II. Present Situation:

Section 19(f), Art. III of the State Constitution requires that all newly created agency trust funds terminate no later than four years after the initial creation unless re-created. Section 373.103, F.S., creates the Grants and Donations Trust Fund within the Fish and Wildlife Conservation Commission. The trust fund is established for use as a depository for funds to be used for allowable grant and donor agreement activities funded by restricted contractual revenue. The revenue sources of the fund consist of grants and donations from private and public nonfederal sources, interest earnings and cash advances from other trust funds. Anticipated revenues for this fund in Fiscal Year 2007-2008 are \$2.0 million, and appropriations total \$2.0 million.

Currently, the trust fund is set to terminate on July 1, 2009, pursuant to s. 19(f), Art. III of the State Constitution.
