**11. Program Performance:**

**a. What is the specific purpose or goal that will be achieved by the funds requested?**

Construction of a building to serve as a public library and events center for the City of Winter Park.

**b. What are the activities and services that will be provided to meet the intended purpose of these funds?**

Promotes literacy and continued learning, provides public access to information through books, magazines, and Wi-Fi, provides a multi-use space for the community to gather and host events, serves as a local history center, and provides a spaces for small business and home business owners for public Wi-Fi.

**c. What are the direct services to be provided to citizens by the appropriations project?**

The library encourages literacy and lifelong learning to all community members, specifically for at-risk and low income populations, through public access to information via books, computers, and Wi-Fi which will also aid in workforce development. The event center provides community and economic development through hosting community centered events.

**d. Who is the target population served by this project? How many individuals are expected to be served?**

The City of Winter Park, with a population of approximately 30,000.

**e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?**

To encourage community, economic, and educational development. The outcomes will be measured through utilization of the public building and its facilities.

**f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?**

Standard contract penalties.

**12. The owner(s) of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owner(s) of the facility and the entity.**

The City of Winter Park
