boys are at risk of being overweight and 13.7 percent are 2 overweight, and 3 WHEREAS, during meal periods, federal regulations prohibit the sale of certain foods in the food service area of 4 5 a school which are of minimal nutritional value, NOW, 6 THEREFORE, 7 8 Be It Enacted by the Legislature of the State of Florida: 9 10 Section 1. Short title.--This act may be cited as the 11 "Childhood Obesity Prevention Act." Section 2. Regulation of food sold on school campuses 12 and for fundraising purposes; penalties .--13 (1) Effective for the 2004-2005 school year, food that 14 is sold a la carte or in vending machines on any public school 15 campus must meet the following criteria: 16 17 (a) From one-half hour before school begins to one-half hour after the end of the school day, only the 18 19 following beverages may be sold to students on campus: 20 1. Any fruit juice or fruit-juice based drink that 21 contains at least 30 percent fruit juice. 22 2. Drinking water. 3. Low-fat, reduced-fat, and fat-free milk, including, 23 24 but not limited to, chocolate milk, strawberry milk, soy milk, 25 nondairy milk, and rice milk. (b) From one-half hour before school begins to 26

one-half hour after the end of the school day, the following

Any food that is of minimal nutritional value, as

snacks may not be sold to students on campus:

defined in 7 C.F.R. s. 210.11(a)(2), or snacks that do not

contain whole grain, enriched or fortified grains, or grain products.

- 2. Any food that contains 35 percent of the total calories from added sugars, excluding those sugars that are naturally occurring.
- (c) Beverages or food that is sold as a fundraising tool by a school club, organization, or association must meet the requirements of paragraphs (a) and (b).
- vending machines located on school campuses. The district school board must approve all food sold in vending machines or a la carte on school campuses or sold as fundraising tools to ensure that the food meets the requirements under subsection (1).
- (3) The Department of Agriculture and Consumer
  Services may impose a fine not exceeding \$500 per offense
  against the school superintendent or the person responsible
  for supervising the club, organization, or association if a
  school stocks items in a vending machine or if a club,
  organization, or association sells food as a fundraising tool
  in violation of subsection (1). The fine shall be deposited
  by the department in the Nutrition Education Trust Fund.

Section 3. Subsection (2) of section 500.121, Florida Statutes, is amended to read:

500.121 Disciplinary procedures.--

(2) (a) Any manufacturer, processor, packer, or distributor who misrepresents or mislabels the country of origin of any food may, in addition to any penalty provided in this chapter, be subject to an additional administrative fine of up to \$10,000 per violation.

(b) The Department of Agriculture and Consumer Services may impose a fine not exceeding \$10,000 against any manufacturer, processor, packer, or distributor that misrepresents nutritional information on food labels, which fine, when imposed and paid, shall be deposited in the Nutrition Education Trust Fund. Section 4. This act shall take effect July 1, 2004. SENATE SUMMARY Creates the Childhood Obesity Prevention Act. Provides for nutritional standards for food that is available to school children on school campuses. Requires district school boards to approve all food sold on public school campuses or sold for fundraising purposes. Provides for penalties.
