### Fiscal Year 2023-2024

LFIR # 1586

This project will increase the opportunities of students to play on playground equipment that will keep them moving, utilizing outdoor space we have available. The structure will also provide protection from the sun. This project will help develop the whole student including their gross motor skills.

**c. What direct services will be provided to citizens by the appropriation project?**

Our students will have safe playground equipment and protection from inclement weather.

**d. Who is the target population served by this project? How many individuals are expected to be served?**

Elementary Students of Levy County. 2600

**e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?**

Our kids need free play and these structures will increase the ability to communicate with each other. The structures will replace existing equipment that has been deemed unsafe and decommissioned.

**f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?**

Reversion of funds to the state
