By the Committee on Education; and Senator Wise

581-2254-06

| 1  | A bill to be entitled                                          |
|----|----------------------------------------------------------------|
| 2  | An act relating to supplemental educational                    |
| 3  | services; providing for student access to and                  |
| 4  | provider accountability for supplemental                       |
| 5  | educational services in Title I schools;                       |
| 6  | providing definitions; providing                               |
| 7  | responsibilities of the Department of                          |
| 8  | Education, local educational agencies,                         |
| 9  | providers of supplemental educational services,                |
| 10 | and parents to provide additional academic                     |
| 11 | instruction designed to increase the academic                  |
| 12 | achievement of eligible students; providing                    |
| 13 | criteria that must be met by a provider                        |
| 14 | approved by the department; providing for                      |
| 15 | department monitoring and evaluation of                        |
| 16 | provider performance; providing a complaint                    |
| 17 | process for determination of provider and local                |
| 18 | educational agency compliance with law;                        |
| 19 | providing an effective date.                                   |
| 20 |                                                                |
| 21 | Be It Enacted by the Legislature of the State of Florida:      |
| 22 |                                                                |
| 23 | Section 1. Supplemental educational services in Title          |
| 24 | I schools; student access and provider accountability          |
| 25 | (1) As used in this section:                                   |
| 26 | (a) "Eligible student" means a student from a                  |
| 27 | low-income family, as evidenced by eliqibility for free or     |
| 28 | reduced price lunch, and who attends a Title I school in the   |
| 29 | school's second year of school improvement, corrective action, |
| 30 | or restructuring, as defined by the No Child Left Behind Act.  |
| 31 |                                                                |

31

| 1   | (b) "Parent" means the person or persons legally               |
|-----|----------------------------------------------------------------|
| 2   | responsible for the quardianship of the student, including a   |
| 3   | legal quardian.                                                |
| 4   | (c) "Supplemental educational service providers" or            |
| 5   | "SES providers" are faith-based organizations, for-profit and  |
| 6   | nonprofit businesses, local educational agencies, schools,     |
| 7   | institutes of higher education, community groups, and regional |
| 8   | educational service agencies approved by the Department of     |
| 9   | Education to provide additional academic instruction designed  |
| 10  | to increase the academic achievement of eliqible Title I       |
| 11  | students.                                                      |
| 12  | (d) "Supplemental educational services" or "SES" means         |
| 13  | additional academic instruction provided outside the regular   |
| 14  | school day that is designed to increase the academic           |
| 15  | achievement of low-income students, as defined by eliqibility  |
| 16  | for free or reduced-price meals, who attend qualifying schools |
| 17  | as defined by the No Child Left Behind Act.                    |
| 18  | (e) "Title I" is the Elementary and Secondary                  |
| 19  | Education Act of 1965 program that focuses on improving the    |
| 20  | academic achievement of disadvantaged students by ensuring     |
| 21  | that all students have a fair, equal, and significant          |
| 22  | opportunity to obtain a high-quality education and reach, at a |
| 23  | minimum, proficiency on challenging state academic standards   |
| 24  | and assessments.                                               |
| 25  | (2) The Department of Education is responsible to:             |
| 26  | (a) Annually make available to the public a list of            |
| 27  | all approved SES providers in the state no later than June 1.  |
| 28  | (b) Notify each school district of the approved SES            |
| 29  | providers for their students located in their district. If     |
| 3.0 | there are no state-approved SES providers available for a      |

| 1  | school district, the department shall contact the district and |
|----|----------------------------------------------------------------|
| 2  | offer assistance.                                              |
| 3  | (3) At a minimum, a school district must do the                |
| 4  | following:                                                     |
| 5  | (a) After the department releases the school-adequate          |
| 6  | yearly progress designations, the school district must create  |
| 7  | a streamlined, one-step school choice or SES parent            |
| 8  | registration and SES provider selection procedures. The        |
| 9  | procedures must be user friendly, with one point of contact at |
| 10 | the school district level. The school district application     |
| 11 | process for parents selecting school choice with               |
| 12 | transportation or SES must not be burdensome and must be       |
| 13 | similar to other school-based application procedures, such as  |
| 14 | the procedures used to apply for free or reduced price lunch.  |
| 15 | (b) No later than 10 days after the official state             |
| 16 | release of adequate yearly progress designations, each school  |
| 17 | district must:                                                 |
| 18 | 1. Provide notification to the parents of all                  |
| 19 | potentially eliqible students. The notice must:                |
| 20 | a. Be publicly available, be provided in an                    |
| 21 | understandable and uniform format, and, to the extent          |
| 22 | practicable, in a language the parents can understand.         |
| 23 | b. Include a statement that the child may be eligible          |
| 24 | to receive school choice, with transportation provided, to     |
| 25 | another public school that has not been identified for school  |
| 26 | improvement or the student may be eligible for supplemental    |
| 27 | educational tutoring services, provided that the demand for    |
| 28 | services does not exceed capacity to provide the services and  |
| 29 | the student meets all eligibility requirements.                |
| 30 | c. Provide a minimum of 30 days from the date of               |
| 31 | notification for parents to notify the school district         |

2.2

2.4

2.5

2.8

regarding their selection of school choice with transportation
or SES.

