7 may require the school district to modify or cancel the
8 contract.

9 (c) Implementation of the turnaround option is no longer
10 required if the school improves to a grade of "C" or higher.
11 However, a school that exits turnaround status based on its
12 school grade for the 2023-2024 school year or thereafter and
13 earns a grade of "D" or "F" within 2 consecutive school years
14 must select and implement a turnaround option it has not yet
15 completed.

Amendment No. 2

16 (d) If a school earning two consecutive grades of "D" or a
17 grade of "F" does not improve to a grade of "C" or higher after
18 2 school years of implementing the turnaround option selected by
19 the school district under paragraph (b), the school district
20 must implement another turnaround option. Implementation of the
21 turnaround option must begin the school year following the
22 implementation period of the existing turnaround option, unless
23 the state board determines that the school is likely to improve
24 to a grade of "C" or higher if additional time is provided to
25 implement the existing turnaround option.
