 21 Florida Statutes, to read:

22 163.3180 Concurrency.—

23 (7) (a) Notwithstanding any provision of law, ordinance, or
 24 resolution to the contrary, a local government may not apply
 25 transportation concurrency within its jurisdiction and may not
 26 require a proportionate-share contribution or construction for
 27 new business development before July 1, 2016, unless authorized

28 | by the affirmative majority vote of the local government's
29 | governing authority.

30 | (b) Paragraph (a) does not apply to proportionate-share
31 | contribution or construction assessed on existing developments
32 | before July 1, 2013.

33 | (c) In order to maintain the exemption from transportation
34 | concurrency and proportionate-share contribution or construction

52 | by the local government.

53 | (e) Upon written notification to the local government, a
54 | developer may elect to have the local government apply

55 transportation concurrency and proportionate-share contribution
56 or construction to a business development.

57 (f) This subsection expires July 1, 2017.

58 Section 2. Subsection (6) is added to section 163.31801,
59 Florida Statutes, to read:

60 163.31801 Impact fees; short title; intent; definitions;

64 district may not impose any new or existing impact fee or any

66 transportation impacts on new business development until July 1,
67 2016, unless authorized by the affirmative majority vote of the

72 (b) Paragraph (a) does not apply to any impact fee or fee
73 associated with the mitigation of transportation impacts
74 previously enacted by law, ordinance, or resolution assessed on
75 existing business development before July 1, 2013.

76 (c) In order to maintain the exemption from impact fees
77 and fees associated with the mitigation of transportation
78 impacts pursuant to paragraph (a), a new business development
79 must receive a certificate of occupancy by July 1, 2017. If the
80 certificate of occupancy is not received by July 1, 2017, the

84 been applied but for this subsection. Any outstanding obligation
85 related to impact fees and fees associated with the mitigation
86 of transportation impacts on the development runs with the land
87 and is enforceable against any person claiming a fee interest in
88 the land subject to that obligation.

89 (d) This subsection does not apply if it requires any
90 modification to the financing of a county, municipality, or
91 special district that would invalidate existing contracts,
92 including debt obligations or covenants and agreements relating
93 to bonds validated or issued by the county, municipality, or
94 special district.

95 (e) Upon notification to the county, municipality, or
96 special district, a developer may elect to have impact fees and
