(10) Notwithstanding subsection (2), for the 2009-2010 fiscal year, the capital outlay levy shall be reduced to 1.5 mills if the millage is raised to 2 mills under subsection (2); however, the capital outlay levy may not be reduced if the millage is lowered to 1.5 mills under subsection (2). If the revenue from 1.5 mills is insufficient to meet the payments due under a lease-purchase agreement entered into before June 30, 2009, by a district school board pursuant to paragraph (2)(e) or

currently included in the district capital work plan, adopted pursuant to s. 1013.35, to meet other critical district fixed capital outlay needs or to use bond assurance authority granted to the board under the American Recovery and Reinvestment Act of 2009, the board, in addition to the 1.5 mills, may levy up to 0.50 mills for fixed capital outlay in addition to the discretionary mills for operations as provided in the General Appropriations Act for the 2009-2010 fiscal year. A district's revenues generated by the capital outlay levy pursuant to this subsection and paragraph (2) (e) may not exceed the amount generated by the district's 2-mill levy ending on June 30, 2007. Millage levied pursuant to this subsection is subject to the provisions of s. 200.065.
