OFFICE OF SENATOR ANA MARIA RODRIGUEZ

Happy Friday!

Wishing everyone a great weekend and a blessed Lent. Session is right around the corner and I am eager to work with my colleagues on projects that are going to make Florida even better! On the final committee week, SB 700, SB 614, and SB 58 passed their committee stops thanks to the bipartisan support of my colleagues.

My office is here to help. Please do not hesitate to reach out if we can be of assistance.

If you are interested in assisting our friends in Texas during these difficult times, here are some organizations with boots on the ground and supplies ready to go.

Coding Angel is providing FREE developing courses each week for students wanting to learn C#. They are also actively seeking volunteers who want to share their coding expertise with their students.

BECOME A DEVELOPER TODAY

- No experience required
- Developers earn community service hours for attending classes and working on Coding Angel's projects.
- Developers are taught how to code and can eventually teach classes once they learn enough.
- Developers are able to help others in need while also learning a new skill.

BECOME A TEACHER TODAY

- Coding experience required
- Teachers earn community service hours for teaching coding classes to developers.
- For more information on how to become a teacher please contact us using the social media links below or scan the QR code to register.
