

The Florida Senate

Local Funding Initiative Request

Fiscal Year 2019-2020

LFIR#: 1201

1. Title of Project: South Daytona Septic to Sewer Conversion Project

2. Senate Sponsor: Travis Hutson

3. Date of Submission: 01/22/2019

4. Project/Program Description:

The South Daytona Septic to Sewer Conversion Project involves connecting those properties still utilizing a septic tank sewage disposal system to municipal sewer where available. There are a total of 224 such properties within South Daytona. Of those properties, 171 have voluntarily signed up to participate in this project. Construction activities in Phase I are scheduled to begin in January 2019. Construction activities will involve locating existing septic tank and City sewer service. The septic tank will then be abandoned in place by pumping it out, punching a hole in the bottom to prevent it from floating and filling it full of dirt. The sewage disposal line coming from the home will then be re-routed to the City sewer service located at the front of the property. The removal of septic tank sewage disposal systems within coastal regions greatly benefits the environment by removing nutrients, such as nitrogen, before they are released into nearby water bodies.

5. State Agency to receive requested funds : Department of Environmental Protection

State Agency Contacted? Yes

6. Amount of the Nonrecurring Request for Fiscal Year 2019-2020

Type of Funding	Amount
Operations	
Fixed Capital Outlay	400,000
Total State Funds Requested	400,000

7. Total Project Cost for Fiscal Year 2019-2020 (including matching funds available for this project)

Type of Funding	Amount	Percent
Total State Funds Requested (from question #6)	400,000	100.00%
Federal	0	0.00%
State (excluding the amount of this request)	0	0.00%
Local	0	0.00%
Other	0	0.00%
Total Project Costs for Fiscal Year 2019-2020	400,000	100.0%

8. Has this project previously received state funding? Yes

Fiscal Year (yyyy-yy)	Amount		Specific Appropriation #	Vetoed
	Recurring	NonRecurring		
2016-17		500,000		No

9. Is future-year funding likely to be requested? No

each of the required construction milestone completion times listed in Section 00550 until each are completed or, if no construction milestones are listed, the time specified for final completion until the Work has been fully completed. All milestone completion dates, including substantial and final completion, will be determined solely by the Owner. The OWNER has the option to retain this amount from the compensation otherwise paid to the BIDDER. Should the total amount chargeable as liquidated damages exceed the amount due or payable to the CONTRACTOR or his/her Surety, then such excess shall be paid to the OWNER by the CONTRACTOR or his/her Surety.

12. The owner(s) of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owner(s) of the facility and the entity.

The City of South Daytona is the owner of the city sewer lines and will be responsible for connecting the homeowner lines to the city lines.
