Total State Funds Requested (must equal total from question #6)		700,013

11. Program Performance:

a. What is the specific purpose or goal that will be achieved by the funds requested?

1). Reduce amount of materials entering water bodies down stream. 2). Reduce flooding and washouts in area of project.

b. What are the activities and services that will be provided to meet the intended purpose of these funds?

Replace failed storm-water pipes in the Pasadena Place subdivision of the City of Gulfport - The project proposes the replacement of these piped segments to remove aging infrastructure and improve the quality of water discharged downstream. Within the project area four (4) 48" inch Storm-water pipes convey flows connected north of the project area to locations south of the project area, where they terminate at a headwall. The project proposes the replacement of these piped segments to remove aging infrastructure and improve the quality of water discharged downstream.

c. What are the direct services to be provided to citizens by the appropriations project?

Water quality improvements.

d. Who is the target population served by this project? How many individuals are expected to be served?

Residents of the City of Gulfport and Pinellas County - Population immediately adjacent to Boca Ciega Bay.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

1). Reduced flooding and washouts. = Document decrease in continued or recurring flooding damage to surrounding area. 2). Reduced amount of materials entering water bodies down stream. = Continued water quality testing in immediate area of Boca Ciega Bay.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Project Funds would not be re-reimbursed to the City of Gulfport upon project completion and inspection.

12. The owner(s) of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the
