the issuance of refunding bonds, maturing not later than the obligations refunded, secured by the same revenues and any other security authorized in paragraph (5) of this subsection.

(4) Subject to the requirements of paragraph (2) of this subsection and after payment of administrative expenses, the "second gas tax" shall be allocated to the account of each of the several counties in the amounts to be determined as follows: There shall be an initial allocation of one-fourth in the ratio of county area to state area, one-fourth in the ratio of the total county population to the total population of the state in accordance with the latest available federal census, and one-half in the ratio of the total "second gas tax" collected on retail sales or use in each

county to the total collected in all counties of the state during the previous fiscal year. If the annual debt service requirements of any obligations issued for any county, including any deficiencies for prior years, secured under paragraph (2) of this subsection, exceeds the amount which would be allocated to that county under the formula set out in this paragraph, the amounts allocated to other counties shall be reduced proportionately.

(5) Funds allocated under paragraphs (2) and (4) of this subsection shall be administered by the state board of administration created under Article IV, Section 4. The board shall remit the proceeds of the "second gas tax" in each county account for use in said county as follows: eighty per cent to the state agency supervising the state road system and twenty per cent to the governing body of the county. The percentage allocated to the county may be increased by general law. The proceeds of the "second gas tax" subject to allocation to the several counties under this paragraph (5) shall be used first, for the payment of obligations pledging revenues allocated pursuant to ⁴Article IX, Section 16, of the Constitution of 1885, as amended, and any refundings thereof; second, for the payment of debt service on bonds issued as provided by this paragraph (5) to finance the acquisition and construction of roads as defined by law; and third, for the acquisition and construction of roads and for road maintenance as authorized by law. When authorized by law, state bonds pledging the full faith and credit of the state may be issued without any election: (i) to refund obligations secured by any portion of the "second gas tax" allocated to a county under ⁴Article IX, Section 16, of the Constitution of 1885, as amended; (ii) to finance the acquisition and construction of roads in a county when approved by the governing body of the county and the state agency supervising the state road system; and (iii) to refund obligations secured by any portion of the "second gas tax" allocated under paragraph 9(c)(4). No such bonds shall be issued unless a state fiscal agency created by law has made a determination that in no state fiscal year will the debt service requirements of the bonds and all other bonds secured by the pledged portion of the "second gas tax" allocated to the county exceed seventy-five per cent of the pledged portion of the "second gas tax" allocated to that county for the preceding

state fiscal year, of the pledged net tolls from existing facilities collected in the preceding state fiscal year, and of the annual average net tolls anticipated during the first five state fiscal years of operation of new projects to be financed, and of any other legally available pledged revenues collected in the preceding state fiscal year. Bonds issued pursuant to this subsection shall be payable primarily from the pledged tolls, the pledged portions of the "second gas tax" allocated to that county, and any other pledged revenue, and shall mature not later than forty years from the date of issuance.

(d) SCHOOL BONDS.

(1) ⁵Article XII, Section 9, Subsection (d) of this constitution, as amended, (which, by reference, adopted ⁶Article XII, Section 18, of the Constitution of 1885, as amended) as the same existed immediately before the effective date of this amendment is adopted by this reference as part of this amendment as completely as though incorporated herein verbatim, for the purpose of providing that after the effective date of this amendment the first proceeds of the revenues derived from the licensing of motor vehicles as referred to therein shall be distributed annually among the several counties in the ratio of the number of instruction units in each county, the same being coterminus with the school district of each county as provided in Article IX, Section 4, Subsection (a) of this constitution, in each year computed as provided therein to the extent necessary to comply with all obligations to or for the benefit of holders of bonds or motor vehicle tax anticipation certificates issued before the effective date of this amendment or any refundings thereof which are secured by any portion of such revenues derived from the licensing of motor vehicles.

(2) No funds anticipated to be distributed annually among the several counties under the formula stated in ⁵Article XII, Section 9, Subsection (d) of this constitution, as amended, as the same existed immediately before the effective date of this amendment shall be pledged as security for any obligations hereafter issued or entered into, except that any outstanding obligations previously issued pledging such funds may be refunded by the issuance of refunding bonds.

(3) Subject to the requirements of paragraph (1) of this subsection (d) beginning July 1, 1973, the first proceeds of the revenues derived from the licensing of

