10. Is future-year funding likely to be requested?

Yes

a. If yes, indicate non-recurring amount per year.

\$1,000,000

11. Program Performance:

a. What is the specific purpose or goal that will be achieved by the funds requested?

The funds, if approved, would provide the necessary construction phase funding for the Old Corry Field Road Bridge Replacement Project. The County has completed the design phase (spent or encumbered a total of \$219K of Local Funds), has received permit approvals, and is attempting to allocate construction funds to replace the bridge. The project will serve as an additional hurricane evacuation route, relieve congestion on SR292 and SR295, and provide beneficial social, environmental and economic impacts to the area.

b. What are the activities and services that will be provided to meet the intended purpose of these funds?

Economic Development, Hurricane Evacuation, and Congestion Relief to SR292, SR295 and other surrounding corridors. The increased mobility options and access will benefit the new commercial and residential developments in the area and will also positively impact tourism.
