3 **Amendment**

4 Remove lines 27-42 and insert:

5 (b) Solely for the purposes of this section, the
6 department shall require that a service provider, vendor, or
7 well owner or operator report to the Chemical Disclosure
8 Registry, at a minimum, the total volume of water used in the
9 hydraulic fracturing treatment, each chemical ingredient that is
10 subject to 29 C.F.R. s. 1910.1200(g) (2), and the ingredient
11 concentration in the hydraulic fluid by mass for each well on
12 which hydraulic fracturing treatments are performed.

13 (c) If the Chemical Disclosure Registry is unable to
