I. Summary:

SB 156 reduces some of the fees required to register a motor vehicle, vessel or mobile home, and returns them to the amount required prior to September 1, 2009. The fee reductions result in a \$12 per year savings in the amount paid to register a motor vehicle, \$2.00 to register a vessel, and either \$4.50 or \$9.00 to register a mobile home. The fee reductions will take effect September 1, 2014.

The Revenue Impact Conference met on January 9, 2014, and forecast a negative cash impact in Fiscal Year 2014-2015 of \$185 million and a recurring negative impact of \$236.7 million.

II. Present Situation:

Motor Vehicle Registration Fees

In 2009, the fees required for annual motor vehicle registrations and other fees related to the issuance of driver licenses, identification cards, driver license reinstatements, motor vehicle titles, and driver records were increased. The revenues received from the increased fees were deposited into the General Revenue Fund.

Section 320.04(1)(a), F.S., provides for a service charge of \$5.00 for each application of an original, duplicate or transfer of any license plate, mobile home sticker, or validation sticker, including the transfer or duplicate issuance of any registration certificate. Of the \$5.00 service charge, \$2.50 is deposited into the General Revenue Fund, and the remainder is retained by the Department of Highway Safety and Motor Vehicles (DHSMV) or the county tax collector.

Section 320.04(1)(b), F.S., provides for a service charge of \$3.00 for each license plate validation sticker, vessel decal, and mobile home sticker issued from an automated vending facility or a printer dispenser machine. The fee is payable to the DHSMV; \$1.00 is used to provide the dispenser machines and \$2.00 is deposited into the General Revenue Fund.

Section 320.06(3)(b), F.S., provides for a \$1.50 fee on each motor vehicle registration or renewal registration issued in order to treat all license plate validation stickers with retroreflection material. Of the \$1.50 fee, \$1.00 is deposited into the General Revenue Fund and 50 cents is deposited into the Highway Safety Operating Trust Fund in the DHSMV.

Section 320.0804, F.S., provides for a \$4.00 surcharge on each annual license tax imposed under s. 320.08, F.S., (excluding mobile homes); \$2.00 is deposited into the General Revenue Fund, \$1.00 is deposited into the State Transportation Trust Fund in the Department of Transportation, and \$1.00 is deposited into the Highway Safety Operating Trust Fund in the DHSMV.

Section 320.08046, F.S., provides for a \$5.50 surcharge on each annual license tax imposed under s. 320.08, F.S., (excluding mobile homes); \$4.50 is deposited into the General Revenue Fund and \$1.00 is deposited into the Grants and Donations Trust Fund in the Department of Juvenile Justice.

III. Effect of Proposed Changes:

Section 1 amends s. 320.04, F.S., to decrease from \$5.00 to \$2.50 the service charge imposed on each application for an original issuance, duplicate issuance or transfer of any license plate, mobile home sticker or validation sticker, including the transfer or duplicate issuance of any registration certification. The revenue from the reduced service charge will be deposited into the Highway Safety Operating Trust Fund in the DHSMV, or retained by the county tax collector. (The proposed decrease lowers the service charge to the amount that was charged prior to the 2009 increase in motor vehicle fees.)

This section also decreases from \$3.00 to \$1.00 the service charge imposed on the issuance of a registration receipt for a vehicle, vessel or mobile home registration and specifies the fee be payable to and retained by the DHSMV. The revenue from the reduced service charge will be deposited into the Highway Safety Operating Trust Fund in the DHSMV. (The proposed decrease lowers the service charge to the amount that was charged prior to the 2009 increase in motor vehicle fees.)

Section 2 amends s. 320.06(3)(b), F.S., to decrease from \$1.50 to 50 cents the fee imposed on each motor vehicle registration issued for treating all license plates and validation stickers with retroflective material. The revenue from the reduced fee will be deposited into the Highway Safety Operating Trust Fund in the DHSMV. (The proposed decrease lowers the fee to the amount that was charged prior to the 2009 increase in motor vehicle fees.)

Section 3 amends s. 320.0804, F.S., to decrease the surcharge on each license tax imposed under s. 320.08, F.S., excluding mobile home registrations. The surcharge is decreased from \$4.00 to \$2.00. From the reduced surcharge revenue, \$1.00 will be deposited into the State Transportation Trust Fund in the Department of Transportation and \$1.00 will be deposited into the Highway Safety Operating Trust Fund in the DHSMV. (The proposed decrease lowers the surcharge to the amount that was charged prior to the 2009 increase in motor vehicle fees.)

Section 4 amends s. 320.08046, F.S., to decrease the surcharge on each license tax imposed under s. 320.08, F.S., excluding mobile home registrations. The surcharge is decreased from \$5.50 to \$1.00. The revenue from the reduced surcharge will be deposited into the Grants and Donations Trust Fund in the Department of Juvenile Justice. (The proposed decrease lowers the surcharge to the amount that was charged prior to the 2009 increase in motor vehicle fees.)

Section 5 reenacts s. 320.0807, F.S. to incorporate changes made to s. 320.06, F.S.

The bill takes effect on September 1, 2014.