motor vehicles (hereinafter called "motor vehicle license revenues") to the extent necessary to comply with the provisions of this amendment, shall, as collected, be placed monthly in the school district and community college district capital outlay and debt service fund in the state treasury and used only as provided in this amendment. Such revenue shall be distributed annually among the several school districts and community college districts in the ratio of the number of instruction units in each school district or community college district in each year computed as provided herein. The amount of the first motor vehicle license revenues to be so set aside in each year and distributed as provided herein shall be an amount equal in the aggregate to the product of six hundred dollars (\$600) multiplied by the total number of instruction units in all the school districts of Florida for the school fiscal year 1967-68, plus an amount equal in the aggregate to the product of eight hundred dollars (\$800) multiplied by the total number of instruction units in all the school districts of Florida for the school fiscal year 1972-73 and for each school fiscal year thereafter which is in excess of the total number of such instruction units in all the school districts of Florida for the school fiscal year 1967-68, such excess units being designated "growth units." The amount of the first motor vehicle license revenues to be so set aside in each year and distributed as provided herein shall additionally be an amount equal in the aggregate to the product of four hundred dollars (\$400) multiplied by the total number of instruction units in all community college districts of Florida. The number of instruction units in each school district or community college district in each year for the purposes of this amendment shall be the greater of (1) the number of instruction units in each school district for the school fiscal year 1967-68 or community college district for the school fiscal year 1968-69 computed in the manner heretofore provided by general law, or (2) the number of instruction units in such school district, including growth units, or community college district for the school fiscal year computed in the manner heretofore or hereafter provided by general law and approved by the state board of education (hereinafter called the state board), or (3) the number of instruction units in each school district, including growth units, or community college district on behalf of

which the state board has issued bonds or motor vehicle license revenue anticipation certificates under this amendment which will produce sufficient revenues under this amendment to equal one and twelve-hundredths (1.12) times the aggregate amount of principal of and interest on all bonds or motor vehicle license revenue anticipation certificates issued under this amendment which will mature and become due in such year, computed in the manner heretofore or hereafter provided by general law and approved by the state board.

(4) Such funds so distributed shall be administered by the state board as now created and constituted by Section 2 of Article IX of the State Constitution as revised in 1968, or by such other instrumentality of the state which shall hereafter succeed by law to the powers, duties and functions of the state board, including the powers, duties and functions of the state board provided in this amendment. For the purposes of this amendment, said state board shall be a body corporate and shall have all the powers provided in this amendment in addition to all other constitutional and statutory powers related to the purposes of this amendment heretofore or hereafter conferred upon said state board.

(5) The state board shall, in addition to its other constitutional and statutory powers, have the management, control and supervision of the proceeds of the first motor vehicle license revenues provided for in this subsection (d). The state board shall also have power, for the purpose of obtaining funds for the use of any school board of any school district or board of trustees of any community college district in acquiring, building, constructing, altering, remodeling, improving, enlarging, furnishing, equipping, maintaining, renovating, or repairing of capital outlay projects for school purposes to issue bonds or motor vehicle license revenue anticipation certificates, and also to issue such bonds or motor vehicle license revenue anticipation certificates to pay, fund or refund any bonds or motor vehicle license revenue anticipation certificates theretofore issued by said state board. All such bonds or motor vehicle license revenue anticipation certificates shall bear interest at not exceeding the rate provided by general law and shall mature not later than thirty years after the date of issuance thereof. The state board shall have power to determine all other details of the bonds or motor vehicle license revenue anticipation certificates

and to sell in the manner provided by general law, or exchange the bonds or motor vehicle license revenue anticipation certificates, upon such terms and conditions as the state board shall provide.

(6) The state board shall also have power to pledge for the payment of the principal of and interest on such bonds or motor vehicle license revenue anticipation certificates, including refunding bonds or refunding motor vehicle license revenue anticipation certificates, all or any part from the motor vehicle license revenues provided for in this amendment and to enter into any covenants and other agreements with the holders of such bonds or motor vehicle license revenue anticipation certificates at the time of the issuance thereof concerning the security thereof and the rights of the holders thereof, all of which covenants and agreements shall constitute legally binding and irrevocable contracts with such holders and shall be fully enforceable by such holders in any court of competent jurisdiction.

(7) No such bonds or motor vehicle license revenue anticipation certificates shall ever be issued by the state board, except to refund outstanding bonds or motor vehicle license revenue anticipation certificates, until after the adoption of a resolution requesting the issuance thereof by the school board of the school district or board of trustees of the community college district on behalf of which the obligations are to be issued. The state board of education shall limit the amount of such bonds or motor vehicle license revenue anticipation certificates which can be issued on behalf of any school district or community college district to ninety percent (90%) of the amount which it determines can be serviced by the revenue accruing to the school district or community college district under the provisions of this amendment, and shall determine the reasonable allocation of the interest savings from the issuance of refunding bonds or motor vehicle license revenue anticipation certificates, and such determinations shall be conclusive. All such bonds or motor vehicle license revenue anticipation certificates shall be issued in the name of the state board of education but shall be issued for and on behalf of the school board of the school district or board of trustees of the community college district requesting the issuance thereof, and no election or approval of qualified electors shall be required for the issuance thereof.

