Coordinated System of Professional Development

Coordinated System of PD

- Section 1012.98, F.S., compels various entities to work together to create a coordinated system of professional development that is aligned to professional learning standards.

Department of Education

State Education Foundations

Public Postsecondary
Educational Institutions

Consortia

Public School Districts
and Schools

Other Professional
Organizations

Purpose of the PD System

The purpose of the professional development system is to

- 1** Increase student achievement
- 2** Enhance instructional strategies that promote rigor and relevance throughout the curriculum
- 3** Prepare students for college, career, and life

How the Pieces Fit Together

Standards

The standards that define the core expectations for effective professional learning practices.

Systems

The district's vision and processes for planning, implementing and evaluating professional learning.

Catalogs

A list or catalog that outlines the specific courses or learning opportunities that districts are providing for all employees.

PD's Link to Certification Renewal

120 Inservice Points	60 points	In the area of the educator's certification
	20 points	In the area of teaching students with disabilities
	40 points	In any area of professional learning

Statutes and Rules

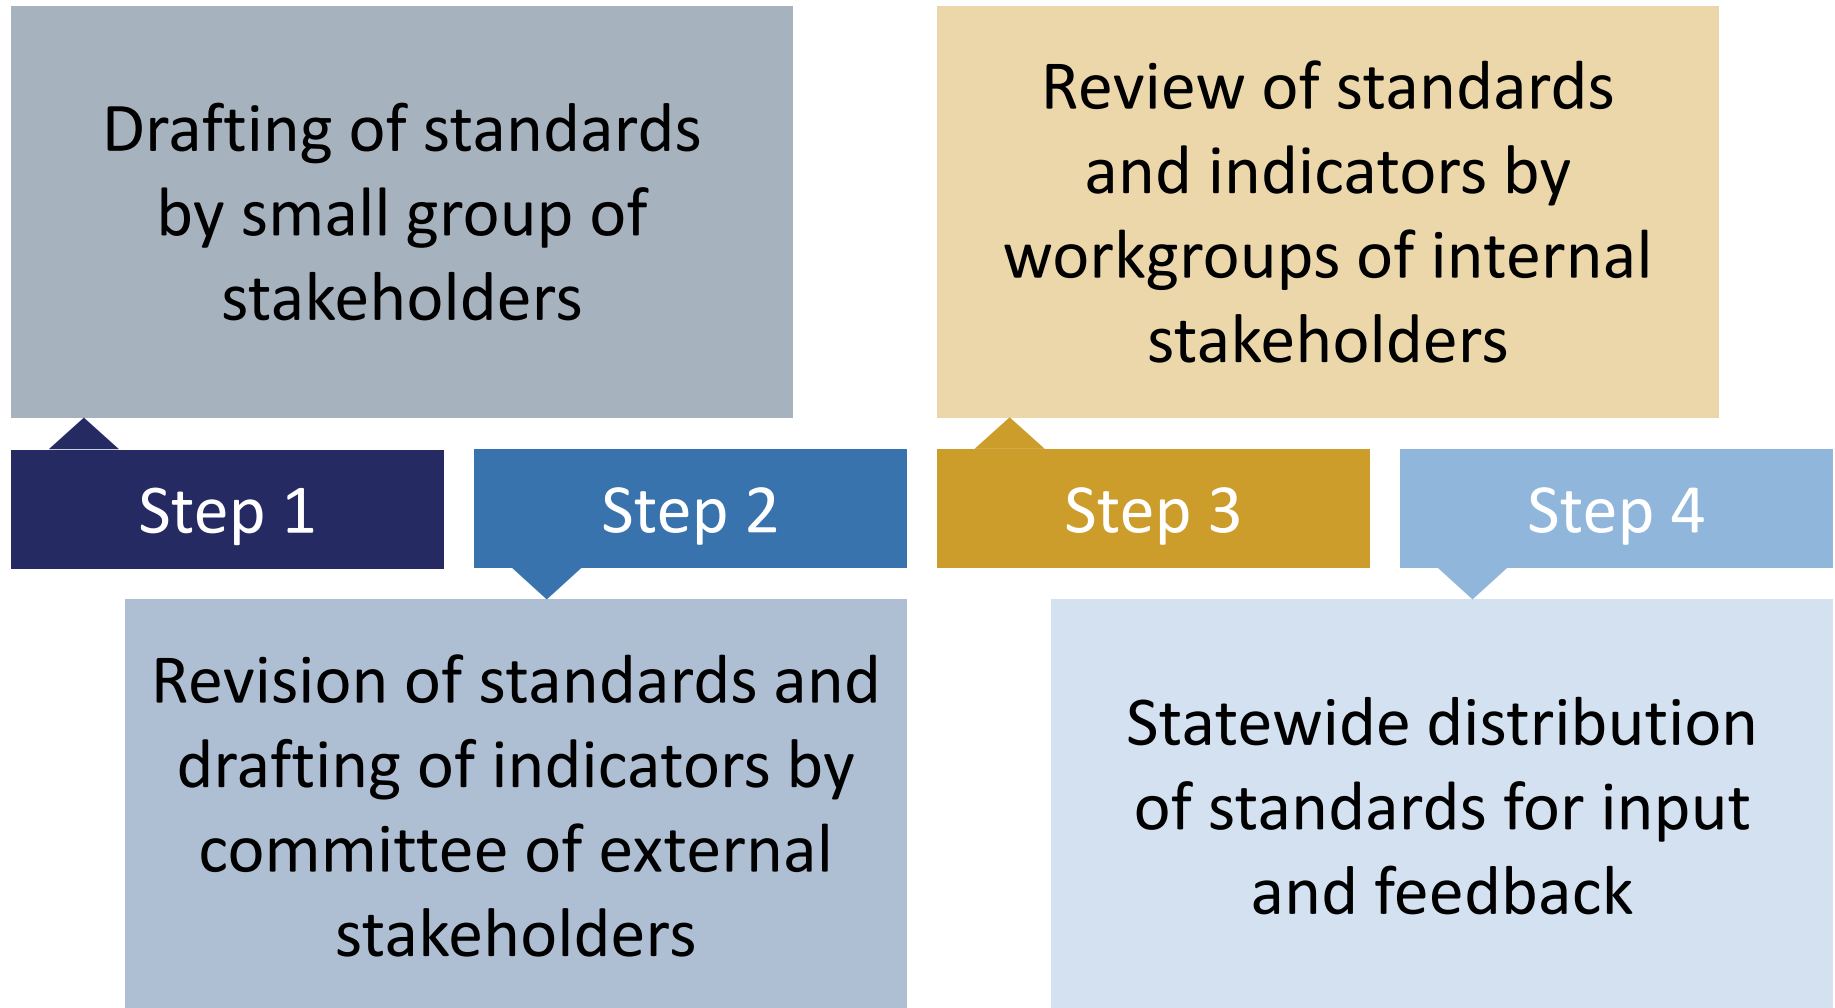

- Section 1012.98, F.S., School Community Professional Development Act
 - Rule 6A-5.071, F.A.C., Professional Learning Catalog
- Section 1012.34, F.S., Personnel Evaluation Procedures and Criteria
 - Rule 6A-5.030, F.A.C., District Instructional Personnel and School Administrator Evaluation Systems
 - Rule 6A-5.080, F.A.C., Florida Principal Leadership Standards
 - Rule 6A-5.065, F.A.C., Florida Educator Accomplished Practices

Professional Learning Standards

PD Standards Revision Process

The “What” and “Why” of Standards

- Professional standards
 - Define core expectations for effective practice
 - Are evidence-based
 - Represent the knowledge, skills, and practices required for successful performance
- Professional standards are important to
 - Ensure equity and excellence in professional learning
 - Establish measures to determine how well professional learning changes educator practices to increase student outcomes

