Total State Funds Requested (must equal total from question #6)		250,000

11. Program Performance:

a. What is the specific purpose or goal that will be achieved by the funds requested?

The installation of LED lights at an existing outdoor facility.

b. What are the activities and services that will be provided to meet the intended purpose of these funds?

Installation of lights on existing tennis courts to broaden the use of facility.

c. What are the direct services to be provided to citizens by the appropriations project?

The new tennis lights will enable expanded ability for education, recreation, and competition in the evening hours.

d. Who is the target population served by this project? How many individuals are expected to be served?

The target population served is children from grade school up to adults. The lights will allow for an increase in the number of people using the facility.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The benefit will be additional physical activity and social interaction as well as supporting educational programs.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Forfeiture of funds.

12. The owner(s) of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owner(s) of the facility and the entity.