(8) The state board shall in each year use the funds distributable pursuant to this amendment to the credit of each school district or community college district only in the following manner and in order of priority:

a. To comply with the requirements of paragraph (1) of this subsection (d).

b. To pay all amounts of principal and interest due in such year on any bonds or motor vehicle license revenue anticipation certificates issued under the authority hereof, including refunding bonds or motor vehicle license revenue anticipation certificates, issued on behalf of the school board of such school district or board of trustees of such community college district; subject, however, to any covenants or agreements made by the state board concerning the rights between holders of different issues of such bonds or motor vehicle license revenue anticipation certificates, as herein authorized.

c. To establish and maintain a sinking fund or funds to meet future requirements for debt service or reserves therefor, on bonds or motor vehicle license revenue anticipation certificates issued on behalf of the school board of such school district or board of trustees of such community college district under the authority hereof, whenever the state board shall deem it necessary or advisable, and in such amounts and under such terms and conditions as the state board shall in its discretion determine.

d. To distribute annually to the several school boards of the school districts or the boards of trustees of the community college districts for use in payment of debt service on bonds heretofore or hereafter issued by any such school boards of the school districts or boards of trustees of the community college districts where the proceeds of the bonds were used, or are to be used, in the acquiring, building, constructing, altering, remodeling, improving, enlarging, furnishing, equipping, maintaining, renovating, or repairing of capital outlay projects in such school districts or community college districts and which capital outlay projects have been approved by the school board of the school district or board of trustees of the community college district, pursuant to the most recent survey or surveys conducted under regulations prescribed by the state board to determine the capital outlay needs of the school district or community college district. The state board shall have power at the time of issuance of

any bonds by any school board of any school district or board of trustees of any community college district to covenant and agree with such school board or board of trustees as to the rank and priority of payments to be made for different issues of bonds under this subparagraph d., and may further agree that any amounts to be distributed under this subparagraph d. may be pledged for the debt service on bonds issued by any school board of any school district or board of trustees of any community college district and for the rank and priority of such pledge. Any such covenants or agreements of the state board may be enforced by any holders of such bonds in any court of competent jurisdiction.

e. To pay the expenses of the state board in administering this subsection (d), which shall be prorated among the various school districts and community college districts and paid out of the proceeds of the bonds or motor vehicle license revenue anticipation certificates or from the funds distributable to each school district and community college district on the same basis as such motor vehicle license revenues are distributable to the various school districts and community college districts.

f. To distribute annually to the several school boards of the school districts or boards of trustees of the community college districts for the payment of the cost of acquiring, building, constructing, altering, remodeling, improving, enlarging, furnishing, equipping, maintaining, renovating, or repairing of capital outlay projects for school purposes in such school district or community college district as shall be requested by resolution of the school board of the school district or board of trustees of the community college district.

g. When all major capital outlay needs of a school district or community college district have been met as determined by the state board, on the basis of a survey made pursuant to regulations of the state board and approved by the state board, all such funds remaining shall be distributed annually and used for such school purposes in such school district or community college district as the school board of the school district or board of trustees of the community college district shall determine, or as may be provided by general law.

(9) Capital outlay projects of a school district or community college district shall be eligible to participate in the funds accruing under this amendment and derived from the proceeds of bonds and motor

vehicle license revenue anticipation certificates and from the motor vehicle license revenues, only in the order of priority of needs, as shown by a survey or surveys conducted in the school district or community college district under regulations prescribed by the state board, to determine the capital outlay needs of the school district or community college district and approved by the state board; provided that the priority of such projects may be changed from time to time upon the request of the school board of the school district or board of trustees of the community college district and with the approval of the state board; and provided, further, that this paragraph (9) shall not in any manner affect any covenant, agreement or pledge made by the state board in the issuance by said state board of any bonds or motor vehicle license revenue anticipation certificates, or in connection with the issuance of any bonds of any school board of any school district or board of trustees of any community college district.

(10) The state board shall have power to make and enforce all rules and regulations necessary to the full exercise of the powers herein granted and no legislation shall be required to render this amendment of full force and operating effect. The legislature shall not reduce the levies of said motor vehicle license revenues during the life of this amendment to any degree which will fail to provide the full amount necessary to comply with the provisions of this amendment and pay the necessary expenses of administering the laws relating to the licensing of motor vehicles, and shall not enact any law having the effect of withdrawing the proceeds of such motor vehicle license revenues from the operation of this amendment and shall not enact any law impairing or materially altering the rights of the holders of any bonds or motor vehicle license revenue anticipation certificates issued pursuant to this amendment or impairing or altering any covenant or agreement of the state board, as provided in such bonds or motor vehicle license revenue anticipation certificates.

(11) Bonds issued by the state board pursuant to this subsection (d) shall be payable primarily from said motor vehicle license revenues as provided herein, and if heretofore or hereafter authorized by law, may be additionally secured by pledging the full faith and credit of the state without an election. When heretofore or hereafter authorized by law, bonds issued pursuant

to ⁶Article XII, Section 18 of the Constitution of 1885, as amended prior to 1968, and bonds issued pursuant to Article XII, Section 9, subsection (d) of the Constitution as revised in 1968, and bonds issued pursuant to this subsection (d), may be refunded by the issuance of bonds additionally secured by the full faith and credit of the state.

