Section 2. The Legislature finds that it is a public necessity that information identifying a donor or prospective donor to the Automobile Insurance Fraud Strike Force directsupport organization of the Division of Insurance Fraud be made confidential and exempt from public records requirements if such donor or prospective donor desires to remain anonymous. Fraudulent activity in the personal injury protection insurance system in this state has reached unprecedented levels. The direct-support organization is created for the purpose of supporting efforts by the Division of Insurance Fraud to investigate, prosecute, and prevent motor vehicle insurance fraud. In order to obtain support for the organization and its mission, it is necessary to promote the raising of private funds for these anti-fraud efforts. An essential element of such support is the need to protect the identity of prospective and actual donors who desire to remain anonymous. There is a chilling effect on donations when the identity of individual donors is subject to disclosure because donors are concerned about the disclosure of sensitive personal information, which can lead to theft, including identity theft, and jeopardize the personal safety and security of such individuals. The disclosure of the identity of an entity that is a prospective or actual donor can also provide competitors in the marketplace with insights into the finances of that entity and thereby cause injury to the entity. The chilling effect on donations would, in turn, impede the efforts of the state to combat motor vehicle insurance fraud. Therefore, the Legislature finds that it is a public necessity to make confidential and exempt from public records requirements information that would identify a donor or

585-03564-12 20121862c1 prospective donor to the motor vehicle insurance fraud direct-support organization if such donor or prospective donor wishes to remain anonymous.

Section 3. This act shall take effect on the same date that CS for SB 1860 or similar legislation takes effect, if such legislation is adopted in the same legislative session, or an extension thereof, and becomes law.