- d. Describe the procedures created in paragraph (a), any student eliqibility requirements that must still be met, parental expectations and rights, the timeline of the process, and the school district contact phone number, e-mail address, and office address.
- e. Include the statement that, "Your child may be eliqible to receive one of these additional education services from the school district. These programs will not cost you additional money and may greatly benefit your child. Your prompt reply will enable us to serve you better."
- 2. Provide notice to SES providers requesting their notice of intent to provide SES services within the school district as a state-approved provider of SES.
- yearly progress designations, the SES provider must sign a letter of intent with each school district in which they intend to provide services. The letter of intent must specify the minimum and maximum number of students the SES provider agrees to serve at each school building or other site. The minimum and maximum number of students they agree to serve must be the same as that used to secure state approval. If there are no SES providers willing to serve a district, the district shall contact the department for assistance.
- (d) The school district shall, within 15 days before the start of the school year, ask parents of potentially eliqible students who have not requested services whether they need assistance in selecting school choice with transportation or SES. Such assistance shall be unbiased.

| 1  | (e) The school district shall, within 30 days before           |
|----|----------------------------------------------------------------|
| 2  | the start of the school year, provide to all parents of        |
| 3  | potentially eligible students who have not selected school     |
| 4  | choice with transportation a list of contact information for,  |
| 5  | and a brief description of all the services provided by        |
| 6  |                                                                |
|    | locally available state-approved SES providers, as well as the |
| 7  | timeline for the selection of, enrollment in, and commencement |
| 8  | of services. Such assistance must be unbiased and not provide  |
| 9  | an advantage for one SES provider over another, including the  |
| 10 | school district if the school district is an approved SES      |
| 11 | provider.                                                      |
| 12 | (f) The school district shall provide a central point          |
| 13 | of contact for additional assistance, if such assistance is    |
| 14 | requested. The school district must ensure that the            |
| 15 | assistance is unbiased and does not provide advantage for one  |
| 16 | SES provider over another.                                     |
| 17 | (q) At least 15 days before the start of the school            |
| 18 | year, if a parent selected school choice with transportation,  |
| 19 | the parent must be notified of their student's selection or    |
| 20 | non-selection by the school district to receive this service,  |
| 21 | including that the student may still be eligible to receive    |
| 22 | SES if the student does not receive school choice with         |
| 23 | transportation.                                                |
| 24 | (h) On or around the first day of school, each school          |
| 25 | district must send home with potentially eligible students     |
| 26 | information reminding parents of their opportunity to enroll   |
| 27 | their children in supplemental educational services.           |
| 28 | (i) No later than 15 days after the start of school,           |
| 29 | the parent shall communicate their preferences of SES          |
| 30 | providers to the school district. The school district must     |
| 31 |                                                                |

have also already obtained permission from the parents to release assessment data to the SES provider.

- (j) No later than 25 days after the start of school, if the number of parents that select a SES provider's program is below the district minimum number of students per site as indicated in their state-approved application and letter of intent, the school district shall notify the SES provider of this in writing and the provider has 5 business days to respond as to whether or not they will provide services. If the SES provider does not respond or if the SES provider withdraws, all students who selected this SES provider shall be automatically placed with the alternate choices selected by their parents and the parents will be so informed. The department will be notified of this action taken by the school district.
- (k) No later than 35 days after the school start date, the contract for services between the school district and the SES provider must be signed and the school district must provide the provider with the names of the students who have elected to receive their services. SES providers shall be afforded at least 15 business days from the date the contract is executed to start delivering services.
- (1) No later than 60 days after the start of school, the student must begin receiving services.
- (m) If the number of students signed up to receive services 60 days after the start of school is less than the number eliqible, the district must offer at least a second enrollment period to the parents of all potentially eliqible and unserved students in the same manner as prescribed above. This second notification shall include a list of the approved service providers for the school district. A district shall

