163 Section 6. Section 446.092, Florida Statutes, is amended 164 to read:

165 446.092 Criteria for apprenticeship occupations.—An 166 apprenticeable occupation is a skilled trade which possesses all 167 of the following characteristics:

(1) It is customarily learned in a practical way through a
structured, systematic program of on-the-job, supervised
training.

171 (2) It is <u>clearly identified and</u> commonly recognized
172 throughout <u>an</u> the industry or recognized with a positive view
173 towards changing technology.

174 (3) It involves manual, mechanical, or technical skills
175 and knowledge which, in accordance with the industry standards
176 for the occupation, would require a minimum of 2,000 hours of
177 on-the-job work and training, which hours are excluded from the
178 time spent at related instruction.

179 (4) It requires related instruction to supplement on-the 180 job training. Such instruction may be given in a classroom,
 181 <u>through occupational or industrial courses</u> or through

The tuition differential shall promote 506 improvements in the quality of undergraduate education and shall 507 provide financial aid to undergraduate students who exhibit 508 financial need.

509 (a) Thirty Seventy percent of the revenues from the 510 tuition differential shall be expended for purposes of 511 undergraduate education. Such expenditures may include, but are 512 not limited to, increasing course offerings, improving 513 graduation rates, increasing the percentage of undergraduate 514 students who are taught by faculty, decreasing student-faculty 515 ratios, providing salary increases for faculty who have a 516 history of excellent teaching in undergraduate courses, 517 improving the efficiency of the delivery of undergraduate 518 education through academic advisement and counseling, and 519 reducing the percentage of students who graduate with excess 520 hours. This expenditure for undergraduate education may not be

521 -Except used to pay the salaries of graduate teaching assistants. 522 as otherwise provided in this subsection, the remaining 30 523 percent of the revenues from the tuition differential, or the 524 equivalent amount of revenue from private sources, shall be 525 expended to provide financial aid to undergraduate students who 526 exhibit financial need, including students who are scholarship 527 recipients under s. 1009.984, to meet the cost of university 528 attendance. This expenditure for need-based financial aid shall 529 not supplant the amount of need-based aid provided to 530 undergraduate students in the preceding fiscal year from 531 financial aid fee revenues, the direct appropriation for 532 financial assistance provided to state universities in the 533 General Appropriations Act, or from private sources. The total 534 amount of tuition differential waived under subparagraph (b)7. 535 (b)8. may be included in calculating the expenditures for need-536 based financial aid to undergraduate students required by this 537 subsection. This expenditure for need-based financial aid is not 538 required if the entire tuition and fee costs of resident 539 students who have applied for and received Pell Grant funds have 540 been met and the university has excess funds remaining from the 541 30 percent of the revenues from the tuition differential 542 required to be used to assist students who exhibit financial 543 need, the university may expend the excess portion in the same 544 manner as required for the other 70 percent of the tuition 545 differential revenues.

546

(b) Each tuition differential is subject to the following

Page 21 of 29

547 conditions:

548 1. The tuition differential may be assessed on one or more 549 undergraduate courses or on all undergraduate courses at a state 550 university.

2. The tuition differential may vary by course or courses, by campus or center location, and by institution. Each university board of trustees shall strive to maintain and increase enrollment in degree programs related to math, science, high technology, and other state or regional high-need fields when establishing tuition differentials by course.

557 3. For each state university that is designated as a 558 preeminent state research university by the Board of Governors, 559 pursuant to s. 1001.7065, the aggregate sum of tuition and the tuition differential may be increased by no more than 6 percent 560 561 of the total charged for the aggregate sum of these fees in the 562 preceding fiscal year. The tuition differential may be increased 563 if the university meets or exceeds performance standard targets 564 for that university established annually by the Board of 565 Governors for the following performance standards, amounting to 566 no more than a 2-percent increase in the tuition differential 567 for each performance standard:

a. An increase in the 6-year graduation rate for full time, first-time-in-college students, as reported annually to
 the Integrated Postsecondary Education Data System.

