7	Section 2. Paragraph (a) of subsection (7) of section
8	947.1405, Florida Statutes, is amended to read:
9	947.1405 Conditional release program
10	(7)(a) Any inmate who is convicted of a crime
11	committed on or after October 1, 1995, or who has been
12	previously convicted of a crime committed on or after October
13	1, 1995, in violation of chapter 794, s. 800.04, s. 827.071,
14	or s. 847.0145, and is subject to conditional release
15	supervision, shall have, in addition to any other conditions
16	imposed, the following special conditions imposed by the
17	commission:
18	1. A mandatory curfew from 10 p.m. to 6 a.m. The
19	commission may designate another 8-hour period if the
20	offender's employment precludes the above specified time, and
21	such alternative is recommended by the Department of
22	Corrections. If the commission determines that imposing a
23	curfew would endanger the victim, the commission may consider
24	alternative sanctions.
25	2. If the victim was under the age of 18, a
26	prohibition on living within 1,000 feet of a school, day care
27	center, park, playground, designated public school bus stop,
28	or other place where children regularly congregate. A releasee
29	who is subject to this subparagraph may not relocate to a
30	residence that is within 1,000 feet of a public school bus
31	stop. Beginning October 1, 2004, the commission or the

3

department may not approve a residence that is located within 1 2 1,000 feet of a school, day care center, park, playground, designated school bus stop, or other place where children 3 regularly congregate for any releasee who is subject to this 4 subparagraph. On October 1, 2004, the department shall notify 5 each affected school district of the location of the residence б 7 of a releasee 30 days prior to release and thereafter, if the 8 releasee relocates to a new residence, shall notify any affected school district of the residence of the releasee 9 within 30 days after relocation. If, on October 1, 2004, any 10 public school bus stop is located within 1,000 feet of the 11 existing residence of such releasee, the district school board 12 13 shall relocate that school bus stop. Beginning October 1, 14 2004, a district school board may not establish or relocate a public school bus stop within 1,000 feet of the residence of a 15 releasee who is subject to this subparagraph. The failure of 16 the district school board to comply with this subparagraph 17 18 shall not result in a violation of conditional release 19 supervision. 3. Active participation in and successful completion 20 of a sex offender treatment program with gualified 21 practitioners therapists specifically trained to treat sex 2.2 23 offenders, at the releasee's own expense. If a gualified 24 practitioner specially trained therapist is not available within a 50-mile radius of the releasee's residence, the 25 offender shall participate in other appropriate therapy. 26 4. A prohibition on any contact with the victim, 27 28 directly or indirectly, including through a third person, 29 unless approved by the victim, the offender's therapist, and

30 31 the sentencing court.

5. If the victim was under the age of 18, a
prohibition against direct contact or association with
children under the age of 18 without review and approval by

a recommendation for contact issued by a qualified
practitioner who is basing the recommendation on a risk
assessment. Further, the sex offender must be currently
enrolled in or have successfully completed a sex offender
therapy program. The commission may not grant supervised
contact with a child if the contact is not recommended by a
qualified practitioner and may deny supervised contact with a

Subsection (1) of section 948.30, Florida 24 Statutes, is amended to read: 948.30 Additional terms and conditions of probation or 25 community control for certain sex offenses.--Conditions 26 imposed pursuant to this section do not require oral 27 28 pronouncement at the time of sentencing and shall be 29 considered standard conditions of probation or community 30 control for offenders specified in this section. 31

1	(1) Effective for probationers or community
2	controllees whose crime was committed on or after October 1,
3	1995, and who are placed under supervision for violation of
4	chapter 794, s. 800.04, s. 827.071, or s. 847.0145, the court
5	must impose the following conditions in addition to all other
б	standard and special conditions imposed:
7	(a) A mandatory curfew from 10 p.m. to 6 a.m. The
8	court may designate another 8-hour period if the offender's
9	employment precludes the above specified time, and <u>the</u> $rac{\mathrm{such}}{\mathrm{such}}$
10	alternative is recommended by the Department of Corrections.
11	If the court determines that imposing a curfew would endanger
12	the victim, the court may consider alternative sanctions.
13	(b) If the victim was under the age of 18, a
14	prohibition on living within 1,000 feet of a school, day care
15	center, park, playground, or other place where children
16	regularly congregate, as prescribed by the court. The
17	1,000-foot distance shall be measured in a straight line from
18	the offender's place of residence to the nearest boundary line
19	of the school, day care center, park, playground, or other
20	place where children congregate. The distance may not be
21	measured by a pedestrian route or automobile route.
22	(c) Active participation in and successful completion
23	of a sex offender treatment program with <u>qualified</u>
24	practitioners therapists specifically trained to treat sex
25	offenders, at the probationer's or community controllee's own
26	expense. If a <u>qualified practitioner</u> specially trained
27	therapist is not available within a 50-mile radius of the
28	probationer's or community controllee's residence, the
29	offender shall participate in other appropriate therapy.
30	(d) A prohibition on any contact with the victim,
31	directly or indirectly, including through a third person,

