

SENATE DISTRICT 18 “UNSUNG HERO” NOMINATION FORM

Senate District 18 is home to many communities, all with their own vibrant histories and local treasures. What makes these communities particularly special are the people who make a positive difference in the lives of others around them. I would like to honor the residents of Senate District 18 who have not received public recognition for the difference they have made, and who are truly “unsung heroes.” Please include all of the requested information about the person you would like to nominate. If selected, the individual will receive a special recognition from Senator Simpson.
