

THE FLORIDA SENATE  
2011 SUMMARY OF LEGISLATION PASSED  
**Committee on Community Affairs**

**HB 93 — Security Cameras**

by Rep. Steube and others (SB 172 by Senator Bennett)

In response to ongoing litigation, the bill (Chapter 2011-8, L.O.F.) reenacts a section of law created by Chapter 2009-96, L.O.F. (SB 360 (2009 Regular Session)) to eliminate any possible question that it could be subjected to a single-subject challenge or struck down as an unconstitutional unfunded mandate. The bill does not change the law, but reenacts a section of law created by Chapter 2009-96, L.O.F., which prevents local governments from requiring that a business spend funds for security cameras. The section does not limit the ability of a county, municipality, airport, seaport, or other local governmental entity to adopt standards for security cameras.

These provisions became law upon approval by the Governor on April 27, 2011.
