Section 1. Subsection (1) and paragraph (a) of subsection
(2) of section 414.065, Florida Statutes, are amended to read:

414.065  Noncompliance with work requirements.—

(1) PENALTIES FOR NONPARTICIPATION IN WORK REQUIREMENTS
AND FAILURE TO COMPLY WITH ALTERNATIVE REQUIREMENT PLANS.—

(a) The department shall establish procedures for
administering penalties for nonparticipation in work
requirements and failure to comply with the alternative
requirement plan. If an individual in a family receiving
temporary cash assistance fails to engage in work activities
required in accordance with s. 445.024, the following penalties
shall apply. Prior to the imposition of a sanction, the
participant shall be notified orally or in writing that the
participant is subject to sanction and that action will be taken
to impose the sanction unless the participant complies with the
work activity requirements. The participant shall be counseled
as to the consequences of noncompliance and, if appropriate,
shall be referred for services that could assist the participant
to fully comply with program requirements. If the participant
has good cause for noncompliance or demonstrates satisfactory
compliance, the sanction may not be imposed. If the
participant has subsequently obtained employment, the
department shall be counseled regarding the transitional
benefits that may be available and provided information about
how to access such benefits.

(b) The department shall administer sanctions related to
food assistance consistent with federal regulations.

(c) If an individual in a family receiving temporary cash
assistance fails to engage in work activities required in
accordance with s. 445.024, the following penalties shall apply:

(a) 1. First noncompliance:
   a. Temporary cash assistance shall be terminated for the
      family for a minimum of 1 month or until the individual
      who failed to comply does so, whichever is later. Upon meeting
      this requirement, temporary cash assistance shall be reinstated
      to the date of compliance or the first day of the month
      following the penalty period, whichever is later.
   b. Temporary cash assistance for the minor child or
      children in a family may be continued for the first month of the
      penalty period through a protective payee as specified in
      subsection (2).

2. Second noncompliance:
   a. Temporary cash assistance shall be terminated for the
      family for 3 months or until the individual who failed
      to comply does so, whichever is later. The individual shall be
      required to comply with the required work activity upon
completion of the 3-month penalty period before reinstatement of
temporary cash assistance. Upon meeting this requirement,
temporary cash assistance shall be reinstated to the date of
compliance or the first day of the month following the penalty
period, whichever is later.

b. Temporary cash assistance for the minor child or
children in a family may be continued for the first 3 months of
the penalty period through a protective payee as specified in
subsection (2).

3. Third noncompliance:
   a. Temporary cash assistance shall be terminated for the
family for 6 3 months or until the individual who failed to
comply does so, whichever is later. The individual shall be
required to comply with the required work activity upon
completion of the 6-month 3-month penalty period, before
reinstatement of temporary cash assistance. Upon meeting this
requirement, temporary cash assistance shall be reinstated to
the date of compliance or the first day of the month following
the penalty period, whichever is later.

b. Temporary cash assistance for the minor child or
children in a family may be continued for the first 6 months of
the penalty period through a protective payee as specified in
subsection (2).

4. Fourth noncompliance:
   a. Temporary cash assistance shall be terminated for the
family for 12 months or until the individual who failed to comply does so, whichever is later. The individual shall be required to comply with the required work activity upon completion of the 12-month penalty period and reapply before reinstatement of temporary cash assistance. Upon meeting this requirement, temporary cash assistance shall be reinstated to the first day of the month following the penalty period.

b. Temporary cash assistance for the minor child or children in a family may be continued for the first 12 months of the penalty period through a protective payee as specified in subsection (2).

5. The sanctions imposed under subparagraphs 1.-4. do not prohibit a participant from complying with the work activity requirements during the penalty periods imposed by this paragraph.

(d) If a participant receiving temporary cash assistance who is otherwise exempted from noncompliance penalties fails to comply with the alternative requirement plan required in accordance with this section, the penalties provided in paragraph (c) shall apply.

(e) When a participant is sanctioned for noncompliance with this section, the department shall refer the participant to appropriate free and low-cost community services, including food banks.
If a participant fully complies with work activity requirements for at least 6 months, the participant shall be reinstated as being in full compliance with program requirements for purpose of sanctions imposed under this section.

(2) CONTINUATION OF TEMPORARY CASH ASSISTANCE FOR CHILDREN; PROTECTIVE PAYEES.—

(a) Upon the second or third occurrence of noncompliance with work requirements, subject to the limitations in paragraph (1)(c), temporary cash assistance and food assistance for the minor child or children in a family who are under age 16 may be continued. Any such payments must be made through a protective payee or, in the case of food assistance, through an authorized representative. Under no circumstances shall temporary cash assistance or food assistance be paid to an individual who has failed to comply with program requirements.

Section 2. Subsections (3) through (7) of section 445.024, Florida Statutes, are renumbered as subsections (4) through (8), respectively, and a new subsection (3) and subsections (9), (10), and (11) are added to that section to read:

2. Under what circumstances the participant would be sanctioned for noncompliance and what constitutes good cause for noncompliance.
3. Potential penalties for noncompliance with the work requirements in s. 414.065, including how long benefits would be unavailable to the participant.

(b) Develop an individual responsibility plan for each participant.

1. The individual responsibility plan shall be developed jointly by the participant and the participant's case manager pursuant to an initial assessment of, at a minimum, the participant's skills, prior work experience, employability, and barriers to employment.
2. The individual responsibility plan shall seek to move the participant towards self-sufficiency and shall:
   a. Establish employment goals and a plan for moving the participant into unsubsidized employment.
   b. Place the participant into the highest level of employment he or she is capable of and increase the participant's work responsibilities and amount of work over time.

obligations, work activity requirements, and any services the
local workforce development board will provide to enable the
participant to satisfy his or her obligations and work activity

noncompliance with work activity requirements and do not
sanction a participant who is temporarily unable to meet work
activity requirements due to circumstances beyond his or her
control.

(c) When requesting that the Department of Children and
Families sanction an individual who has failed to engage in work
activities required for food assistance under this section, the
department or local workforce development board shall notify the
Department of Children and Families of the reason for the
sanction request.

department shall submit to the Governor, the President of the
Senate, and the Speaker of the House of Representatives an
