A bill to be entitled An act relating to the state preemption of energy infrastructure regulations; creating s. 377.6013, F.S.; defining the term "energy infrastructure"; preempting to the state the regulation of the construction of energy infrastructure; providing construction; providing an effective date.

WHEREAS, the Legislature finds that affordable, reliable, and sustainable energy throughout this state is dependent upon energy infrastructure networks extending beyond local governmental boundaries, and

WHEREAS, the Legislature recognizes the importance of consumer choice in the energy market, NOW, THEREFORE,

Be It Enacted by the Legislature of the State of Florida:

Section 1. Section 377.6013, Florida Statutes, is created to read:

377.6013 Construction of energy infrastructure; preemption.-

- (1) As used in this section, the term "energy infrastructure" means infrastructure used to support the production, import, storage, and distribution of natural gas; petroleum; petroleum products; electricity; biomass; renewable fuels; hydrogen; or solar, wind, or geothermal energy.
- (2) The regulation of the construction of energy infrastructure is expressly preempted to the state. A local governmental entity may not do any of the following:

7-00988A-21 2021856\_\_

(a) Implement any law, ordinance, regulation, policy, or resolution that prohibits, restricts, or requires, or has the effect of prohibiting, restricting, or requiring, the construction of new or the expansion, upgrading, or repair of existing energy infrastructure.

(b) Impose requirements that are more stringent than state law or rule.

Section 2. Any local governmental law, ordinance, regulation, policy, or resolution that is preempted by this act and that existed before, on, or after July 1, 2021, is void.

Section 3. This act shall take effect July 1, 2021.
