House

---

The Committee on Health Policy (Young) recommended the following:

**Senate Amendment (with title amendment)**

Delete lines 522 - 538

and insert:

established in s. 395.402(1), the determination of whether a trauma center that was not verified by the department before December 15, 2017, but was initially approved by the department in May 2017 to begin operations and is currently operating as a provisional Level II trauma center meets the application and operational requirements for a trauma center shall be governed

735918

11 by a final order from the department or, if appealed, an order  
12 from a court of competent jurisdiction.

13  
14 ===== T I T L E A M E N D M E N T =====

15 And the title is amended as follows:

16       Delete lines 60 - 62

17 and insert:

18       requirements; providing that a certain order governs  
19       the determination of certain trauma centers;