573 States Patent and Trademark Office for the most recent years. 3.4. The aggregate sum of undergraduate tuition and fees 574 575 per credit hour, including the tuition differential, may not exceed the national average of undergraduate tuition and fees at 576 577 4-year degree-granting public postsecondary educational 578 institutions. 579 4.5. The tuition differential shall not be included in any 580 award under the Florida Bright Futures Scholarship Program 581 established pursuant to ss. 1009.53-1009.538. 582 5.6. Beneficiaries having prepaid tuition contracts 583 pursuant to s. 1009.98(2)(b) which were in effect on July 1, 584 2007, and which remain in effect, are exempt from the payment of the tuition differential. 585 586 6.7. The tuition differential may not be charged to any 587 student who was in attendance at the university before July 1, 588 2007, and who maintains continuous enrollment. 589 7.8. The tuition differential may be waived by the 590 university for students who meet the eligibility requirements for the Florida public student assistance grant established in 591 592 s. 1009.50. 593 9. Subject to approval by the Board of Governors, the 594 tuition differential authorized pursuant to this subsection may 595 take effect with the 2009 fall term. 596 (c) Each state university that is designated as a 597 preeminent state research university by the Board of Governors 598 pursuant to s. 1001.7065 may increase the tuition differential

600	aggregate sum of tuition and the tuition differential may be
601	increased by no more than 6 percent of the total charged for the
602	aggregate sum of these fees in the preceding fiscal year. The
603	tuition differential may be increased only if the university
604	meets or exceeds performance standard targets for that
605	university established annually by the Board of Governors for
606	the following performance standards, amounting to no more than a
607	2-percent increase in the tuition differential for each
608	performance standard:
609	1. An increase in the 6-year graduation rate for full-
610	time, first-time-in-college students, as reported annually to
611	the Integrated Postsecondary Education Data System.
612	2. An increase in total annual research expenditures.
613	3. An increase in total patents awarded by the United
614	States Patent and Trademark Office for the most recent years.
615	(c) A university board of trustees may submit a proposal
616	to the Board of Governors to implement a tuition differential
617	for one or more undergraduate courses. At a minimum, the
618	proposal shall:
619	1. Identify the course or courses for which the tuition
620	differential will be assessed.
621	2. Indicate the amount that will be assessed for each
622	tuition differential proposed.
623	3. Indicate the purpose of the tuition differential.
624	4. Indicate how the revenues from the tuition differential

625 will be used.

5. Indicate how the university will monitor the success of
the tuition differential in achieving the purpose for which the
tuition differential is being assessed.

629 (d) The Board of Governors shall review each proposal and 630 advise the university board of trustees of approval of the 631 proposal, the need for additional information or revision to the 632 proposal, or denial of the proposal. The Board of Governors 633 shall establish a process for any university to revise a 634 proposal or appeal a decision of the board.

635 (d) (e) The Board of Governors shall submit a report to the 636 President of the Senate, the Speaker of the House of 637 Representatives, and the Governor describing the implementation 638 of the provisions of this subsection no later than February 1 of 639 each year. The report shall summarize proposals received by the 640 board during the preceding fiscal year and actions taken by the 641 board in response to such proposals. In addition, the report shall provide the following information for each university that 642 643 assesses has been approved by the board to assess a tuition 644 differential:

645 1. The course or courses for which the tuition646 differential was assessed and the amount assessed.

647 2. The total revenues generated by the tuition648 differential.

649 3. With respect to waivers authorized under subparagraph
650 (b)7. (b)8., the number of students eligible for a waiver, the

651 number of students receiving a waiver, and the value of waivers 652 provided.

653 4. Detailed expenditures of the revenues generated by the654 tuition differential.

655 5. Changes in retention rates, graduation rates, the 656 percentage of students graduating with more than 110 percent of 657 the hours required for graduation, pass rates on licensure 658 examinations, the number of undergraduate course offerings, the 659 percentage of undergraduate students who are taught by faculty, 660 student-faculty ratios, and the average salaries of faculty who 661 teach undergraduate courses.

662 (e) (f) <u>A</u> No state university <u>is not</u> shall be required to 663 lower <u>a</u> any tuition differential that was approved by the Board 664 of Governors and in effect <u>before July 1, 2014</u> prior to January 665 1, 2009, in order to comply with the provisions of this 666 subsection.

667 (20) Each state university shall publicly notice and 668 notify all enrolled students of any proposal to increase tuition 669 or fees at least 28 days before its consideration at a board of 670 trustees meeting. The notice must:

(a) Include the date and time of the meeting at which the
 proposal will be considered.

(b) Specifically outline the details of existing tuition
and fees, the rationale for the proposed increase, and how the
funds from the proposed increase will be used.
