LFIR # 1246

#### 11. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

This project will minimized flooding problems in the community. Enhance the quality of surface water runoff by reducing contaminates in the swale/French Drainage Systems and treat water prior to reaching the Floridian Aquifer and canals.

b. What activities and services will be provided to meet the intended purpose of these funds?

The installation of drainage systems, road re-surfacing, stripping, sidewalks and ADA ramps installation. This funding is for construction only.

c. What direct services will be provided to citizens by the appropriation project?

There will be no direct services but benefitting the whole community.

d. Who is the target population served by this project? How many individuals are expected to be served?

The Vista Verde Community Phase#4 area - serving approximately 200 individuals.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Improve stormwater management, improve groundwater quality, improve surface water quality, enhance/preserve/improve environmental or fish and wildlife quality, protect the general public from harm due to flooding.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Time to complete the project per contract/bid.