(e) DEBT LIMITATION. Bonds issued pursuant to this Section 9 of Article XII which are payable primarily from revenues pledged pursuant to this section shall not be included in applying the limits upon the amount of state bonds contained in Section 11, Article VII, of this revision.

²**Note.**—Prior to its amendment by C.S. for H.J.R.'s 2289, 2984, 1974, subsection (a) read as follows:

(a) ADDITIONAL SECURITIES. Article IX, Section 17, of the Constitution of 1885, as amended, as it existed immediately before this Constitution, as revised in 1968, became effective, is adopted by this reference as a part of this revision as completely as though incorporated herein verbatim, except revenue bonds, revenue certificates or other evidences of indebtedness hereafter issued thereunder may be issued by the agency of the state so authorized by law.

Article XII, Section 19, of the Constitution of 1885, as amended, as it existed immediately before this revision becomes effective, is adopted by this reference as a part of this revision as completely as though incorporated herein verbatim, except bonds or tax anticipation certificates hereafter issued thereunder may bear interest not in excess of five percent (5%) per annum or such higher interest as may be authorized by statute passed by a three-fifths (3/5) vote of each house of the legislature. No revenue bonds or tax anticipation certificates shall be issued pursuant thereto after June 30, 1975.

³**Note.**—Section 19 of Art. XII of the Constitution of 1885, as amended, reads as follows:

SECTION 19. Institutions of higher learning and junior college capital outlay trust fund bonds.—(a) That beginning January 1, 1964, and for fifty years thereafter, all of the proceeds of the revenues derived from the gross receipts taxes collected from every person, including municipalities, receiving payment

for electricity for light, heat or power, for natural or manufactured gas for light, heat or power, for use of telephones and for the sending of telegrams and telegraph messages, as now provided and levied as of the time of adoption of this amendment in Chapter 203, Florida Statutes (hereinafter called "Gross Receipts Taxes"), shall, as collected be placed in a trust fund to be known as the "Institutions of Higher Learning and Junior Colleges Capital Outlay and Debt Service Trust Fund" in the State Treasury (hereinafter referred to as "Capital Outlay Fund"), and used only as provided in this Amendment.

Said fund shall be administered by the State Board of Education, as now created and constituted by Section 3 of Article XII [now s. 2, Article IX] of the Constitution of Florida (hereinafter referred to as "State Board"). For the purpose of this Amendment, said State Board, as now constituted, shall continue as a body corporate during the life of this Amendment and shall have all the powers provided in this Amendment in addition to all other constitutional and statutory powers related to the purposes of this Amendment heretofore or hereafter conferred by law upon said State Board.

(b) The State Board shall have power, for the purpose of obtaining funds for acquiring, building, constructing, altering, improving, enlarging, furnishing or equipping capital outlay projects theretofore authorized by the legislature and any purposes appurtenant or incidental thereto, for Institutions of Higher Learning or Junior Colleges, as now defined or as may be hereafter defined by law, and for the purpose of constructing buildings and other permanent facilities for vocational technical schools as provided in chapter 230 Florida Statutes, to issue bonds or certificates, including refunding bonds or certificates to fund or refund any bonds or certificates theretofore issued. All such bonds or certificates shall bear interest at not exceeding four and one-half per centum per annum, and shall mature at such time or times as the State Board shall determine not exceeding, in any event, however, thirty years from the date of issuance thereof. The State Board shall have power to determine all other details of such bonds or certificates and to sell at public sale, after public advertisement, such bonds or certificates, provided, however, that no bonds or certificates shall ever be issued hereunder to finance, or the proceeds thereof expended for, any part of the cost of any capital outlay project unless the construction or acquisition of such capital outlay project has been theretofore authorized by the Legislature of Florida. None of said bonds or certificates shall be sold at less than ninety-eight per centum of the par value thereof, plus accrued interest, and said bonds or certificates shall be awarded at the public sale thereof to the bidder offering the lowest net interest cost for such bonds or certificates in the manner to be determined by the State Board.

The State Board shall also have power to pledge for the payment of the principal of and interest on such bonds or certificates, and reserves therefor, including refunding bonds or certificates, all or any part of the revenue to be derived from the said Gross Receipts Taxes provided for in this Amendment, and to enter into any covenants and other agreements with the holders of such bonds or certificates concerning the security thereof and the rights of the holders thereof, all of which covenants and agreements shall constitute legally binding and irrevocable contracts with such holders and shall be fully enforceable by such holders in any court of competent jurisdiction.

No such bonds or certificates shall ever be issued by the State Board in an amount exceeding seventy-five per centum of the amount which it determines, based upon the average annual amount of the revenues derived from said Gross Receipts Taxes during the immediately preceding two fiscal years, or the amount of the revenues derived from said Gross Receipts Taxes during the immediately preceding fiscal year, as shown in a certificate filed by the State Comptroller with the State Board prior to the issuance of such bonds or certificates, whichever is the lesser, can be serviced by the revenues accruing thereafter under the provisions of this Amendment; nor shall the State Board, during the first year following the ratification of this amendment, issue bonds or certificates in excess of seven times the anticipated revenue from said Gross Receipts Taxes during said year, nor during each succeeding year, more than four times the anticipated revenue from said Gross Receipts Taxes during such year. No election or approval of qualified electors or freeholder electors shall be required for the issuance of bonds or certificates hereunder.

