Fiscal Year 2024-2025

LFIR # 1482

The purpose of the Fort Freedom 12-week and virtual programs are to minimize the veteran suicide rate, free veterans from the imprisonment of Post Traumatic Stress Disorder and guide them to a newfound sense of purpose.

b. What activities and services will be provided to meet the intended purpose of these funds?

These funds will be directly used for veterans entering our 12-week program. They will also be used to support male and female veterans and their families or loved ones in our virtual curriculum.

c. What direct services will be provided to citizens by the appropriation project?

Our 12-week life-restoring program is supported by holistic and wellness-based services. Services include trauma therapy, equine therapy, physical training, pathfinder/experiential therapy, movement/posture therapy, spiritual/life coaching, horticulture therapy, meal planning.

d. Who is the target population served by this project? How many individuals are expected to be served?

Persons with poor mental health, persons with poor physical health, jobless persons, homeless, physically disabled and veterans. 200 veterans will be served virtually and 15 on campus.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Veterans reported improved physical health including fat loss, muscle gained, more energy, and improved mobility. Veterans reported improved mental health including lessening feelings of depression and anxiety and improvement of their quality of sleep. Veterans reported improved mental-health with less suicidal thoughts, impacting both themselves and their families/loved ones. Veterans reported increase in sense of purpose. Veterans reported decrease in substance abuse and increase in healthy outlets and coping mechanisms.
