11. Program Performance:

a. What is the specific purpose or goal that will be achieved by the funds requested?

The purpose or goal is to repair the clock tower on the Lafayette County Courthouse. The courthouse is a historical building in desperate need of repair.

b. What are the activities and services that will be provided to meet the intended purpose of these funds?

Maintain the historical fabric of the only governmental, iconic structure in Lafayette County.

c. What are the direct services to be provided to citizens by the appropriations project?

Providing a level of safety to citizens and constitutional officers working within the courthouse. Risk or threat is removed by correcting and replacing failing early 1900s materials.

d. Who is the target population served by this project? How many individuals are expected to be served?

The target population served by this project are the employees, citizens, and visitors of Lafayette County. At least 5,000 individuals are expected to be served by this project.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The outcome of this project is to preserve the historical significance of the clock tower along with providing a higher level of safety to citizens and constitutional officers working within the courthouse.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

The standard contract penalties.

12. The owner(s) of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owner(s) of the facility and the entity.

Lafayette County