After the initial issuance of any bonds or certificates pursuant to this Amendment, the State Board may thereafter issue additional bonds or certificates which will rank equally and on a parity, as to lien on and source of security for payment from said Gross Receipts Taxes, with any bonds or certificates theretofore issued pursuant to this Amendment, but such additional party bonds or certificates shall not be issued unless the average annual amount of the revenues derived from said Gross Receipts Taxes during the immediately preceding two fiscal years, or the amount of the revenues derived from said Gross Receipts Taxes

ARTICLE XII CONSTITUTION OF THE STATE OF FLORIDA ARTICLE XII

during the immediately preceding fiscal year, as shown in a certificate filed by the State Comptroller with the State Board prior to the issuance of such bonds or certificates, whichever is the lesser, shall have been equal to one and one-third times the aggregate amount of principal and interest which will become due in any succeeding fiscal year on all bonds or certificates theretofore issued pursuant to this Amendment and then outstanding, and the additional parity bonds or certificates then proposed to be issued. No bonds, certificates or other obligations whatsoever shall at any time be issued under the provisions of this Amendment, except such bonds or certificates initially issued hereunder, and such additional parity bonds or certificates as provided in this paragraph. Notwithstanding any other provision herein no such bonds or certificates shall be authorized or validated during any biennium in excess of fifty million dollars, except by two-thirds vote of the members elected to each house of the legislature; provided further that during the biennium 1963-1965 seventy-five million dollars may be authorized and validated pursuant hereto.

(c) Capital outlay projects theretofore authorized by the legislature for any Institution of Higher Learning or Junior College shall be eligible to participate in the funds accruing under this Amendment derived from the proceeds of bonds or certificates and said Gross Receipts Taxes under such regulations and in such manner as shall be determined by the State Board, and the State Board shall use or transmit to the State Board of Control or to the Board of Public Instruction of any County authorized by law to construct or acquire such capital outlay projects, the amount of the proceeds of such bonds or certificates or Gross Receipts Taxes to be applied to or used for such capital outlay projects. If for any reason any of the proceeds of any bonds or certificates issued for any capital outlay project shall not be expended for such capital outlay project, the State Board may use such unexpended proceeds for any other capital outlay project for Institutions of Higher Learning or Junior Colleges and vocational technical schools, as defined herein, as now defined or as may be hereafter defined by law, theretofore authorized by the State Legislature. The holders of bonds or certificates issued hereunder shall not have any responsibility whatsoever for the application or use of any of the proceeds derived from the sale of said bonds or certificates, and the rights and remedies of the holders of such bonds or certificates and their right to payment from said Gross Receipts Taxes in the manner provided herein shall not be affected or impaired by the application or use of such proceeds.

The State Board shall use the moneys in said Capital Outlay Fund in each fiscal year only for the following purposes and in the following order of priority:

(1) For the payment of the principal of and interest on any bonds or certificates maturing in such fiscal year.

(2) For the deposit into any reserve funds provided for in the proceedings authorizing the issuance of said bonds or certificates, of any amounts required to be deposited in such reserve funds in such fiscal year.

(3) After all payments required in such fiscal year for the purposes provided for in (1) and (2) above, including any deficiencies for required payments in prior fiscal years, any moneys remaining in said Capital Outlay Fund at the end of such fiscal year may be used by the State Board for direct payment of the cost or any part of the cost of any capital outlay project theretofore authorized by the legislature or for the purchase of any bonds or certificates issued hereunder then outstanding upon such terms and conditions as the State Board shall deem proper, or for the prior redemption of outstanding bonds or certificates in accordance with the provisions of the proceedings which authorized the issuance of such bonds or certificates.

The State Board may invest the moneys in said Capital Outlay Fund or in any sinking fund or other funds created for any issue of bonds or certificates, in direct obligations of the United States of America or in the other securities referred to in Section 344.27, Florida Statutes.

(d) The State Board shall have the power to make and enforce all rules and regulations necessary to the full exercise of the powers herein granted and no legislation shall be required to render this Amendment of full force and operating effect on and after January 1, 1964. The Legislature, during the period this Amendment is in effect, shall not reduce the rate of said Gross Receipts Taxes now provided in said Chapter 203, Florida Statutes, or eliminate, exempt or remove any of the persons, firms or corporations, including municipal corporations, or any of the utilities, businesses or services now or hereafter subject to said Gross Receipts Taxes, from the levy and collection of said Gross Receipts Taxes as now provided in said Chapter 203, Florida Statutes, and shall not enact any law impairing or materially altering the rights of the holders of any bonds or certificates issued pursuant to this Amendment or impairing or altering any covenants or agreements of the State Board made hereunder, or having the effect of withdrawing the proceeds of

said Gross Receipts Taxes from the operation of this Amendment.

