(6)(a) Each district school board and community college board of trustees may establish a separate fee for capital improvements, technology enhancements, or equipping buildings which may not exceed 5 percent of tuition for resident students or 5 percent of tuition and out-of-state fees for nonresident students. Funds collected by community colleges through the fee may be bonded only for the purpose of financing or refinancing new construction and equipment, renovation, or remodeling of educational facilities. The fee shall be collected as a component part of the tuition and fees, paid into a separate account, and expended only to construct and equip, maintain, improve, or enhance the certificate career education or adult education facilities of the school district or community college. Projects and acquisitions of improved real property funded through the use of the capital improvement fee must meet the survey and construction requirements of chapter 1013. Pursuant to s. 216.0158, each district school board and community college board of trustees shall identify each project, including maintenance projects, proposed to be funded in whole or in part by such fee. Capital improvement fee revenues may be pledged by a board of trustees as a dedicated revenue source to the repayment of debt, including lease-purchase agreements, with an overall term of not more than 7 years, including renewals, extensions, and refundings, and revenue bonds with a term not exceeding 20 years and not exceeding the useful life of the asset being financed, only for the new construction and equipment, renovation, or remodeling of educational facilities. Bonds authorized pursuant to this paragraph shall be requested by the community college board of trustees and shall be issued

by the Division of Bond Finance in compliance with s. 11(d), Art. VII of the State Constitution and the State Bond Act. The Division of Bond Finance may pledge fees collected by one or more community colleges to secure such bonds. Any project included in the approved educational plant survey pursuant to chapter 1013 is approved pursuant to s. 11(f), Art. VII of the State Constitution. Bonds issued pursuant to the State Bond Act may be validated in the manner provided by chapter 75. The complaint for such validation shall be filed in the circuit court of the county where the seat of state government is situated, the notice required to be published by s. 75.06 shall be published only in the county where the complaint is filed, and the complaint and order of the circuit court shall be served only on the state attorney of the circuit in which the action is pending. A maximum of 15 cents per credit hour may be allocated from the capital improvement fee for child care centers conducted by the district school board or community college board of trustees. The use of capital improvement fees for such purpose shall be subordinate to the payment of any bonds secured by the fees.

(b) A Florida College System institution that has met less than 65 percent of its relative space needs, as determined by the Division of Florida Colleges by January 1 of each year, may establish a capital improvement fee that may not exceed 20 percent of tuition for resident students or 20 percent of tuition and out-of-state fees for nonresident students for the subsequent 5 fiscal years. Funds collected through the capital improvement fee in accordance with this paragraph which exceed 5 percent of tuition for resident students or 5 percent of tuition

and out-of-state fees for nonresident students may not be bonded. Funds collected through the capital improvement fee in accordance with this paragraph may be spent on any project or improved real property acquisition that meets the survey and construction requirements of chapter 1013.

(c) (b) The state does hereby covenant with the holders of the bonds issued under paragraph (a) that it will not take any action that will materially and adversely affect the rights of such holders so long as the bonds authorized by paragraph (a) are outstanding.

Section 2. Subsection (11) of section 1009.23, Florida Statutes, is amended to read:

1009.23 Community college student fees.-

(11) (a) Each community college board of trustees may establish a separate fee for capital improvements, technology enhancements, or equipping student buildings which may not exceed 10 percent of tuition for resident students or 10 percent of the sum of tuition and out-of-state fees for nonresident students. The fee for resident students shall be limited to an increase of \$2 per credit hour over the prior year. Funds collected by community colleges through the fee may be bonded only as provided in this subsection for the purpose of financing or refinancing new construction and equipment, renovation, or remodeling of educational facilities. The fee shall be collected as a component part of the tuition and fees, paid into a separate account, and expended only to construct and equip, maintain, improve, or enhance the educational facilities of the community college. Projects and acquisitions of improved real property funded through the use of the capital improvement fee

shall meet the survey and construction requirements of chapter 1013. Pursuant to s. 216.0158, each community college shall identify each project, including maintenance projects, proposed to be funded in whole or in part by such fee.

- (b) Capital improvement fee revenues may be pledged by a board of trustees as a dedicated revenue source to the repayment of debt, including lease-purchase agreements, with an overall term of not more than 7 years, including renewals, extensions, and refundings, and revenue bonds with a term not exceeding 20 annual maturities and not exceeding the useful life of the asset being financed, only for financing or refinancing of the new construction and equipment, renovation, or remodeling of educational facilities. Bonds authorized pursuant to this subsection shall be requested by the community college board of trustees and shall be issued by the Division of Bond Finance in compliance with s. 11(d), Art. VII of the State Constitution and the State Bond Act. The Division of Bond Finance may pledge fees collected by one or more community colleges to secure such bonds. Any project included in the approved educational plant survey pursuant to chapter 1013 is approved pursuant to s. 11(f), Art. VII of the State Constitution.
- (c) Bonds issued pursuant to this subsection may be validated in the manner provided by chapter 75. Only the initial series of bonds is required to be validated. The complaint for such validation shall be filed in the circuit court of the county where the seat of state government is situated, the notice required to be published by s. 75.06 shall be published only in the county where the complaint is filed, and the complaint and order of the circuit court shall be served only on
