Engineering		
<b>Total State Funds Requested (must equal total from question #6)</b>		<b>850,000</b>

**11. Program Performance:**

**a. What is the specific purpose or goal that will be achieved by the funds requested?**

Opportunities for a public wastewater disposal system in the region will promote future economic development along the State Road 207 corridor.

**b. What are the activities and services that will be provided to meet the intended purpose of these funds?**

Installation of a wastewater system to promote economic development while promoting environmental awareness through the removal of outdated septic systems.

**c. What are the direct services to be provided to citizens by the appropriations project?**

Citizens will be provided wastewater disposal opportunities not currently offered.

**d. Who is the target population served by this project? How many individuals are expected to be served?**

Currently an estimated 500 citizens are anticipated to receive a direct benefit from the installation of a wastewater system, however, the entire region will receive direct and secondary benefits in the form of economic benefit due to access to public wastewater system.

**e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?**

Reduction/Elimination of direct sewer discharge into the St Johns River that will result in elimination of FDEP direct discharge permits, BMAP nutrient reduction credits, and a reduction in residential complaints due to uninterrupted service.

**f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?**

Contracting agency to absorb costs associated with features of work failing to meet deliverables or performance measures provided in contract.

**12. The owner(s) of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owner(s) of the facility and the entity.**

Putnam County BoCC.