| 1  | notify all parents of eligible students, even if they failed   |
|----|----------------------------------------------------------------|
| 2  | to respond to the initial notifications.                       |
| 3  | (n) This section does not preclude students who are            |
| 4  | new to the district or school from receiving SES services.     |
| 5  | (o) If a student receiving SES services moves to               |
| 6  | another school within the district, the services may continue  |
| 7  | at the discretion of the parent.                               |
| 8  | (p) If a district is appealing its AYP designation, it         |
| 9  | must still prepare to contract with providers in the event the |
| 10 | appeal is denied.                                              |
| 11 | (q) If funding required to provide services to every           |
| 12 | eligible student who has enrolled to participate exceeds 20    |
| 13 | percent of Title I funds that must be allocated toward such    |
| 14 | services, districts may prioritize students according to       |
| 15 | federal quidelines. However:                                   |
| 16 | 1. A school district may not prioritize students               |
| 17 | before demonstrating that the cost of providing SES services   |
| 18 | exceeds the 20 percent obligated for services based on actual  |
| 19 | demand; and                                                    |
| 20 | 2. Prioritization may not result in less than 20               |
| 21 | percent of Title I funding to be spent on supplemental         |
| 22 | educational services.                                          |
| 23 | (r) Districts must provide access to school facilities         |
| 24 | to SES providers who wish to use these sites for supplemental  |
| 25 | educational services on the same basis and terms as other      |
| 26 | organizations that seek access to the school building.         |
| 27 | (s) Each SES provider must begin providing services no         |
| 28 | later than 60 days after the start of school.                  |
| 29 | (t) Each SES provider shall create a specific                  |
| 30 | statement of achievement goals for each student, which must be |
| 31 | developed in consultation with the student's parent. The       |

| 1  | development of these goals may not occur before the provider  |
|----|---------------------------------------------------------------|
| 2  | assesses the student's academic needs or gaps.                |
| 3  | (u) The statement of goals the provider prepares for          |
| 4  | each student must include:                                    |
| 5  | 1. An analysis of student's skill gaps identified             |
| 6  | through a provider's pre-assessment instrument, if available; |
| 7  | 2. A timetable for improving the student's                    |
| 8  | achievement; and                                              |
| 9  | 3. A description of how each student's progress will          |
| 10 | be measured and how each student's parent and public school   |
| 11 | instructors will be regularly informed of that progress.      |
| 12 | (3) Providers or school districts may not provide             |
| 13 | incentives to entice a student or a student's parent or       |
| 14 | quardian to choose them as a provider. After a provider has   |
| 15 | been chosen, the student may be awarded for performance or    |
| 16 | attendance with incentives, the total value of which may not  |
| 17 | exceed \$50.                                                  |
| 18 | (4) Penalties for noncompliance                               |
| 19 | (a) If a school district has met all demand from              |
| 20 | parents and students for transportation and supplemental      |
| 21 | education services related to school choice as defined by the |
| 22 | State Board of Education, any unused portion of Title I funds |
| 23 | reserved may be reallocated to other purposes either during   |
| 24 | the year in which the reservation was made or, subject to the |
| 25 | 15-percent limit, in the following year, subject to the       |
| 26 | equitable participation requirements of Title I. If there are |
| 27 | no state-approved SES providers willing to serve in a         |
| 28 | district, and the district notified the department, the       |
| 29 | department shall release that portion of the 20-percent       |
| 30 | set-aside that has not been used for choice with              |
| 31 | transportation or supplemental educational services.          |

| 1  | (b) A SES provider must be prepared to deliver                 |
|----|----------------------------------------------------------------|
| 2  | services to districts in which the SES provider is approved by |
| 3  | the state. If a state-approved SES provider withdraws from     |
| 4  | offering services to students in a school district for which   |
| 5  | it is approved and in which they have signed a letter of       |
| 6  | intent or a contract to provide services, the school district  |
| 7  | must report the SES provider to the department and the SES     |
| 8  | provider will be immediately removed from the state-approved   |
| 9  | list for the current school year for that school district.     |
| 10 | Upon a second offense occurring in any school district, the    |
| 11 | provider is ineligible to provide SES services in the state    |
| 12 | for the following year.                                        |
| 13 | (5) The State Board of Education may adopt rules               |
| 14 | pursuant to ss. 120.536(1) and 120.54 to implement the         |
| 15 | provisions of this section and may enforce the provisions of   |
| 16 | this section pursuant to s. 1008.32.                           |
| 17 | Section 2. This act shall take effect July 1, 2006.            |
| 18 |                                                                |
| 19 |                                                                |
| 20 |                                                                |
| 21 |                                                                |
| 22 |                                                                |
| 23 |                                                                |
| 24 |                                                                |
| 25 |                                                                |
| 26 |                                                                |
| 27 |                                                                |
| 28 |                                                                |
| 29 |                                                                |
| 30 |                                                                |
| 31 |                                                                |

| The committee substitute revises the responsibilities of the Department of Education, school districts, and providers of supplemental educational services. The bill:  -Revises the timelines for the delivery of services;  -Eliminates the complaint resolution process;  -Eliminates the requirement that unobligated funds may only be spent if 50 percent of demand is met;  -Eliminates the requirement for parents of eligible students to decline services;  -Requires school districts to meet all demand for supplemental educational services before unobligated funds are spent;  -Allows the Department of Education to release unused funds if there are no state-approved providers willing to serve a district;  -Eliminates certain requirements for provider agreements;  -Eliminates the Department of Education's specific authority | 1                                              | STATEMENT OF SUBSTANTIAL CHANGES CONTAINED IN COMMITTEE SUBSTITUTE FOR |
