

1 A bill to be entitled
2 An act relating to state technology; amending s.
3 322.032, F.S.; directing the Department of Highway
4 Safety and Motor Vehicles, in collaboration with the
5 Agency for State Technology, to implement protocols
6 and standards for issuing an optional digital proof of
7 driver license and procure certain interfaces
8 necessary for a private entity to manufacture a
9 digital proof of driver license; requiring the agency,
10 in collaboration with the department, to publish and
11 maintain such protocols and standards; requiring the
12 agency to review and approve or reject a private
13 entity's request for authorized access to certain
14 interfaces; providing for the designation of an
15 authorized manufacturer of digital proofs of driver
16 licenses; providing for revenue sharing between such
17 authorized manufacturer and the General Revenue Fund;
18 requiring the agency, in collaboration with the
19 Department of Management Services, to enter into a
20 specified agreement with such authorized manufacturer;
21 providing an effective date.

22
23 Be It Enacted by the Legislature of the State of Florida:

24
25 Section 1. Subsections (1) and (2) of section 322.032,

26 Florida Statutes, are amended to read:

27 322.032 Digital proof of driver license.—

28 (1) (a) The department, in collaboration with the Agency
 29 for State Technology, shall establish and implement ~~begin to~~
 30 ~~review and prepare for the development of a secure and uniform~~
 31 protocols and standards ~~system~~ for issuing an optional digital
 32 proof of driver license, and procure any application programming
 33 interface necessary for enabling a private entity to securely
 34 manufacture a digital proof of driver license. ~~The department~~
 35 ~~may contract with one or more private entities to develop a~~
 36 ~~digital proof of driver license system.~~

37 (b) The Agency for State Technology, in collaboration with
 38 the department, shall maintain and publish on its website the
 39 protocols and standards necessary for a private entity to
 40 request authorized access to an application programming
 41 interface necessary for the private entity to manufacture a
 42 digital proof of driver license. The agency shall timely review
 43 and approve or reject such request. Upon approval, the agency
 44 shall designate a private entity as an authorized manufacturer
 45 of digital proofs of driver licenses.

46 (c) Revenue generated from the sale or renewal of a
 47 digital proof of driver license must be collected at the point
 48 of sale or renewal by an authorized manufacturer of digital
 49 proofs of driver licenses and such revenue must be shared with
 50 the state on a revenue-sharing basis. Such authorized

HB 485

2017

51 manufacturer is responsible for remitting 50 percent of all
52 revenue collected when a digital proof of driver license is sold
53 or renewed for deposit into the General Revenue Fund. The Agency
54 for State Technology, in collaboration with the Department of
55 Management Services, shall enter into an agreement with such
56 authorized manufacturer that sets forth the permitted uses,
57 terms and conditions, privacy policy, and uniform remittance
58 terms relating to the manufacture of a digital proof of driver
59 license.

60 (2) A ~~The digital proof of driver license developed by the~~
61 ~~department or by an entity contracted by the department~~ must be
62 in such a format as to allow law enforcement to verify the
63 authenticity of the digital proof of driver license. The
64 department may adopt rules to ensure valid authentication of a
65 digital proof of driver license ~~licenses~~ by law enforcement.

66 Section 2. This act shall take effect October 1, 2017.
