I. Summary:

The bill transfers the Florida Council on Military Base and Mission Support (council) to the Florida Defense Support Task Force (task force), including the council's statutory public records exemption. It repeals the statute that creates the council (s. 288.984, F.S.)

This bill substantially amends section 288.987 and repeals section 288.984 of the Florida Statutes.

II. Present Situation:

Military and defense spending is one of the top contributors to Florida's overall economy at \$64 billion statewide.¹ The state is home to 21 military bases and missions, making defense Florida's third-largest job producer.² The Legislature established the council and task force to deal with recruiting, improving and sustaining the significant military presence in Florida.

The federal base realignment and closure (BRAC) is a law that establishes the process which the Department of Defense (DoD) will use when determining which military installations that will be closed and or realigned.³

The BRAC process reflects a desire to eliminate excess capacity, experience the savings from that reduction and fund higher priority weapon platforms and troop training.⁴ The last round of BRAC was in 2005. At this point in time, there has been no public announcement for the next round of BRAC and no future BRAC rounds scheduled at this time.⁵

It is anticipated that the announcement for the next round of BRAC will be made either by President Obama during the State of the Union (during January of this year) or by the release of the Department of Defense's budget (February 6, 2012).

The Florida Council on Military Base and Mission Support

The Florida Council on Military Base and Mission Support (council) was created in 2009.⁶ The council provides oversight of the initiatives, claims, and actions taken on behalf of the state relating to future (BRAC) activities.

The mission of the council is to:

- Support and strengthen all United States Department of Defense missions and bases located in this state;
- Know the capabilities of all state military installations in order to understand and be supportive of future military growth opportunities in this state;
- Support local community efforts relating to mission support of a military base by acting as a liaison between the local communities and the Legislature; and
- Enhance Florida's defense economy.⁷

The council consists of 9 members and are appointed as follows:

- The President of the Senate shall appoint one member of the Senate, one community representative from a community-based defense support organization, and one member who is a retired military general or flag-rank officer residing in this state or an executive officer of a defense contracting firm doing significant business in this state.
- The Speaker of the House of Representatives shall appoint one member of the House of Representatives, one community representative from a community-based defense support organization, and one member who is a retired military general or flag-rank officer residing in this state or an executive officer of a defense contracting firm doing significant business in this state.
- The Governor shall appoint the executive director of the Department of Economic Opportunities (department) or the director's designee, a board member of Enterprise Florida, Inc., and one at-large member.⁸

³ The Defense Base Closure and Realignment of 1990 (1990 Base Closure Act), Public Law 101-510 established the process by which Department of Defense (DOD) installations would be closed and/or realigned.

⁷ Section 288.984(1) (a)-(d), F.S.

The council received administrative support from the Governor's Office of Tourism, Trade, and Economic Development (OTTED) but has not received any specific funding since its inception. Each January, the council is required to submit a report to the Governor and the Legislature on its activities and provide recommendations. In the 2010 Annual Report of the council recommended the following:

- Dedicated funding for specific staffing for the council; and
- Funding request for \$50,000 to fund its operations, travel, and other necessities to accomplish its mission.⁹

The Florida Defense Support Task Force

The Legislature also created the Florida Defense Support Task Force.¹⁰ The purpose of the Florida Defense Support Task Force (task force) is to protect Florida's current military bases and commands and continue the state's long standing relationship with the Department of Defense by making Florida more military friendly. The task force received \$5 million in funding for last fiscal year.

The mission of the task force is to make recommendations to prepare the state to effectively compete in any federal base realignment and closure action, to support the state's position in research and development related to or arising out of military missions and contracting, and to improve the state's military-friendly environment for service members, military dependents, military retirees, and businesses that bring military and base-related jobs to the state.¹¹

The composition of the task force of 13 members is as follows:

- The Governor or his or her designee;
- Four members appointed by the Governor;
- Four members appointed by the President of the Senate; and
- Four members appointed by the Speaker of the House of Representatives.

Appointed members must represent defense-related industries or communities that host military bases and installations. All appointments must be made by August 1, 2011. Members shall serve for a term of 4 years, with the first term ending July 1, 2015. However, if members of the Legislature are appointed to the task force, those members shall serve until the expiration of their legislative term and may be reappointed once. A vacancy shall be filled for the remainder of the unexpired term in the same manner as the initial appointment. All members of the council are eligible for reappointment. A member who serves in the Legislature may participate in all task force activities but may only vote on matters that are advisory.

The President of the Senate and the Speaker of the House of Representatives shall each designate one of their appointees to serve as chair of the task force. The chair shall rotate each July 1. The appointee designated by the President of the Senate shall serve as initial chair. If the Governor,

instead of his or her designee, participates in the activities of the task force, then the Governor shall serve as chair.

III. Effect of Proposed Changes:

Section 1 of the bill creates a type two transfer of the authority, rights, responsibilities, rules and all other resources of the Florida Council on Military Base and Mission Support to the Florida Defense Support Task Force.

Section 2 of the bill amends s. 163.3175, F.S., to transfer the authority of the council to the task force to recommend to the Legislature changes to the military installations and local governments based upon a military base's potential for impacts from encroachment, and incompatible land uses and development.

Section 3 of the bill repeals s. 288.984, F.S., which established the council.

Section 4 of the bill amends s. 288.985, F.S., to transfer the public records exemption from the council to the task force.

Section 5 of the bill amends s. 288.987, F.S., to give the executive director of the Department of Economic Opportunities, or his designee, status as a nonvoting ex officio executive director of the task force. It also provides for the Department of Economic Opportunities to contract with the task force for expenditure of appropriated funds to carry out its mission.

Section 6 of the bill provides an effective date of July 1, 2012.
