3 **Amendment (with title amendment)**

4 Remove lines 114-131 and insert:

5 (5) To incentivize water conservation, if actual water use  
6 is less than permitted water use due to documented  
7 implementation of water conservation measures beyond those  
8 required in a consumptive use permit, including, but not limited  
9 to, those measures identified in best management practices  
10 pursuant to s. 570.93, the permitted allocation may not be  
11 modified solely due to such water conservation during the term  
12 of the permit. To promote water conservation and the  
13 implementation of measures that produce significant water  
14 savings beyond those required in a consumptive use permit, each

Amendment No.

15 water management district shall adopt rules providing water  
16 conservation incentives, which may include limited permit  
17 extensions.

18 (6) For consumptive use permits for agricultural  
19 irrigation, if actual water use is less than permitted water use  
20 due to weather events, crop diseases, nursery stock  
21 availability, market conditions, or changes in crop type, a  
22 district may not, as a result, reduce permitted allocation  
23 amounts during the term of the permit.
