From the funds in Specific Appropriations 5 and 84, \$201,603,122 is provided for school districts and charter schools to provide salary increases to full-time classroom teachers and certified prekindergarten teachers funded in the Florida Education Finance Program (FEFF), and other instructional personnel. Each school district and charter school shall use 1.07 percent of its base FEFF funding amount as provided in HB 5001, to either (a) increase the minimum base salary reported on the school district's or charter school's performance salary schedule, as defined in section 1012.22(1)(c), Florida Statutes, to at least \$47,500 or the maximum amount achievable based on the amount the 1.07 percent generates, or (b) to provide salary increases to other full-time instructional personnel as defined in section 1012.01(2), Florida Statutes. If a school district or charter school uses all or a portion of its funds to increase the minimum base salary, no eligible full-time classroom teacher or eligible certified prekindergarten teacher shall receive a minimum base salary less than the adjusted amount.
