By the Committee on Education; and Senator Flores

	581-02474-14 2014530c1
1	A bill to be entitled
2	An act relating to postsecondary education textbook
3	and instructional materials affordability; amending s.
4	1004.085, F.S.; defining the term "instructional
5	materials"; requiring the State Board of Education and
6	the Board of Governors to adopt textbook and
7	instructional materials affordability policies,
8	procedures, and guidelines; revising requirements for
9	those policies, procedures, and guidelines; providing
10	requirements for the use of adopted undergraduate
11	textbooks and instructional materials and authorizing
12	exceptions; requiring a public postsecondary
13	institution to post in its course registration system
14	and on its website information relating to required
15	and recommended textbooks and instructional materials
16	and prices thereof; requiring annual reporting of
17	textbook and instructional materials cost information
18	and affordability policies and procedures; requiring
19	the Governor to appoint a task force to research
20	options to reduce the cost of textbooks and
21	instructional materials; providing task force
22	membership and duties; amending s. 1001.7065, F.S.;
23	conforming provisions; providing an effective date.
24	
25	Be It Enacted by the Legislature of the State of Florida:
26	
27	Section 1. Section 1004.085, Florida Statutes, is amended
28	to read:
29	1004.085 Textbook and instructional materials

Page 1 of 9

581-02474-14 2014530c1 30 affordability.-31 (1) As used in this section, the term "instructional 32 materials" means educational materials for use within a course 33 which may be available in printed or digital format. 34 (2) (1) An No employee of a Florida College System 35 institution or state university may not demand or receive any 36 payment, loan, subscription, advance, deposit of money, service, 37 or anything of value, present or promised, in exchange for requiring students to purchase a specific textbook or 38 39 instructional material for coursework or instruction. 40 (3) (2) An employee may receive: (a) Sample copies, instructor copies, or instructional 41 42 materials. These materials may not be sold for any type of 43 compensation if they are specifically marked as free samples not 44 for resale. (b) Royalties or other compensation from sales of textbooks 45 46 or instructional materials that include the instructor's own 47 writing or work. (c) Honoraria for academic peer review of course materials. 48 49 (d) Fees associated with activities such as reviewing, 50 critiquing, or preparing support materials for textbooks or 51 instructional materials pursuant to guidelines adopted by the 52 State Board of Education or the Board of Governors. (e) Training in the use of course materials and learning 53 54 technologies. 55 (4) (3) Each Florida College System institution institutions 56 and state university universities shall post prominently in the 57 course registration system and on its website on their websites, 58 as early as is feasible, but at least 14 not less than 30 days

CS for SB 530

1	581-02474-14 2014530c1
59	<u>before</u> prior to the first day of <u>student registration</u> class for
60	each term, a <u>hyperlink to lists</u> list of each textbook required
61	and recommended textbooks and instructional materials for each
62	course <u>and course section</u> offered at the institution during the
63	upcoming term. The <u>lists</u> posted list must include <u>:</u>
64	(a) The International Standard Book Number (ISBN) for each
65	required and recommended textbook and instructional material.
66	(b) For a textbook or instructional material for which an
67	ISBN is not available, textbook or other identifying
68	information, which must include, at a minimum, all of the
69	following: the title, all authors listed, publishers, edition
70	number, copyright date, published date, and other relevant
71	information necessary to identify the specific textbook or
72	instructional material textbooks required and recommended for
73	each course.
74	(c) The new and used retail price and the rental price, if
75	applicable, for a required and recommended textbook or
76	instructional material for purchase at the institution's
77	designated bookstore or other specified vendor, including the
78	website or other contact information for the bookstore.
79	
80	The State Board of Education and the Board of Governors shall
81	include in the policies, procedures, and guidelines adopted
82	under subsection (5) (4) certain limited exceptions to this
83	notification requirement for <u>courses</u> classes added after the
84	notification deadline.
85	(5)(4) The State Board of Education and the Board of
86	Governors each shall adopt <u>textbook and instructional materials</u>
87	affordability policies, procedures, and guidelines for

Page 3 of 9

581-02474-14 2014530c1 88 implementation by Florida College System institutions and state 89 universities, respectively, that further efforts to minimize the 90 cost of textbooks and instructional materials for students 91 attending such institutions while maintaining the quality of 92 education and academic freedom. The policies, procedures, and 93 guidelines shall, at a minimum, require provide for the 94 following: 95 (a) That textbook and instructional material adoptions are 96 made with sufficient lead time to bookstores so as to confirm 97 availability of the requested materials and, where possible, 98 ensure maximum availability of used textbooks and instructional 99 materials books.

(b) That, in the textbook <u>and instructional material</u>
adoption process, the intent to use all items ordered,
particularly each individual item sold as part of a bundled
package, is confirmed by the course instructor or the academic
department offering the course before the adoption is finalized.

(c) That a course instructor or the academic department offering the course determines, before a textbook <u>or</u> <u>instructional material</u> is adopted, the extent to which a new edition differs significantly and substantively from earlier versions and the value <u>to the student</u> of changing to a new edition or the extent to which an open-access textbook <u>or</u> <u>instructional material</u> may exist and be used.

