THE BIG ISSUES

SENATOR TADDEO WAS ON 60 MINUTES TALKING ABOUT THE RUSSIAN HACK OF NATIONAL DEMOCRATS' DATA THAT INVOLVED HER CONGRESSIONAL CAMPAIGN.

Senator Taddeo spoke to Bill Whitaker about a report that explained how the Russians stole critical information from the Democratic Congressional Campaign Committee (DCCC) in 2016 and disseminated it to undermine political candidates in 2016

-Bill Whitaker: You describe South Florida as rough and tumble. But this seems to ratchet it up a notch?

-Annette Taddeo: We've seen a lot here. But this was, this was a foreign government. This was so much bigger.

You know, I've been told by a lotta people, "You should stop talking about this. It's really not good for you politically to remind people that you lost." But I refuse to stop talking about it. Because, again, if it can happen to me, it can happen to anyone. And it didn't happen to me: It happened to our democracy.

PET BILL PRESS CONFERENCE

Sen. Taddeo and Rep. Sam Killebrew held a press conference to announce bipartisan legislation to end deceptive Rent-to-Own Pet Leasing. Sen. Taddeo issued the following statement: "To many of us, our pets are part of our family. Once they are home with us, I can't fathom being forced to choose between making a monthly lease payment or having the pet repossessed."
