## Local Funding Initiative Request

### Fiscal Year 2019-2020

LFIR#: 1761

1. **Title of Project:** Historic Pier Enhancement Project

2. **Senate Sponsor:** Travis Hutson

3. **Date of Submission:** 02/12/2019

4. **Project/Program Description:**

The City of Anna Maria is re-constructing the historic Anna Maria Pier. The pier is located in Tampa Bay and serves as a social and scenic landmark for visitors and locals of the Tampa Bay Area. The original pier was condemned by the Army Corp. of Engineers, and a new pier is being re-constructed using modern eco-friendly materials along with the latest in environmental technology.

**11. Program Performance:**

**a. What is the specific purpose or goal that will be achieved by the funds requested?**

The funds request is to rehabilitate and restore the City of Anna Maria Pier landmark which plays a pivotal role as a destination place for residents and tourists of the Tampa Bay area.

**b. What are the activities and services that will be provided to meet the intended purpose of these funds?**

The City of Anna Maria Pier is a destination for local citizens and tourists from around the world. The pier offers the Tampa Bay community and tourists access to beautiful Florida waters, fishing, environmental/ecological appreciation, and dolphin and manatee observing.

**c. What are the direct services to be provided to citizens by the appropriations project?**

The Pier enhances the experience for the Tampa Bay community and tourists while visiting the area. The Pier is a vital enhancement that draws people to the local community and the area.

**d. Who is the target population served by this project? How many individuals are expected to be served?**

The target population served by this project are: 1. Elderly persons; 2. Preschool students; 3. Grade school students; 4. High School Students; 5. University/College Students; 6. Other tourists. There will be over 800 individuals daily expected to be served.

**e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?**

Construction of a new pier.

**f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?**

Standard contract penalties.

**12. The owner(s) of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owner(s) of the facility and the entity.**

City of Anna Maria