Standards Development

Format and Structure

Domains

Broad categories of knowledge and skill

Standards

Distinct, generalized statements that outline a particular professional competency or expectation

Indicators

Discrete examples of practice or behaviors that indicate proficiency in the standard; provide context and clarification of intent

Professional Learning Standards

Domains

0	Foundation
1	Needs Assessment and Planning
2	Learning
3	Implementing
4	Evaluating

Domains of Florida's Professional Learning Standards

Professional Learning Systems

Required System Elements

Planning

- Develop the system in consultation with multiple stakeholder groups using an analysis of student and teacher data

Learning

- Provide professional learning activities in various formats (e.g., face-to-face, online, and blended learning) to support district- and school-level goals and standards

Required System Elements

Learning

- Provide specialized professional learning activities for
 - Instructional personnel participating in PDCP programs
 - Middle grades instructional personnel
 - School administrators
 - Reading coaches, instructional personnel , and school administrators on specific reading topics
 - Instructional personnel and school administrators evaluated as less than effective

Required System Elements

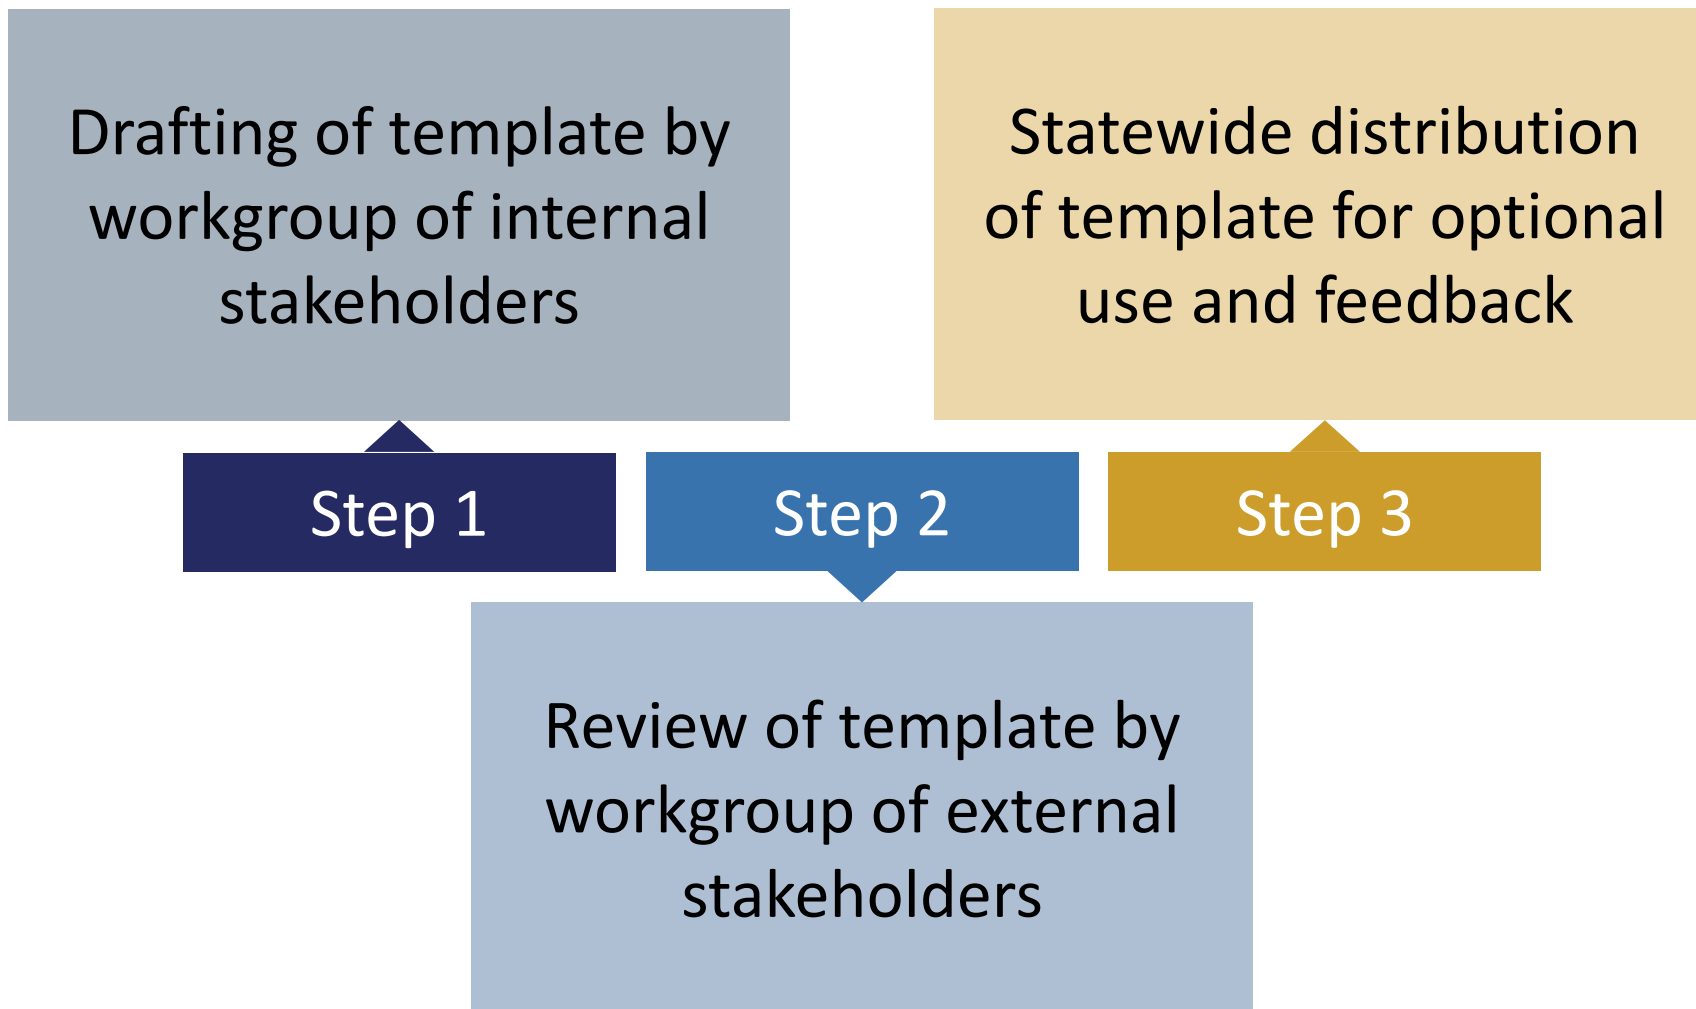

Implementing

- Provide follow-up supports to ensure transfer of professional learning to the classroom

Evaluating

- Continuously evaluate the quality and effectiveness of professional learning activities to inform future decision making

System Template Development Process

System Review and Approval

Initial Approval

Systems are submitted to the department for review and approval.

Continued Approval

Systems are submitted to the department for review and continued approval, only if substantial revisions are made to the system.

Frameworks for Effective Instruction and Leadership

Florida Educator Accomplished Practices (FEAPs)

- Serve as Florida's core standards for effective educators, providing guidance on what educators are expected to know and be able to do
- Form the foundation for instructional personnel evaluation and professional development systems, educator preparation programs and educator certification requirements
- Outlined in Rule 6A-5.065, F.A.C.
<https://www.flrules.org/gateway/ruleNo.asp?id=6A-5.065>

Foundational Principles

The effective educator

- Creates a culture of high expectations for all students by promoting the importance of education and each student's capacity for academic achievement
- Demonstrates deep and comprehensive knowledge of the subject taught
- Exemplifies the standards of the profession

