14 this section for state-funded residents who reside in an
15 assisted living facility that holds a limited mental health
16 license. The department shall establish performance measures for
17 mental health services provided to state-funded residents of
18 assisted living facilities and report performance on an annual
19 basis pursuant to s. 216.013. The department shall adopt rules
20 relating to procedures and penalties to administer this section.

21 (4) The Agency for Health Care Administration shall include
22 in contracts with Medicaid reform plans, prepaid mental health
23 plans, and managed care contract providers a requirement that
24 residents have an assigned case manager; have services during
25 evenings, weekends, and holidays; have emergency psychiatric
26 care when needed; and have a detailed protocol that explains how
27 the provider will ensure appropriate supervision of the clinical
28 needs of Medicaid-eligible individuals who reside in an assisted
29 living facility that holds a limited mental health license. The
30 agency shall require Medicaid managed care plans and prepaid
31 mental health plans to establish performance measures for mental
32 health services provided to state-funded residents of assisted
33 living facilities and to report performance on an annual basis
34 to the agency. The agency shall adopt rules relating to
35 procedures and penalties to administer this section.

36 (5) The department shall enter into an interagency
37 agreement with the Agency for Health Care Administration which
38 delineates their respective responsibilities and procedures for
39 enforcing the requirements of this section relating to
40 regulatory oversight of the needs of mental health residents who
41 reside in assisted living facilities and contracted mental
42 health providers.
