11. Program Performance:

a. What is the specific purpose or goal that will be achieved by the funds requested?

A mobile command vehicle offers a police department the flexibility to respond to critical incidents and establish a mobile command center. A vehicle such as this has the capability to supply the command staff and officers with state of the art communication capabilities, a mobile conference/briefing room and technological resources while in the field.

b. What are the activities and services that will be provided to meet the intended purpose of these funds?

During the tragedy that took place at Marjory Stoneman Douglas High School, on February 14, 2018, the Margate Police Department's mobile command vehicle deployed to assist and provide resources to the responding officers. In addition, These vehicles are also utilized to attend special events within the community, as well as assist with mutual aid requests from surrounding agencies. The existing vehicle was refurbished in 2009; however this vehicle has outlived its service life and is in need of replacement. The vehicle can no longer operate as a mobile command center which has proven to be essential for law enforcement operations.