The State Board of Administration shall be and is hereby constituted as the Fiscal Agent of the State Board to perform such duties and assume such responsibilities under this Amendment as shall be agreed upon between the State Board and such State Board of Administration. The State Board shall also have power to appoint such other persons and fix their compensation for the administration of the provisions of this Amendment as it shall deem necessary, and the expenses of the State Board in administering the provisions of this Amendment shall be paid out of the proceeds of bonds or certificates issued hereunder or from said Gross Receipts Taxes deposited in said Capital Outlay Fund.

(e) No capital outlay project or any part thereof shall be financed hereunder unless the bill authorizing such project shall specify it is financed hereunder and shall be approved by a vote of three-fifths of the elected members of each house.

History.—S.J.R. 264, 1963; adopted 1963.

***Note.**—Section 16 of Art. IX of the Constitution of 1885, as amended, reads as follows:

SECTION 16. Board of administration; gasoline and like taxes, distribution and use; etc.—(a) That beginning January 1st, 1943, and for fifty (50) years thereafter, the proceeds of two (2c) cents per gallon of the total tax levied by state law upon gasoline and other like products of petroleum, now known as the Second Gas Tax, and upon other fuels used to propel motor vehicles, shall as collected be placed monthly in the 'State Roads Distribution Fund' in the State Treasury and divided into three (3) equal parts which shall be distributed monthly among the several counties as follows: one part according to area, one part according to population, and one part according to the counties' contributions to the cost of state road construction in the ratio of distribution as provided in Chapter 15659, Laws of Florida, Acts of 1931, and for the purposes of the apportionment based on the counties' contributions for the cost of state road construction, the amount of the contributions established by the certificates made in 1931 pursuant to said Chapter 15659, shall be taken and deemed conclusive in computing the monthly amounts distributable according to said contributions. Such funds so distributed shall be administered by the State Board of Administration as hereinafter provided.

(b) The Governor as chairman, the State Treasurer, and the State Comptroller shall constitute a body corporate to be known as the 'State Board of Administration,' which board shall succeed to all the power, control and authority of the statutory Board of Administration. Said Board shall have, in addition to such powers as may be conferred upon it by law, the management, control and supervision of the proceeds of said two (2c) cents of said taxes and all moneys and other assets which on the effective date of this amendment are applicable or may become applicable to the bonds of the several counties of this state, or any special road and bridge district, or other special taxing district thereof, issued prior to July 1st, 1931, for road and bridge purposes. The word 'bonds' as used herein shall include bonds, time warrants, notes and other forms of indebtedness issued for road and bridge purposes by any county or special road and bridge district or other special taxing district, outstanding on July 1st, 1931, or any refunding issues thereof. Said Board shall have the statutory powers of Boards of County Commissioners and Bond Trustees and of any other authority of special road and bridge districts, and other special taxing districts thereof with regard to said bonds, (except that the power to levy ad valorem taxes is expressly withheld from said Board), and shall take over all papers, documents and records concerning the same. Said Board shall have the power from time to time to issue refunding bonds to mature within the said fifty (50) year period, for any of said outstanding bonds or interest thereon, and to secure them by a pledge of anticipated receipts from such gasoline or other fuel taxes to be distributed to such county as herein provided, but not at a greater rate of interest than said bonds now bear; and to issue, sell or exchange on behalf of any county or unit for the sole purpose of retiring said bonds issued by such county, or special road and bridge district, or other special taxing district thereof, gasoline or other fuel tax anticipation certificates bearing interest at not more than three (3) per cent per annum in such denominations and maturing at such time within the fifty (50) year period as the board may determine. In addition to exercising the powers now provided by statute for the investment of sinking funds, said Board may use the sinking funds created for said bonds of any county or special road and bridge district, or other unit hereunder, to purchase the matured or maturing bonds participating herein of any other county or any other special road and bridge district, or other special taxing district thereof, provided that as to said matured bonds, the value thereof as an investment shall be the price paid therefor, which shall not exceed the par value plus accrued interest, and that said

investment shall bear interest at the rate of three (3) per cent per annum.

The Legislature shall continue the levies of said taxes during the life of this Amendment, and shall not enact any law having the effect of withdrawing the proceeds of said two (2c) cents of said taxes from the operation of this amendment. The board shall pay refunding expenses and other expenses for services rendered specifically for, or which are properly chargeable to, the account of any county from funds distributed to such county; but general expenses of the board for services rendered all the counties alike shall be prorated among them and paid out of said funds on the same basis said tax proceeds are distributed among the several counties; provided, report of said expenses shall be made to each Regular Session of the Legislature, and the Legislature may limit the expenses of the board.

