Local Funding Initiative Request

Fiscal Year 2019-2020

LFIR#: 1126

1. Title of Project: Collier County Golden Gate City Outfall System Enhancement

2. Senate Sponsor: Kathleen Passidomo

3. Date of Submission: 01/30/2019

4. Project/Program Description:

The majority of the Golden Gate City outfall system is 40 years old and in disrepair. Normal rain events produce excessive standing water for long periods of time. Hurricane Irma demonstrated the frailty and lack of capacity of this antiquated system. This project will repair or replace the existing stormwater facilities and provide for necessary enhancements in the northwest quadrant of the area.

11. Program Performance:

a. What is the specific purpose or goal that will be achieved by the funds requested?

This project will repair or replace the existing stormwater facilities and provide for necessary enhancements to better address excessive standing water during normal rain events and reduce flooding risks during high rainfall events.

b. What are the activities and services that will be provided to meet the intended purpose of these funds?

To mitigate against excessive standing water, thereby reducing flooding and improving public safety.

c. What are the direct services to be provided to citizens by the appropriations project?

Improve water quality and alleviate flooding.

d. Who is the target population served by this project? How many individuals are expected to be served?

A low to moderate income population of 23,961.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Better conveyance of standing water and reduction in frequency and severity of flooding in the northwest quadrant of Golden Gate City.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Standard penalties are sufficient.

12. The owner(s) of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owner(s) of the facility and the entity.