The Six Accomplished Practices

The Learning Environment

5

Continuous Professional
Improvement

1

Instructional Design and
Lesson Planning

6

Professional Responsibility
and Ethical Conduct

Florida Principal Leadership Standards (FPLSs)

- Serve as Florida's core expectations for effective school administrators, representing skill sets and knowledge bases needed in effective schools
- Form the foundation for school administrator evaluations and professional development systems, school leadership preparation programs and educator certification requirements
- Outlined in Rule 6A-5.080, F.A.C.
<https://www.flrules.org/gateway/ruleNo.asp?id=6A-5.080>

Organization of the FPLSs

Domains

1	Student Achievement
2	Instructional Leadership
3	Organizational Leadership
4	Professional and Ethical Behavior

Standards

1	Student Learning Results
2	Student Learning as a Priority
3	Instructional Plan Implementation
4	Faculty Development
5	Learning Environment
6	Decision Making
7	Leadership Development
8	School Management
9	Communication
10	Professional and Ethical Behaviors

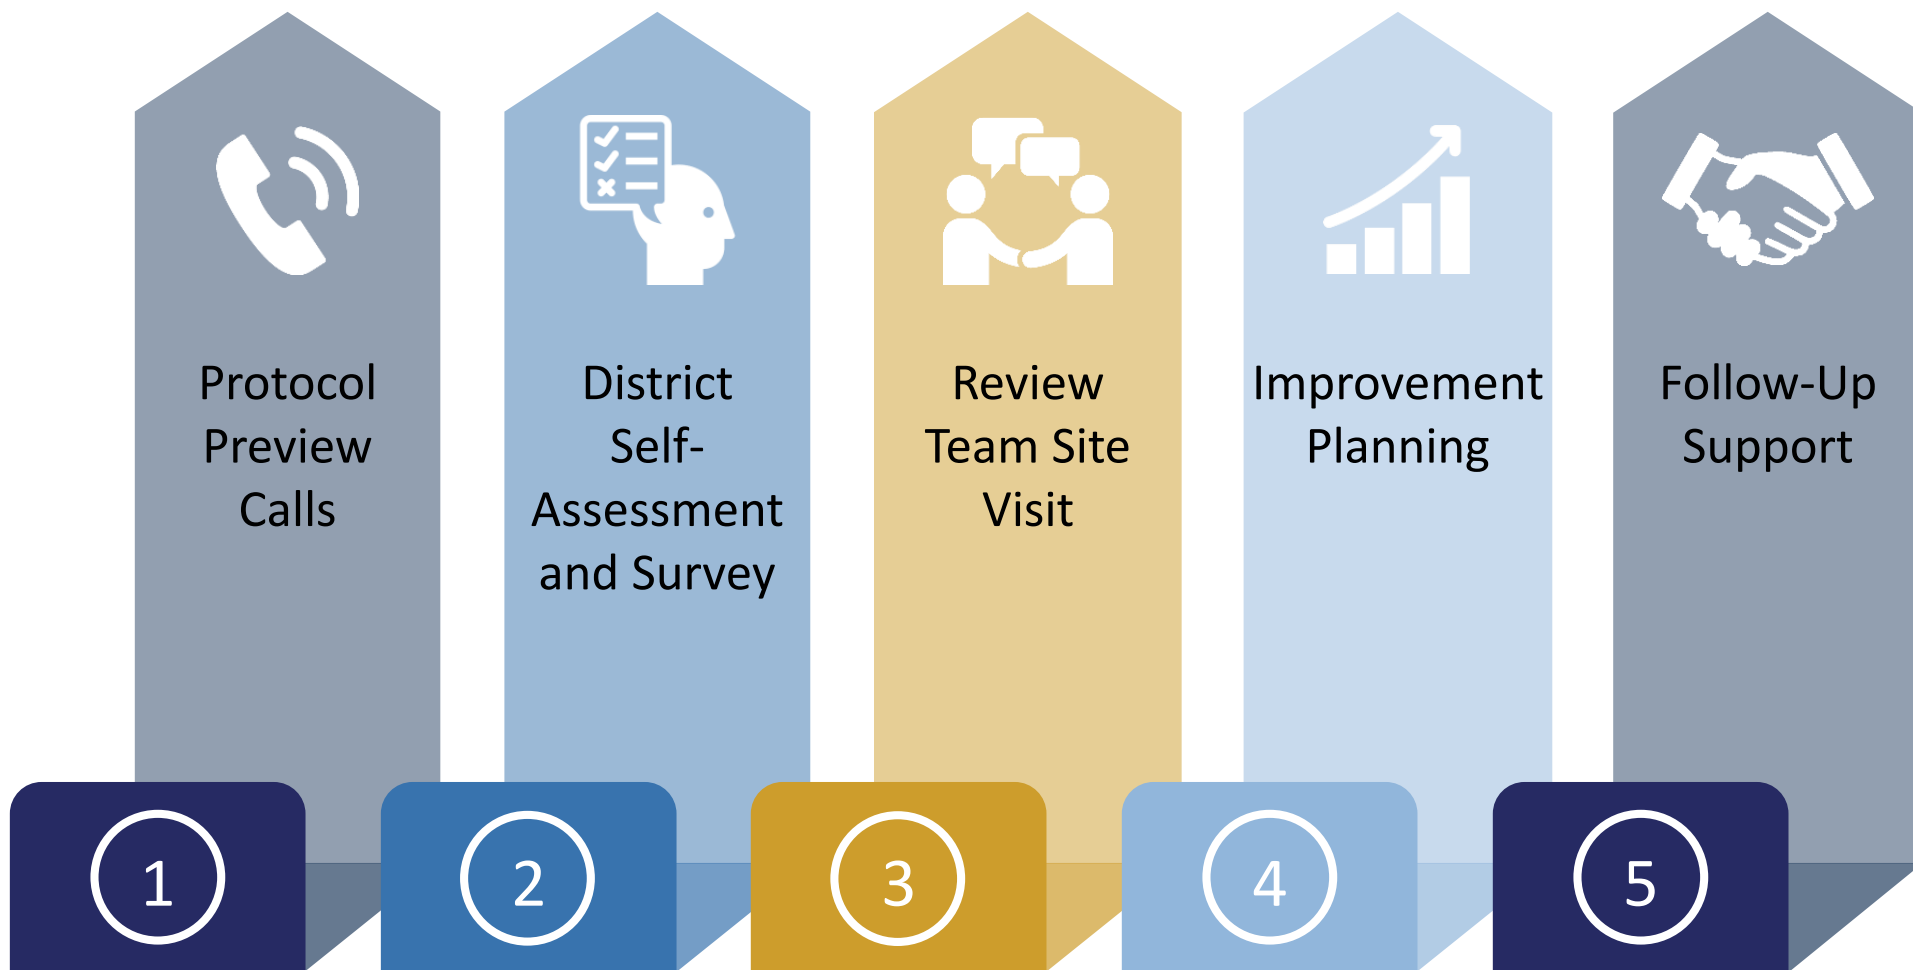

Professional Development Review Protocol

PD Review Protocol

Theory of Action

PD Review Process Overview

Professional Development Funding

Sources of PD Funding

Federal

State

Corporate Grants
and Gifts

Nonprofit and
Foundations

Computer Science Appropriation

- From the \$10 million appropriated to fund the implementation of HB 495 (2018)
 - \$9 million has been allocated to districts based on student population to enhance the capacity of schools to provide staff trained and certified as appropriate to meet the requirements of section 1007.2616, F.S.
 - \$1 million has been allocated for the payment of bonuses to qualifying teachers
- Charter school teachers are eligible to receive a bonus and attend any PD made available by districts.

Examples of FDOE Professional Learning Programs

BERDR

- Dr. Brian Dassler Leadership Academy
- Florida Future Educators of America
- Clinical Education Facilitator Academy