Note.—Prior to its amendment by C.S. for H.J.R. 3576, 1972, subsection (d) read as follows:

(d) SCHOOL BONDS. Article XII, Section 18, of the Constitution of 1885, as amended, as it existed immediately before this revision becomes effective is adopted by this reference as part of this revision as completely as though incorporated herein verbatim, except bonds or tax anticipation certificates hereafter issued thereunder may bear interest not in excess of five per cent per annum or such higher interest as may be authorized by statute passed by a three-fifths vote of each house of the legislature. Bonds issued pursuant to this subsection (d) shall be payable primarily from revenues as provided in Article XII, Section 18, of the Constitution of 1885, as amended, and if authorized by law, may be additionally secured by pledging the full faith and credit of the state without an election. When authorized by law, bonds issued pursuant to Article XII, Section 18, of the Constitution of 1885, as amended, and bonds issued pursuant to this subsection (d), may be refunded by the issuance of bonds additionally secured by the full faith and credit of the state only at a lower net average interest cost rate.

Note.—Section 18, Art. XII of the Constitution of 1885, as amended, reads as follows:

SECTION 18. School bonds for capital outlay, issuance.—

(a) Beginning January 1, 1965 and for thirty-five years thereafter, the first proceeds of the revenues derived from the licensing of motor vehicles to the extent necessary to comply with the provisions of this amendment, shall, as collected, be placed monthly in the county capital outlay and debt service school fund in the state treasury, and used only as provided in this amendment. Such revenue shall be distributed annually among the several counties in the ratio of the number of instruction units in each county in each year computed as provided herein. The amount of the first revenues derived from the licensing of motor vehicles to be so set aside in each year and distributed as provided herein shall be an amount equal in the aggregate to the product of four hundred dollars multiplied by the total number of instruction units in all the counties of Florida. The number of instruction units in each county in each year for the purposes of this amendment shall be the greater of (1) the number of instruction units in each county for the school fiscal year 1951-52 computed in the manner heretofore provided by general law, or (2) the number of instruction units in such county for the school fiscal year computed in the manner heretofore or hereafter provided by general law and approved by the state board of education (hereinafter called the state board), or (3) the number of instruction units in each county on behalf of which the state board of education has issued bonds or motor vehicle tax anticipation certificates under this amendment which will produce sufficient revenues under this amendment to equal one and one-third times the aggregate amount of principal and interest on such bonds or motor vehicle tax anticipation certificates which will mature and become due in such year, computed in the

manner heretofore or hereafter provided by general law and approved by the state board.

Such funds so distributed shall be administered by the state board as now created and constituted by Section 3 of Article XII [now s. 2, Article IX] of the Constitution of Florida. For the purposes of this amendment, said state board, as now constituted, shall continue as a body corporate during the life of this amendment and shall have all the powers provided in this amendment in addition to all other constitutional and statutory powers related to the purposes of this amendment heretofore or hereafter conferred upon said board.

(b) The state board shall, in addition to its other constitutional and statutory powers, have the management, control and supervision of the proceeds of the first part of the revenues derived from the licensing of motor vehicles provided for in subsection (a). The state board shall also have power, for the purpose of obtaining funds for the use of any county board of public instruction in acquiring, building, constructing, altering, improving, enlarging, furnishing, or equipping capital outlay projects for school purposes, to issue bonds or motor vehicle tax anticipation certificates, and also to issue such bonds or motor vehicle tax anticipation certificates to pay, fund or refund any bonds or motor vehicle tax anticipation certificates theretofore issued by said state board. All such bonds shall bear interest at not exceeding four and one-half per centum per annum and shall mature serially in annual installments commencing not more than three years from the date of issuance thereof and ending not later than thirty years from the date of issuance or January 1, 2000, A.D., whichever is earlier. All such motor vehicle tax anticipation certificates shall bear interest at not exceeding four and one-half per centum per annum and shall mature prior to January 1, 2000, A.D. The state board shall have power to determine all other details of said bonds or motor vehicle tax anticipation certificates and to sell at public sale after public advertisement, or exchange said bonds or motor vehicle tax anticipation certificates, upon such terms and conditions as the state board shall provide.

The state board shall also have power to pledge for the payment of the principal of and interest on such bonds or motor vehicle tax anticipation certificates, including refunding bonds or refunding motor vehicle tax anticipation certificates, all or any part from the anticipated revenues to be derived from the licensing of motor vehicles provided for in this amendment and to enter into any covenants and other agreements with the holders of such bonds or motor vehicle tax anticipation certificates at the time of the issuance thereof concerning the security thereof and the rights of the holders thereof, all of which covenants and agreements shall constitute legally binding and irrevocable contracts with such holders and shall be fully enforceable by such holders in any court of competent jurisdiction.

No such bonds or motor vehicle tax anticipation certificates shall ever be issued by the state board until after the adoption of a resolution requesting the issuance thereof by the county board of public instruction of the county on behalf of which such obligations are to be issued. The state board of education shall limit the amount of such bonds or motor vehicle tax anticipation certificates which can be issued on behalf of any county to seventy-five per cent of the amount which it determines can be serviced by the revenue accruing to the county under the provisions of this amendment, and such determination shall be conclusive. All such bonds or motor vehicle tax anticipation certificates shall be issued in the name of the state board of education but shall be issued for and on behalf of the county board of public instruction requesting the issuance thereof, and no election or approval of qualified electors or freeholders shall be required for the issuance thereof.

