253 sobriety when given the opportunity to build a stronger
254 foundation by living in a recovery residence while receiving
255 treatment or after completing treatment. The Legislature further
256 finds that this state and its subdivisions have a legitimate
257 state interest in protecting these persons, who represent a
258 vulnerable consumer population in need of adequate housing. It
259 is the intent of the Legislature to protect persons who reside
260 in a recovery residence.

261 (6) All owners, directors, and chief financial officers of
262 an applicant recovery residence are subject to level 2
263 background screening as provided under s. 408.809 and chapter

271 accordance with s. 435.04, the department shall notify the

273 financial officer's eligibility based on the results of his or
274 her background screening.

275 (8) Onsite followup monitoring of a certified recovery

276 residence may be conducted by the credentialing entity to
277 determine continuing compliance with certification requirements.
278 The credentialing entity shall inspect each certified recovery
279 residence at least annually to ensure compliance.

280 (e) Any decision by a department-recognized credentialing
281 entity to deny, revoke, or suspend a certification, or otherwise
282 impose sanctions on a recovery residence, is reviewable by the
283 department. Upon receiving an adverse determination, the
284 recovery residence may request an administrative hearing
285 pursuant to ss. 120.569 and 120.57(1) within 30 days after
286 completing any appeals process offered by the credentialing
287 entity or the department, as applicable.

288 (11) Notwithstanding any landlord and tenant rights and
289 obligations under chapter 83, a recovery residence that is
290 certified under this section and has a discharge policy approved
291 by a department-recognized credentialing entity may immediately

295 resident's welfare.

296 (b) The resident's needs cannot be met at the recovery

306 (1) A service provider licensed under this part may not
 307 make a referral of a prospective, current, or discharged patient
 308 to, or accept a referral of such a patient from, a recovery
 309 residence unless the recovery residence holds a valid
 310 certificate of compliance as provided in s. 397.487 and is
 311 actively managed by a certified recovery residence administrator
 312 as provided in s. 397.4871.

313 (2) Subsection (1) does not apply to:

324 397.55 Prohibition of deceptive marketing practices.—

325 (1) The Legislature recognizes that consumers of substance

326 abuse treatment have disabling conditions and that such
327 consumers and their families are vulnerable and at risk of being
328 easily victimized by fraudulent marketing practices that
329 adversely impact the delivery of health care. To protect the
330 health, safety, and welfare of this vulnerable population, a
331 service provider, an operator of a recovery residence, or a
332 third party who provides any form of advertising or marketing
333 services to a service provider or an operator of a recovery
334 residence may not engage in any of the following marketing

337 agrees to generate referrals or leads for the placement of
338 patients with a service provider or in a recovery residence
339 through a call center or a web-based presence, unless the
340 contract requires such agreement and the marketing provider
341 ~~service provider or the operator of the recovery residence~~
342 discloses the following to the prospective patient so that the
343 patient can make an informed health care decision:

344 1. Information about the specific licensed service

346 marketing provider and pay a fee to the marketing provider,
347 including the identity of such service providers or recovery
348 residences; and

 358 chapter, regardless of whether those disqualifying offenses are
 359 listed in this chapter or other laws.

 361 treatment providers who treat adolescents 13 years of age and
 362 older who are disqualified from employment solely because of
 363 crimes under s. 796.07(2)(e), s. 810.02(4), s. 812.014(2)(c), s.

 366 777.04, may be exempted from disqualification from employment
 367 pursuant to this chapter without application of the waiting
 368 period in subparagraph (1)(a)1.

 378 ~~promulgated~~ thereunder.

472 citizens for the governing board, agency, or authority. The
473 slate shall be presented to the county commission and the county
474 commission shall confirm the top five to seven nominees,
475 depending on the size of the governing board. Until such time as

476 the governing board, agency, or authority is created, the funds
477 provided for in subparagraph (d)2. shall be placed in a
478 restricted account set aside from other county funds and not
479 disbursed by the county for any other purpose.

480 1. The plan shall divide the county into a minimum of four
481 and maximum of six service areas, with no more than one
482 participant hospital per service area. The county public general
483 hospital shall be designated as the provider for one of the
484 service areas. Services shall be provided through participants'
485 primary acute care facilities.

486 2. The plan and subsequent amendments to it shall fund a
487 defined range of health care services for both indigent persons
488 and the medically poor, including primary care, preventive care,
489 hospital emergency room care, and hospital care necessary to
490 stabilize the patient. For the purposes of this section,
491 "stabilization" means stabilization as defined in s. 397.311 ~~s.~~
492 ~~397.311(45)~~. Where consistent with these objectives, the plan
493 may include services rendered by physicians, clinics, community
494 hospitals, and alternative delivery sites, as well as at least
495 one regional referral hospital per service area. The plan shall
496 provide that agreements negotiated between the governing board,
497 agency, or authority and providers shall recognize hospitals
498 that render a disproportionate share of indigent care, provide
499 other incentives to promote the delivery of charity care to draw
500 down federal funds where appropriate, and require cost

501 containment, including, but not limited to, case management.
502 From the funds specified in subparagraphs (d)1. and 2. for
503 indigent health care services, service providers shall receive
504 reimbursement at a Medicaid rate to be determined by the
505 governing board, agency, or authority created pursuant to this
506 paragraph for the initial emergency room visit, and a per-member
507 per-month fee or capitation for those members enrolled in their
508 service area, as compensation for the services rendered
509 following the initial emergency visit. Except for provisions of
510 emergency services, upon determination of eligibility,
511 enrollment shall be deemed to have occurred at the time services
512 were rendered. The provisions for specific reimbursement of
513 emergency services shall be repealed on July 1, 2001, unless
514 otherwise reenacted by the Legislature. The capitation amount or
515 rate shall be determined before program implementation by an
516 independent actuarial consultant. In no event shall such
517 reimbursement rates exceed the Medicaid rate. The plan must also
518 provide that any hospitals owned and operated by government
519 entities on or after the effective date of this act must, as a
520 condition of receiving funds under this subsection, afford
521 public access equal to that provided under s. 286.011 as to any
522 meeting of the governing board, agency, or authority the subject
523 of which is budgeting resources for the retention of charity
524 care, as that term is defined in the rules of the Agency for
525 Health Care Administration. The plan shall also include

526 innovative health care programs that provide cost-effective
527 alternatives to traditional methods of service and delivery
528 funding.

529 3. The plan's benefits shall be made available to all
530 county residents currently eligible to receive health care
531 services as indigents or medically poor as defined in paragraph
532 (4) (d).

533 4. Eligible residents who participate in the health care
534 plan shall receive coverage for a period of 12 months or the
535 period extending from the time of enrollment to the end of the
536 current fiscal year, per enrollment period, whichever is less.

537 5. At the end of each fiscal year, the governing board,
538 agency, or authority shall prepare an audit that reviews the
539 budget of the plan, delivery of services, and quality of
540 services, and makes recommendations to increase the plan's
541 efficiency. The audit shall take into account participant
542 hospital satisfaction with the plan and assess the amount of
543 poststabilization patient transfers requested, and accepted or
544 denied, by the county public general hospital.
