11. Program Performance:

a. What is the specific purpose or goal that will be achieved by the funds requested?

The goal is for the safe removal of asbestos contaminated buildings, and meeting permitting regulations.

b. What are the activities and services that will be provided to meet the intended purpose of these funds?

Activities and services provided include obtaining construction services through the city's procurement process for asbestos testing, abatement, demolition, and clean up of 50+ condemned buildings/structures.

c. What are the direct services to be provided to citizens by the appropriations project?

Improved life, health, safety & protection of the general public.

d. Who is the target population served by this project? How many individuals are expected to be served?

Residents, visitors, and the general public. Greater than 19,000.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Expected benefit or outcome include improved life, health, and safety of the general public with the removal of hazardous asbestos contaminated, unsafe buildings and structures.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Standard contract penalties.

12. The owner(s) of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owner(s) of the facility and the entity.

City of Belle Glade.
