I. Summary:

This bill amends the territorial boundaries of the Florida Inland Navigation District to include Nassau County. In addition, this bill increases the membership of the district’s governing board from 11 to 12 members to reflect the addition of Nassau County.

This bill substantially amends ss. 374.982, F.S., and 374.983, F.S.

II. Present Situation:

Section 374.982, F.S. creates an independent special taxation district known as the “Florida Inland Navigation District.” The territorial boundaries of the district currently include the counties of Duval, St. Johns, Flagler, Volusia, Brevard, St. Lucie, Martin, Indian River, Palm Beach, Broward, and Miami-Dade. The Florida Inland Navigation District is governed by a Board of Commissioners composed of 11 members who are qualified electors residing in the district. No two members of the board can reside in the same county in the district.

Section 374.984, F.S., provides that the Board of Commissioners perform and do all things which shall be requisite and necessary to comply with the requirements and conditions imposed upon a “local interest” by the Congress of the United States in the several acts authorizing and directing the improvement and maintenance of the Intracoastal Waterway from St. Mary’s River to the southernmost boundary of Miami-Dade County. Those acts include, but are not limited to, the Rivers and Harbors Act approved January 21, 1927, as amended by the River and Harbor Act approved July 3, 1930; the River and Harbor Act of 1938; and s. 107 of the Federal River and Harbor Act of 1960.

III. Effect of Proposed Changes:

This bill amends s. 374.982, F.S., by increasing the territorial boundaries of the Florida Inland Navigation District to include Nassau County, subject to the approval of the levy of ad valorem taxation by a majority vote of the qualified electors of Nassau County.

Amends s. 374.983 (1), F.S., by increasing the membership of the Board of Commissioners from 11 to 12, in order to reflect the addition of Nassau County into the district.

Amends s. 374.983 (2), F.S., by specifying the Governor's power to appoint the additional commissioner from Nassau County to an initial term and subsequent 4-year terms.

Revises obsolete references to Dade County in order to reflect the county's name change to Miami-Dade County.

Upon the request of the Board, the tax assessor, tax collector, and board of county commissioners of each of the counties shall deliver any and all information regarding the tax valuation, assessments, collection and any other information regarding the levy, assessment, and collection of taxes in each of the counties in the district.
