Reactivation requires the payment of an application fee as determined by the board and certification by the Florida certified public accountant that the applicant satisfactorily completed the continuing education requirements set forth under s. 473.311. (e) A retired licensee may use the title of "retired CPA"
on any business card or letterhead or any other printed or
electronic document. However, such title must not be applied in
such a manner that could confuse the public as to the current
status of the licensee. The licensee is not required to have a
certificate issued with the word "retired" on the certificate.
(f) A retired licensee is not required to maintain the continuing education requirements under s. 473.312.

(g) A retired licensee may not offer or render professional services that require her or his signature and use of the CPA title, regardless of whether the word "retired" is attached to such title.

(h) A retired licensee may reactivate her or his license in a conditional manner determined by the board. The conditions of reactivation must require the payment of fees and the completion of any required continuing education.

For the purposes of this subsection, the term "retired licensee" means a licensee whose license has been placed in retired status by the department.