(d) That a textbook or instructional material for an undergraduate course shall remain in use for a minimum of 3 years in that undergraduate course unless an exception is approved by the institution's president or designee. An exception must be based upon a determination that the new

Page 4 of 9

	581-02474-14 2014530c1
117	edition differs significantly and substantially from earlier
118	versions and that there is value to the student in changing to
119	the new edition. The institution's president or designee shall
120	annually report to the institution's board of trustees all
121	exceptions granted, including the rationale used to approve each
122	exception. The annual report shall be maintained on the
123	institution's website.
124	<u>(e)</u> That the establishment of policies shall address the
125	availability of required and recommended textbooks and
126	instructional materials to students otherwise unable to afford
127	the cost, including consideration of the extent to which an
128	open-access textbook or instructional material may be used.
129	(f) (e) That course instructors and academic departments are
130	encouraged to participate in the development, adaptation, and
131	review of open-access textbooks and instructional materials and,
132	in particular, open-access textbooks and instructional materials
133	for high-demand general education courses. The cost benefits of
134	such efforts should be taken into consideration, including
135	comparison with the cost benefits of textbooks and instructional
136	materials produced by publishers.
137	(g) That, for an undergraduate course in which a dual
138	enrollment student may be enrolled, a textbook or instructional
139	material remain in use for a minimum of 5 years.
140	(6) Each Florida College System institution and state
141	university shall report annually to the Chancellor of the
142	Florida College System or the Chancellor of the State University
143	System, as applicable, the cost of undergraduate textbooks and
144	instructional materials, by course and course section; the
145	adoption cycles for high-enrollment courses as determined by the
·	Page 5 of 9

149the textbook and instructional materials posting deadline; and150additional information as determined by the chancellors.151Annually, by December 31, the chancellors shall compile the152institution reports and submit a comprehensive report to the153Governor, the President of the Senate, and the Speaker of the154House of Representatives.155(7) Each Florida College System institution and state156university shall send annually to the State Board of Education157or the Board of Governors, as applicable, electronic copies of158its current textbook and instructional materials affordability159policies and procedures. The State Board of Education and the160Board of Governors shall provide a link to this information on161their respective websites.162(8) (a) The Governor shall appoint a task force that163includes the Chancellor of the Florida College System, the164Chancellor of the State University System, students who are165universities, textbook and instructional materials publishers,168and bookstore owners or managers.169(b) The task force shall research options to reduce the170cost of print and digital textbooks and instructional materials171provided pursuant to subsections (5) and (6) to determine the		581-02474-14 2014530c1
148number of courses and course sections that were not able to meet149the textbook and instructional materials posting deadline; and150additional information as determined by the chancellors.151Annually, by December 31, the chancellors shall compile the152institution reports and submit a comprehensive report to the153Governor, the President of the Senate, and the Speaker of the154House of Representatives.155(7) Each Florida College System institution and state156university shall send annually to the State Board of Education157or the Board of Governors, as applicable, electronic copies of158its current textbook and instructional materials affordability159policies and procedures. The State Board of Education and the160Board of Governors shall provide a link to this information on161their respective websites.162(8) (a) The Governor shall appoint a task force that163includes the Chancellor of the Florida College System, the164Chancellor of the State University System, students who are165currently enrolled in a public postsecondary institutions, state166universities, textbook and instructional materials publishers,168and bookstore owners or managers.169(b) The task force shall research options to reduce the170cost of print and digital textbooks and instructional materials171provided pursuant to subsections (5) and (6) to determine the	146	chancellors; specific initiatives of the institution which
149the textbook and instructional materials posting deadline; and150additional information as determined by the chancellors.151Annually, by December 31, the chancellors shall compile the152institution reports and submit a comprehensive report to the153Governor, the President of the Senate, and the Speaker of the154House of Representatives.155(7) Each Florida College System institution and state156university shall send annually to the State Board of Education157or the Board of Governors, as applicable, electronic copies of158its current textbook and instructional materials affordability159policies and procedures. 185	(c) By July 1, 2015, the task force shall submit
186	recommendations to the Governor, the President of the Senate,
187	and the Speaker of the House of Representatives.
188	Section 2. Paragraph (k) of subsection (4) of section
189	1001.7065, Florida Statutes, is amended to read:
190	1001.7065 Preeminent state research universities program
191	(4) PREEMINENT STATE RESEARCH UNIVERSITY INSTITUTE FOR
192	ONLINE LEARNING.—A state research university that, as of July 1,
193	2013, meets all 12 of the academic and research excellence
194	standards identified in subsection (2), as verified by the Board
195	of Governors, shall establish an institute for online learning.
196	The institute shall establish a robust offering of high-quality,
197	fully online baccalaureate degree programs at an affordable cost
198	in accordance with this subsection.
199	(k) The university shall establish a tuition structure for
200	its online institute in accordance with this paragraph,
201	notwithstanding any other provision of law.
202	1. For students classified as residents for tuition
203	purposes, tuition for an online baccalaureate degree program
	Page 7 of 9

581-02474-14 2014530c1 204 shall be set at no more than 75 percent of the tuition rate as 205 specified in the General Appropriations Act pursuant to s. 206 1009.24(4) and 75 percent of the tuition differential pursuant 207 to s. 1009.24(16). No distance learning fee, fee for campus 208 facilities, or fee for on-campus services may be assessed, 209 except that online students shall pay the university's 210 technology fee, financial aid fee, and Capital Improvement Trust 211 Fund fee. The revenues generated from the Capital Improvement Trust Fund fee shall be dedicated to the university's institute 212 213 for online learning. 214 2. For students classified as nonresidents for tuition 215 purposes, tuition may be set at market rates in accordance with 216 the business plan. 217 3. Tuition for an online degree program shall include all 218 costs associated with instruction, materials, and enrollment, 219 excluding costs associated with the provision of textbooks and

221 laboratory supplies.

220

4. Subject to the limitations in subparagraph 1., tuition may be differentiated by degree program as appropriate to the instructional and other costs of the program in accordance with the business plan. Pricing must incorporate innovative approaches that incentivize persistence and completion, including, but not limited to, a fee for assessment, a bundled or all-inclusive rate, and sliding scale features.

instructional materials pursuant to s. 1004.085 and physical

5. The university must accept advance payment contracts andstudent financial aid.

6. Fifty percent of the net revenues generated from theonline institute of the university shall be used to enhance and