(c) The State Board shall in each year use the funds distributable pursuant to this Amendment to the credit of each county only in the following manner and order of priority:

(1) To pay all amounts of principal and interest maturing in such year on any bonds or motor vehicle tax anticipation certificates issued under the authority hereof, including refunding bonds or motor vehicle tax anticipation certificates, issued on behalf of the Board of Public Instruction of such county; subject, however, to any covenants or agreements made by the State Board concerning the rights between holders of different issues of such bonds or motor vehicle tax anticipation certificates, as herein authorized.

(2) To establish and maintain a sinking fund or funds to meet future requirements for debt service, or reserves therefor, on bonds or motor vehicle tax anticipation certificates issued on behalf of the Board of Public Instruction of such county, under the authority hereof, whenever the State Board shall deem it necessary or advisable, and in such amounts and under such terms and conditions as the State Board shall in its discretion determine.

(3) To distribute annually to the several Boards of Public Instruction of the counties for use in payment of debt service on

bonds heretofore or hereafter issued by any such Board where the proceeds of the bonds were used, or are to be used, in the construction, acquisition, improvement, enlargement, furnishing, or equipping of capital outlay projects in such county, and which capital outlay projects have been approved by the Board of Public Instruction of the county, pursuant to a survey or surveys conducted subsequent to July 1, 1947 in the county, under regulations prescribed by the State Board to determine the capital outlay needs of the county.

The State Board shall have power at the time of issuance of any bonds by any Board of Public Instruction to covenant and agree with such Board as to the rank and priority of payments to be made for different issues of bonds under this Subsection (3), and may further agree that any amounts to be distributed under this Subsection (3) may be pledged for the debt service on bonds issued by any Board of Public Instruction and for the rank and priority of such pledge. Any such covenants or agreements of the State Board may be enforced by any holders of such bonds in any court of competent jurisdiction.

(4) To distribute annually to the several Boards of Public Instruction of the counties for the payment of the cost of the construction, acquisition, improvement, enlargement, furnishing, or equipping of capital outlay projects for school purposes in such county as shall be requested by resolution of the County Board of Public Instruction of such county.

(5) When all major capital outlay needs of a county have been met as determined by the State Board, on the basis of a survey made pursuant to regulations of the State Board and approved by the State Board, all such funds remaining shall be distributed annually and used for such school purposes in such county as the Board of Public Instruction of the county shall determine, or as may be provided by general law.

(d) Capital outlay projects of a county shall be eligible to participate in the funds accruing under this Amendment and derived from the proceeds of bonds and motor vehicle tax anticipation certificates and from the motor vehicle license taxes, only in the order of priority of needs, as shown by a survey or surveys conducted in the county under regulations prescribed by the State Board, to determine the capital outlay needs of the county and approved by the State Board; provided, that the priority of such projects may be changed from time to time upon the request of the Board of Public Instruction of the county and with the approval of the State Board; and provided further, that this Subsection (d) shall not in any manner affect any covenant, agreement, or pledge made by the State Board in the issuance by said State Board of any bonds or motor vehicle tax anticipation certificates, or in connection with the issuance of any bonds of any Board of Public Instruction of any county.

(e) The State Board may invest any sinking fund or funds created pursuant to this Amendment in direct obligations of the United States of America or in the bonds or motor vehicle tax anticipation certificates, matured or to mature, issued by the State Board on behalf of the Board of Public Instruction of any county.

(f) The State Board shall have power to make and enforce all rules and regulations necessary to the full exercise of the powers herein granted and no legislation shall be required to render this Amendment of full force and operating effect from and after January 1, 1953. The Legislature shall not reduce the levies of said motor vehicle license taxes during the life of this Amendment to any degree which will fail to provide the full amount necessary to comply with the provisions of this Amendment and pay the necessary expenses of administering the laws relating to the licensing of motor vehicles, and shall not enact any law having the effect of withdrawing the proceeds of such motor vehicle license taxes from the operation of this Amendment and shall not enact any law impairing or materially altering the rights of the holders of any bonds or motor vehicle tax anticipation certificates issued pursuant to this Amendment or impairing or altering any covenant or agreement of the State Board, as provided in such bonds or motor vehicle tax anticipation certificates.

The State Board shall have power to appoint such persons and fix their compensation for the administration of the provisions of this Amendment as it shall deem necessary, and the expenses of the State Board in administering the provisions of this Amendment shall be prorated among the various counties and paid out of the proceeds of the bonds or motor vehicle tax anticipation certificates or from the funds distributable to each county on the same basis as such motor vehicle license taxes are distributable to the various counties under the provisions of this Amendment. Interest or profit on sinking fund investments shall accrue to the counties in proportion to their respective equities in the sinking fund or funds.
