Fiscal Year 2020-2021

LFIR # 2084

11. Program Performance

- a. What specific purpose or goal will be achieved by the funds requested?

To provide improved traffic circulation and increased pedestrian and vehicular safety.

- b. What activities and services will be provided to meet the intended purpose of these funds?

The roadways will be widened and turn lane will be installed.

- c. What direct services will be provided to citizens by the appropriation project?

The safety of the roadway will be improved and congestion will be reduced.

- d. Who is the target population served by this project? How many individuals are expected to be served?

The target population are the residents of Walton County and the City of Freeport as well as tourists and commuters who use SR-20 traveling through the City of Freeport.

- e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The benefit will be the reduction of traffic delays (measured by traffic counts), the reduction of vehicular accidents (measured by reports), and the reduction of pedestrian and driver fatalities.

- f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

The funding may be eliminated due to lack of performance.
