11. Program Performance:

- a. What is the specific purpose or goal that will be achieved by the funds requested?**
To preserve the beach without the need for beach re-nourishment.
- b. What are the activities and services that will be provided to meet the intended purpose of these funds?**
This is for Capital Improvement Project
- c. What are the direct services to be provided to citizens by the appropriations project?**
Prevention of sedimentation and erosion of sand from shores provides beach use for all citizens.
- d. Who is the target population served by this project? How many individuals are expected to be served?**
Target population includes residents and tourists that visit Maderia Beach and the surrounding area.
- e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?**
The expected outcome is reduction of sand outflow, which will enhance and improve our beach environment. This will be measured by the reduced need for re-nourishment.
- f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?**
Return of appropriated funds

12. The owner(s) of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owner(s) of the facility and the entity.

N/A