10

The court may approve supervised contact with a child under 10 the age of 18 if the approval is based upon a recommendation 11 for contact issued by a qualified practitioner who is basing 12 13 the recommendation on a risk assessment. Further, the sex 14 offender must be currently enrolled in or have successfully completed a sex offender therapy program. The court may not 15 grant supervised contact with a child if the contact is not 16 recommended by a qualified practitioner and may deny 17 supervised contact with a child at any time. When considering 18 19 whether to approve supervised contact with a child, the court must review and consider the following: 20 1. A risk assessment completed by a qualified 21 22 practitioner. The qualified practitioner must prepare a written report that must include the findings of the 23 24 assessment and address each of the following components: a. The sex offender's current legal status; 25 b. The sex offender's history of adult charges with 26 apparent sexual motivation; 27 28 c. The sex offender's history of adult charges without 29 apparent sexual motivation; d. The sex offender's history of juvenile charges, 30 31 <u>whenever available;</u>

1	e. The sex offender's offender treatment history,
2	including consultations with the sex offender's treating, or
3	most recent treating, therapist;
4	f. The sex offender's current mental status;
5	g. The sex offender's mental health and
б	substance-abuse-treatment history as provided by the
7	Department of Corrections;
8	h. The sex offender's personal, social, education, and
9	work history;
10	i. The results of current psychological testing of the
11	sex offender if determined necessary by the qualified
12	practitioner;
13	j. A description of the proposed contact, including
14	the location, frequency, duration, and supervisory
15	<u>arrangement;</u>
16	k. The child's preference and relative comfort level
17	with the proposed contact, when age-appropriate;
18	1. The parent's or legal guardian's preference
19	regarding the proposed contact; and
20	m. The qualified practitioner's opinion, along with
21	the basis for that opinion, as to whether the proposed contact
22	would likely pose significant risk of emotional or physical
23	harm to the child.
24	
25	The written report of the assessment must be given to the
26	court.
27	2. A recommendation made as a part of the risk
28	assessment report as to whether supervised contact with the
29	child should be approved;
30	3. A written consent signed by the child's parent or
31	legal guardian, if the parent or legal guardian is not the sex

offender, agreeing to the sex offender having supervised 1 2 contact with the child after receiving full disclosure of the sex offender's present legal status, past criminal history, 3 and the results of the risk assessment. The court may not 4 5 approve contact with the child if the parent or legal guardian refuses to give written consent for supervised contact. б 7 4. A safety plan prepared by the qualified 8 practitioner, who provides treatment to the offender, in 9 collaboration with the sex offender, the child's parent or legal guardian, if the parent or legal guardian is not the sex 10 offender, and the child, when age appropriate, which details 11 the acceptable conditions of contact between the sex offender 12 13 and the child. The safety plan must be reviewed and approved 14 by the court; and 5. Evidence that the child's parent or legal guardian 15 understands the need for and agrees to the safety plan and has 16 agreed to provide, or to designate another adult to provide, 17 18 constant supervision any time the child is in contact with the 19 offender. 20 The court may not appoint a person to conduct a risk 21 22 assessment and may not accept a risk assessment from a person 23 who has not demonstrated to the court that he or she has met 24 the requirements of a qualified practitioner as defined in 25 this section. (f) If the victim was under age 18, a prohibition on 26 working for pay or as a volunteer at any school, day care 27 28 center, park, playground, or other place where children 29 regularly congregate, including, but not limited to, schools, day care centers, parks, playgrounds, pet stores, libraries, 30 zoos, theme parks, and malls. 31

1	(g) Unless otherwise indicated in the treatment plan
2	provided by the sexual offender treatment program, a
3	prohibition on viewing, <u>accessing,</u> owning, or possessing any
4	obscene, pornographic, or sexually stimulating visual or
5	auditory material, including telephone, electronic media,
б	computer programs, or computer services that are relevant to
7	the offender's deviant behavior pattern.
8	(h) Effective for probationers and community
9	controllees whose crime is committed on or after July 1, 2005,
10	a prohibition on accessing the Internet or other computer
11	services until the offender's sex offender treatment program,
12	after a risk assessment is completed, approves and implements
13	a safety plan for the offender's accessing or using the
14	Internet or other computer services.
15	(i) (h) A requirement that the probationer or community
16	controllee must submit a specimen of blood or other approved
17	biological specimen to the Department of Law Enforcement to be
18	registered with the DNA data bank.
19	(j) (i) A requirement that the probationer or community
20	controllee make restitution to the victim, as ordered by the
21	court under s. 775.089, for all necessary medical and related
22	professional services relating to physical, psychiatric, and
23	psychological care.
24	(k)(j) Submission to a warrantless search by the
25	community control or probation officer of the probationer's or
26	community controllee's person, residence, or vehicle.
27	Section 5. For the purpose of incorporating the
28	amendments made to section 947.1405, Florida Statutes, in a
29	reference thereto, paragraph (b) of subsection (3) of section
