Amendment

Between lines 367 and 368, insert:

6 (2) The form for an assignee's deed shall include a blank
7 space for the property appraiser's parcel identification number
8 describing the property conveyed, which number, if available,
9 shall be entered on the deed before it is presented for
10 recording. The failure to include such blank space or the parcel
11 identification number, or the inclusion of an incorrect parcel
12 identification number, does not affect the validity of the
13 conveyance or the recordability of the deed. Such parcel
14 identification number is not a part of the legal description of
15 the property otherwise set forth in the deed and may not be used
16 as a substitute for the legal description of the property being
17 conveyed.
