11. Program Performance:

a. What is the specific purpose or goal that will be achieved by the funds requested?

The two bus shelters will provide additional shelters throughout the city. These shelters will accommodate more students and provide them with safety and a place to wait for the school bus during adverse weather.

b. What are the activities and services that will be provided to meet the intended purpose of these funds?

The bus shelters to be constructed will provide a central location in a specified area of the city along two roads in the city.

c. What are the direct services to be provided to citizens by the appropriations project?

This project will provide safety for kids waiting for the school bus and shelter for adverse weather.

d. Who is the target population served by this project? How many individuals are expected to be served?

1) Children waiting on the school bus. 2) The entire City of Jacob.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

This project will create a safe place in the city to wait on school buses picking up and dropping children off.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Standard contract penalties.

12. The owner(s) of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owner(s) of the facility and the entity.
